

Ada Gammons
*In Honor Of Our
Grandma On Her
101st Birthday*

Our grandma is warm hugs and sweet memories. She remembers all of your accomplishments and forgets all of your mistakes.

She is someone you can tell your secrets and worries to, and she hopes and prays that all your dreams come true. She always loves you, no matter what. She can see past temper tantrums and bad moods, and makes it clear that they don't affect how precious you are to her. She is an encouraging word and a tender touch. She is full of proud smiles. She is the one person in the world who loves you with all her heart, who remembers the child you were and cherishes the person you've become.

We love you with all our hearts and hope you have a wonderful birthday!

102 Years Old

Ada Gammons recently celebrated her 102nd birthday. She was honored with a celebration in the fellowship hall of Woodville Baptist Church with about 100 family members and friends attending. Her children are Clyde Gammons, Viola Hiatt, Lola Inman, Zoy Gammons, Leonard Gammons, Cleonard Gammons, Gertrude Marion, Geraldine Vaughn and Carolyn Campbell. Two of her children, John A. Gammons and James Gariel Gammons, are deceased. Mrs. Gammons still recalls the old days of the wagons, the buggies, then her family having the first automobile in the community. She also remembers cutting tobacco by the stalk. Even with a large family, she still had time to visit friends and attend church each Sunday with her husband, the late Reid Gammons.

Although our Grandmother and Mother is gone and we will never see her smiling face here on earth again, she is with us forever and we love her dearly. It was hard to let her go, but now her suffering is over and she is sleeping that peaceful sleep until Jesus comes.

I Love you and miss you Grandma!

He was a loving brother to his two sisters and four brothers. He loved everybody. He is gone but not forgotten. He is missed by all. Cancer claimed him after two weeks in the hospital.
