Annual Party

Alan Payne introduces Inga Rasmussen of Northern Feather, Denmark to Jane Wooten, a Chatham retiree. Ms. Rasmussen is Director and Group Board Secretary for The Northern Feather Group Ltd.

Roby Wilcox and Mamie Simmons chat with Leon Reece of WIFM Radio.

Mr. Johs. Petersen, Executive Chairman of The Northern Feather Group Ltd., spoke to Chatham Manufacturing Company retirees, long service employees and guests. The Chatham Choir performed beautifully. They surprised everyone by singing several songs in the Danish language.

North Carolina State Textile Foundation Scholarship Announcement

The North Carolina Textile Foundation and the College of Textiles sponsor an outstanding scholarship program for textile majors.

Each school year, seven TEXTILE FOUNDATION MERIT AWARDS are given annually to entering freshmen.

These scholarships are funded at \$3,500 per year, *plus tuition differential for out-of-state residents*, are renewable, and constitute an overall award of \$14,000. Textile Foundation Merit Awards are made possible by the textile and allied industries of North Carolina through the N.C. Textile Foundation. They are the capstone to an already established \$150,000 scholarship program at the College of Textiles, which includes 51 Prestige Scholarships valued at up to \$1,500 each, renewable for four years.

Merit Scholarship recipients are selected on the basis of demonstrated academic excellence, leadership potential, motivation, and intellectual, physical, and extracurricular activities. Finalists are invited to a personal interview with a special Scholarship Committee.

Students must apply to the College of Textiles and be entering freshmen for the 1989-1990 academic year. Generally, recipients will be in the top 10 percent of their high school graduating class with SAT scores of over 1100, but leadership potential, and physical vigor as demonstrated through extracurricular and community activities will be an important factor in the selection process.

If interested, you should request a College of Textiles Merit Awards Application at the Chatham Personnel Office.

The completed application and supporting information must be sent to N.C. State by March 1, 1989.

FLU VACCINE SCHEDULE

Flu vaccine will be given in the First Aid on the following schedule:

Friday, October 21 - 10 a.m. - 1 p.m.

Boonville Plant - 12 noon - 1 p.m.

The charge this year will be \$6.00 to cover the cost of the vaccine. If you have a reaction to the vaccine in the past or you are allergic to eggs, **DO NOT TAKE THIS VACCINE.**

The major problem with private enterprise is that you, yourself, have to be enterprising. You may even have to work.

Man has proved his ability to learn, but with all this knowledge he has not yet learned to live with his fellow man.

Retiring

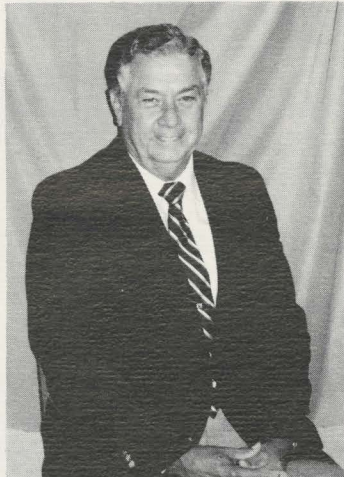

Gracie Couch

Gracie Couch enjoyed working with all her second shift friends in the Cloth Department, but she's now ready to try retirement.

When Gracie first came to work at Chatham, she was given the clock number 1925. This also happens to be the year Gracie was born and she's about willing to bet that no other Chatham employee has a clock number that is the same as the year they were born.

Gracie has four children. Three of them live locally and a son lives in Michigan. She has five grandsons and one granddaughter. Although she believes keeping track of her big family will keep her pretty busy, she has a long list of other things to do. She will have a garden, she loves to sew and cook, and she makes all kinds of crafts. One of her favorite things to do is to make quilts.

Junior Vestal

Junior Vestal remembers coming to work at Chatham more than forty-six years ago. He says Chatham made only two products back then, blankets and a small amount of apparel fabric. Most of the blankets were Army blankets and the other blankets were all one style.

Junior worked most of his years here in the Carding and Spinning Departments but was working in the Fiber Reclamation when he retired. Junior says he has worked with some mighty fine people at Chatham.

Plans for the future include a trip to California, but for now Junior says he will keep busy at home with the lawn and a garden. Junior's wife, Odessa, works in our Accounting Department. Junior and Odessa attend church at Fall Creek Baptist Church. They have one son, Ivey Gray.

Myrtle Moody

Myrtle Moody came to work in the Napping Department forty-six years ago. At that time, the Napping Department was on the fourth floor of what is now the old finishing area. She started working the first shift but changed to the second shift and has stayed with it for the last 16 years. Myrtle says she has enjoyed working for the company and working with the friends she has made. She will miss them.

Myrtle never seemed to have time for hobbies, but she may take up a few now. She plans to rest awhile, catch up on visiting her friends, and get settled in her new routine. She wants to spend more time visiting her two sisters and brother in High Point. Myrtle also has a sister in Indiana she plans to visit.

C.L. Kimbrough, Jr.

C.L. (Jack) Kimbrough, Jr. has been at Chatham for more than forty-two years. He is retiring from the Spinning Department.

Jack's favorite activity is fishing and he loves to go to Morehead City and fish along the North Carolina coast. Jack plans to have a garden and he is looking forward to spending some time at his sister's place in the mountains.

Jack is the half-brother of Worth Billings, Chatham retiree. He has one son, Gray who works in our Warp Department. Jack plans on spending extra time with his only grandchild, Julie.

Jack attends church at Swan Creek Baptist Church.

**PEOPLE are the
key to SAFETY**

Thanks to all of you who helped make the annual Chatham party a success. Many retirees and long-service employees have let us know they had a good time.

Tri-County United Way

1988 Campaign Goal - \$85,000.00

When you sign your United Way pledge card you're making a statement, "I care."

Your gift to the 1988 United Way Campaign helps many people throughout the Tri-County Area. But do you know exactly where your contribution goes? Who does it help? How does the United Way determine which organization will receive monies and which group of people will receive help?

Our United Way is run by local people. They set the goals, head the campaign, solicit and budget the dollars. Eighteen volunteers from different parts of the Tri-County area decide where your pledge money will go. These volunteers spend many hours analyzing each agency in depth. They meet with agency leaders and review budgets. They go through many requests for funding. When the funds are distributed, your United Way volunteers have gained much knowledge about each agency and their individual needs. This helps to insure that your United Way contribution will be well spent. These volunteers continue to monitor the use of these funds throughout the year.

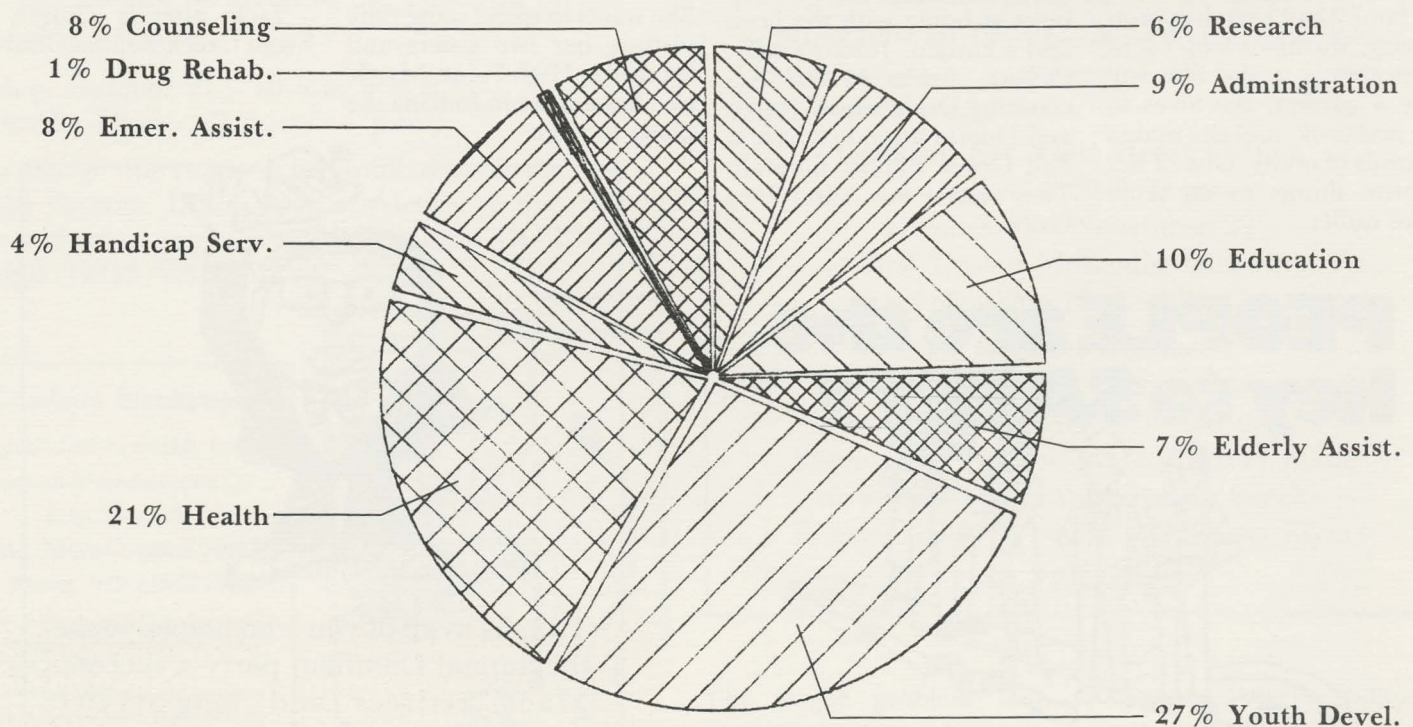

More than thirty-one United Way agencies serve the Tri-County area. It is very likely that you will someday

use these services. Last year, more than half the people in Wilkes, Yadkin and Surry counties were served by these agencies.

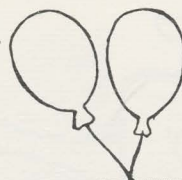

Our money will be going to programs and agencies that can really make a difference. Our contributions to this campaign help provide assistance to the elderly. It helps our American Red Cross, our rescue organizations, troubled youth, orphans, the sick, the handicapped, and the hungry.

One gift works many wonders and the majority of the funds stay right here in our area. In the words of our late President, R.T. Chatham, "The success of this drive will hinge on the genuine interest and concern for the continued well being of our community by each of us."

Here at Chatham, no employee is pressured to give more than he or she can afford. The gift doesn't have to be large, but the idea is that everyone should give something. You can give a single gift or do it the easy way. Give through payroll deductions. A small amount each payday works for you, your family, and your community all year.

It takes all types to make a blood program. There are four major groups and two blood types - Rh positive and Rh negative.

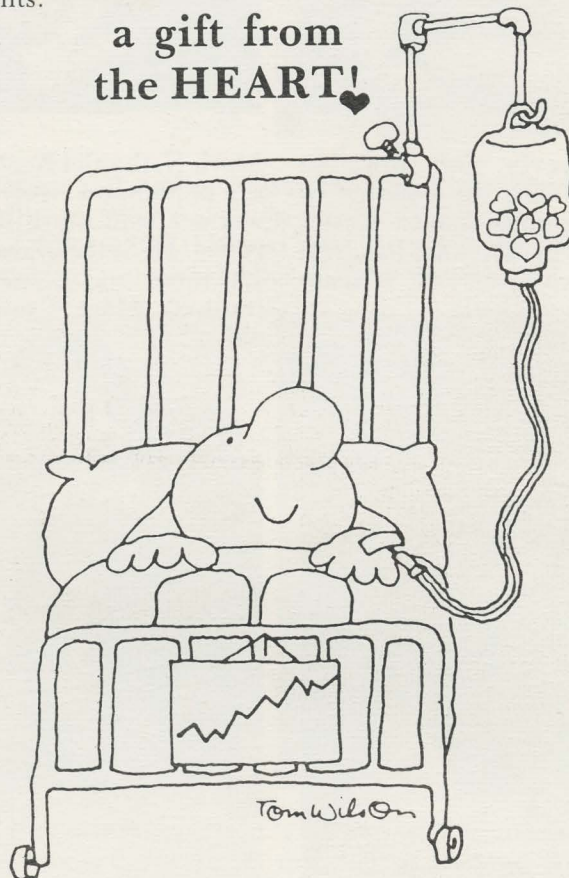

Out of every 100 blood donors, 85 have RH POSITIVE blood - only 15 have RH NEGATIVE blood.

Blood groups occur as follows:

O positive	1 person in 3	A negative	1 person in 16
A positive	1 person in 3	AB positive	1 person in 29
B positive	1 person in 12	B negative	1 person in 67
O negative	1 person in 15	AB negative	1 person in 167

People with O negative blood are called "universal donors." Persons with AB positive blood are known as "universal recipients."

Christmas Savings To Be Paid Nov. 4

Christmas Savings will be paid by the Chatham Employees Credit Association on Friday, November 4.

The checks will be distributed by the supervisors in each department. Your check stub on October 28 will show the total amount in your Christmas Savings Account.

A 4% per annum dividend will be paid on the accounts this year. (Example: If your Christmas Savings total is \$500.00, your dividend will be \$10.00.)

Accounts which have been borrowed against during the year will not receive this dividend. If a loan has been made against your account, the check you receive will be for the difference.

Stop by the Credit Association if you are interested in starting a Christmas savings or in changing the amount you have deducted.
