Today is a very special day in the life of Mt. Airy Friends and we extend a warm welcome to everyone who is sharing it with us. We especially welcome former members, visitors, and guests.

As part of our celebration, we have placed an Anniversary Register at the entrance to the Meeting Room. We would like to have a record of everyone who is attending today so please be sure that you sign it before you leave.

We have a few commemorative T-shirts left. If you do not get one, please give your name and ten dollars to Clem Lawrence or Sarah Johnson and we will order one for you.

Our bulletin covers today are intended to be a memento that you can keep. Since the supply is limited, we would ask that you take only one per family until every family has at least one copy. We have an extra supply of regular bulletins for the children and other family members. Our thanks to Bill Crownfield for making these available.

We also have a commemorative booklet for each family called "Reflections." It is a wonderful spiritual portrait of members of the meeting as they respond to the questionnaire that was distributed this spring. Our thanks to Jeff and Patricia Sebens and the new Sunday School class for compiling it.

The flowers today are in loving memory of Della and Calvin Welch by their grandchildren, Louise Breeden, Helen Hutchens, Mary Ruth Stewart, and Walter Welch.

Everyone is invited to dinner following Meeting for Worship. Our thanks to Larry Martin, Wade Moore, and others who are preparing it.

The Youth Recreation Room in the Education Building has been set up as an Exhibit Room for today. Visit it during and after dinner to see a few items of memorabilia from our past.

After dinner today, we will clear the tables and set up chairs in the Fellowship Room for a special presentation of "I Remember," a trip down memory lane, and a "candid camera" glimpse of Mt. Airy Friends at their best. A special thanks to Bill Crownfield who was indispensable in its production.
