1989 Chatham Fishing Tournament Winners

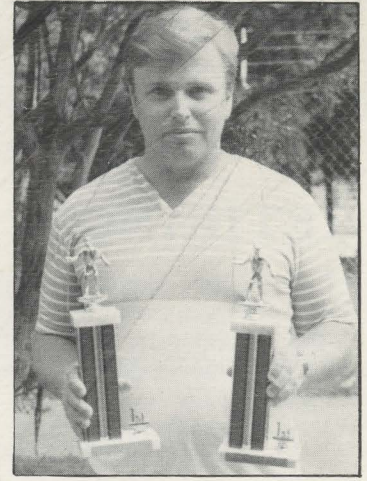

Linda Wood won the crappie category with a fish that weighed two pounds and one ounce. Linda works third shift in the Winding Department.

Mack Ford is the catfish winner with a channel catfish of eleven pounds and seven ounces. Mack works second shift in the Blending Department.

Randy Wood, Blending Department, second shift, won the largemouth bass category with a five pound, eleven ounce bass, and the open category with a twenty pound and four ounce carp.

Jeff Snow, Warp Department, second shift won the smallmouth bass category with a two pound, twelve ounce bass. Jeff also won the bream category with a one pound, one ounce bream.

Driver's Safety

The Annual Driver Safety Breakfast was held Saturday, June 3rd at Cedarbrook Country Club. Guests were welcomed by Louise Haynes.

Mr. Alan Payne, President, gave a report on current business conditions. A video and other materials on handling of hazardous materials was presented by Jim Woodruff.

The drivers were recognized and presented awards for their years of safe driving. Drivers awarded certificates were Ray Lytton and Fred Dimmette - 26 years, Harold Prevette - 23 years, Larry Tilley - 19 years, Ray Barker - 15 years, Ernest Layell - 13 years, Ralph Macemore - 10 years, Trent Gilmore - 6 years and Russell Edwards - 2 years.

Gifts were presented to each driver and guest by John Kemp, District Manager, Penske Truck Leasing.

Club News

The Fellowship Club visited Tharpe's Mill for their May meeting, taking their husbands or other guests with them. **Pauline Jarvis, Louise Bunton, Velma Darnell and Maxine Wilkins** were among the members who enjoyed the trip, the food and the scenery.

Audrey R. Key

Jim Darnell receives a gift from his coworkers in the pipe shop, presented to him by his supervisor, **Arlis Pettyjohn**.

RETIRING

James (Jim) Darnell and his coworkers in the pipe shop of the Engineering Department had lunch together one last time on the last day Jim worked before his retirement. Of course, the lunch came after Jim got his pants legs cut off. Jim has worked at Chatham for more than forty-seven years. His wife, Emma Lou, retired from Chatham in 1988.

Plans now are to spoil his great grandson, says Jim, and catch up on work around his house. Jim and Emma Lou have two children, Judy Anderson and Hilda Gay Macemore. They have two grandchildren. Their grandson, Larry, works in our Quality Control Department.

Jim and Emma Lou attend Pleasant Hill Baptist Church.

Charlie Lyles enjoyed a retirement coffee break with members of his family and his coworkers on the third shift in the Weave Department at the Butler Plant. Charlie says he has done about every job in the Weave, but mostly he put in warps.

He started out at Chatham over forty-one years ago in the Shipping Department.

Charlie and his wife, Virgie, have two children, Wayne and Joan. Joan Lyles also works third shift at the Butler Plant. Michael Lyles, eighteen, and Jason Lyles, thirteen, are Charlie and Virgie's grandchildren.

Charlie likes to work in his garden and says that is his only hobby.

Thirty years and three months ago, **Audrey Key** came to work at Chatham in the Binding Department. She says it was on the third floor over the Cloth Department, long before they moved to the Fiberwoven Plant.

Audrey has been out for about nine years, but before that she was working in the Winding Department. Both Audrey and her husband, Sam, who is also a Chatham employee, are out on LTD.

Audrey and Sam are the parents of one son, Bruce Key. He works in our Engineering Department on the guard force.

Audrey attends Bessie's Chapel Baptist Church and is proud of the fact that the church is named in memory of her mother, Bessie.

William (Bill) Smith is retiring from the Weave Department, Butler Plant. He has been a Chatham employee for almost thirty-nine years and he spent most of that time in the Weave Department as a loom fixer.

Bill has a son, Timothy Smith and a daughter, Kimberly Bryant. He has a nine year old grandson, Jason and a seven year old grandson, Landon.

Bill and his wife Doris Ann live in the Pleasant Hill community.

Bill's dad, the late Paul Smith, was a Chatham retiree.

Bill enjoys gardening and horseback riding. He likes to spend time restoring antique cars and is presently working on a 1926 T-Model Ford. He would like someday to take it to car shows.

Raymond Crump will miss his friends at Chatham, but he plans to enjoy his retirement. He enjoys riding his 750 Honda motorcycle and gardening.

Raymond has two children, Lu Ann Gentry and Stanley Crump, and one grandchild, Stephanie. He and his wife, Mabel, attend church at Pleasant Hill Baptist Church. Raymond is the brother of Pauline Walters, who is a Chatham retiree.

The Fiberwoven Department is where Raymond has worked since 1966 and he is retiring with almost forty-five years at Chatham. He worked as a lead-man on the second shift in the Fiberwoven.

Now that both she and her husband, Robert, are retired, **Pauline Barker** plans on enjoying everything. Walking four miles a day, doing a lot of reading, traveling some, and doing things with their grandchildren are at the top of the list. Robert Barker is also a Chatham retiree. They attend Oak Level Baptist Church.

Pauline and Robert are the parents of Pam Blackburn (Piece Dye office). They have two sons, Don and Greg and four grandchildren: Meghan, Courtney and Zach Barker and Maria Blackburn.

Pauline has been a Chatham employee for thirty-seven years. She is retiring from the Burling Department.

Freda Casey has worked the last forty-three years at Chatham Manufacturing Company. For the last year, she has worked in the Research Laboratory and she worked the eight years before that in the Quality Control Department. Freda says she has actually worked "all over" the plant including Warp, Spinning, Weave, and Worsted.

Freda has two children Gail Vestal and Kent Vanhoy. Her grandchildren are: Casey Vestal, Sunny Vestal and Brooke Vanhoy. Freda's husband, Ira, is also a Chatham retiree. They make their home in Hamptonville.

Traveling has always been a great love of Freda's. She

has a great trip planned through the western states for July and there's no telling where she will be off to next.

Other hobbies that Freda enjoys include quilting, knitting, and crocheting. She enjoys about any type of crafts.

Sybil Park says she has enjoyed her work as manager of the Chatham Country Store, but she is looking forward to catching up on all the things she has wanted to do, but just didn't seem to have enough time.

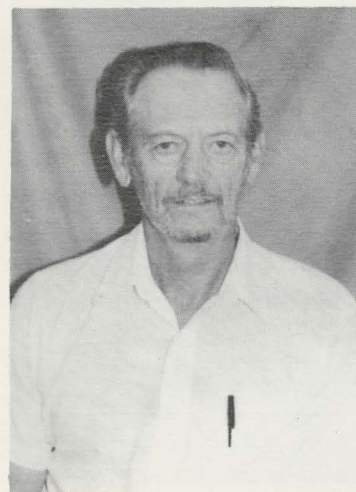

Cross-stitching and quilting are Sybil's hobbies, but at the top of the "to do" list for Sybil and her husband, Bobby, is their only grandchild, Lindsey Michelle Park. Sybil figures spoiling her will take a great deal of their time. Lindsey is also the granddaughter of Aline Sparks, who works for Sybil at the Country Store, and the daughter of Michael and Toni

Sybil attends church at Friendship Baptist Church. She has been a Chatham employee for twenty-nine years and has been manager of the Country Store for eight years.

## Share-A-Joke

My friend is a rather old-fashioned lady, always quite delicate and elegant, especially in her language. She and her husband were planning a week of vacation in Florida, so she wrote to a particular campground to ask for a reservation. She wanted to make sure the campground was fully equipped, but didn't know how to ask about the toilet facilities. She just couldn't bring herself to write the word "toilet" in her letter. After much deliberation, she finally came up with the old-fashioned term "bathroom commode", but, when she wrote that down, she still thought she was being too forward. So, she started all over again, rewrote the entire letter, and referred to the "bathroom commode" as the "B.C.", inquiring, "Does the campground have its own B.C.?"

Well, the campground owner wasn't old-fashioned at all, and when he got the letter, he just couldn't figure out what the lady was talking about. That "B.C." business really stumped him. After worrying about it for a while, he showed the letter to several campers, but they couldn't imagine what the lady meant either. So the campground owner finally came to the conclusion that the lady must have been asking about the Baptist Church, and he penned the following reply:

Dear Madam:

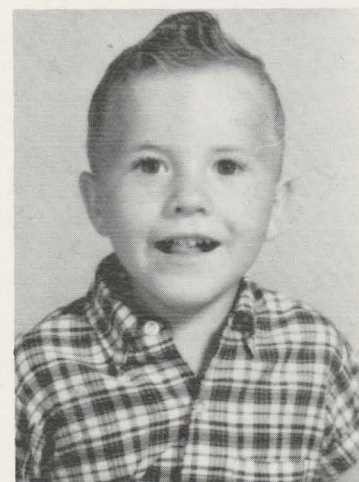

I regret very much the delay in answering your letter, but I now take the pleasure of informing you that a 'B.C.' is located nine miles north of the campground and is capable of seating 250 people at one time! I admit it is quite a distance away if you are in the habit of going regularly; but, no doubt, you will be pleased to know that a great number of people take their lunches along and make a day of it. They usually arrive early and stay late. The last time my wife and I went was six

years ago, and it was so crowded that we had to stand up the whole time we were there. It may interest you to know that right now there is a supper planned to raise money to buy more seats. They're going to hold it in the basement of the B.C. I would like to say that it pains me very much not to be able to go more regularly, but it sure is no lack of desire on my part. As we grow older, it seems to be more of an effort, particularly in cold weather.

If you decide to come down to our campground, perhaps I could go with you the first time you go, sit with you, and introduce you to all the other folks. Remember, this is a friendly community!

You are invited to share-a-joke with us. Send your joke to Kathie McDaniel, Personnel Department, or give it to your C-NC Reporter. This joke was sent to us by a group of Weave Department employees.

## Then and Now Guess Who

Can you guess who this three year old is? Can't tell you which department he works in as that would be a real give-away, but he is a Northern-Chatham employee.

(Answer on Page Ten)

What's wrong here?

ANSWER: When lifting, crouch down with back straight. Lift with your legs.

## "Where can we go?"

Many of you have inquired about places to go for vacation. Our vacation discounts have gotten lots of attention and we have brochures and coupons, etc. for a number of places in the Personnel office.

Sorry, we don't have the time or the manpower to get information and discounts for every place around, but we do have a good selection. CHECK IT OUT!

Vena Darnell, Ethel Spencer, Gladys Lane, Bertha Hudspeth and Nonnie Casstevens had a good time looking at photographs from the scrapbooks of the L.H.C. Club No. 2. They were displayed at the club's fifty-fifth anniversary luncheon.

Nancy Gray and Vena Darnell, members of L.H.C. No. 2 since 1935. Vena was club president in 1936. Nancy brought a leaf pin to the luncheon that was a gift from Mrs. Thurmond Chatham, who gave a pin to each club member for Christmas in 1936.

## L.H.C. No. 2 celebrates fifty-five years

Fairra Rogers was known as Fairra Belle Barker when she came to work at Chatham in 1934. Fairra was the only charter member present at the fifty-five year anniversary luncheon meeting of the L.H.C. Club No. 2. She now lives in Aberdeen, North Carolina.

The anniversary luncheon was held in June at the First Methodist Church in Elkin. Lexa Groce presided at the meeting.

Lexa brought to the meeting a copy of the original L.H.C. Club No. 2 handbook. The club was organized June 2, 1934 with fourteen members. The No. 2 club was for women employees who worked the evening shift.

The handbook lists the club's first officers and members. The following members were elected to serve for 1934: Bessie Gilliam, president; Myrtle Martin, vice-president; Hazel Madison, secretary; Ann Swaim, treasurer. The other charter

members of the club were: Fairra Belle Barker, Ruth Church, Mittie White, Tessie Stinson, Lizzie Wagoner, Carmel Shores, Gertrude Day, Beatrice Willard, Mary Laster and Lola Hudspeth.

The club met in the foreman's room until Christmas, 1935. This was when the clubs moved into the new clubhouse, which was a gift from Mrs. Thurmond Chatham.

The two members present with the longest time with the club were Vena Darnell and Nancy Gray. They have both been members since 1935.

The members and guests enjoyed looking through scrapbooks from the past which were filled with memorabilia of the club's activities over the years. There were photos of banquets, hikes, picnics, swimming parties, and other outings.

Those attending enjoyed a meal of turkey and dressing, potato salad, green beans, pea salad, baked apples, rolls, cranberry sauce and cake.

Mack Weatherman of the Cloth Department got to shake the hand of country star Willie Nelson. In June, Mack and his family vacationed in Spicewood, Texas where they have relatives. While there, they visited Willie Nelson's golf course and recording studio. Willie and his band members happened to be there and Mack got to meet them.

Lisa Fox and Allen Settle were married May 26 at Brendle's Distribution Center. Allen is the son of Dean and Barbara Settle, the brother of James Settle (Fiberwoven), Neal Settle (Piece Dye), and Ernest Settle (Spinning). He is the grandson of Lawrence and Bessie Settle (both retired) and the nephew of John Settle (Fiber Reclamation). Lisa is the daughter of Mr. and Mrs. Leroy Snow. Allen and Lisa are making their home in Elkin.

# C-NC Cuisine

Ray Barker

Russell Edwards

## Let's Cook with our truck drivers

"I cook the old-fashioned way which I learned from my wife's family. They are great cooks," Ray Barker said.

Ray loves foods like cornbread, gravy, creamed potatoes, cooked cabbage, and beans. He often spends a day off cooking a big meal and he enjoys every minute of it. Ray says he's known for his cream gravy.

### Ray's Cream Gravy

Fry bacon or sausage to desired doneness. Remove meat from pan onto paper towels for draining.

Sprinkle flour in pan until grease is absorbed. If there is a lot of grease, pour some of it from the pan before adding the flour. Let flour brown and cook as you stir the flour into the grease to make a paste.

Pour milk in a bowl to the amount of gravy you want. Then slowly stir the milk into the browned flour. Add salt and pepper to taste and keep stirring until the gravy starts to thicken. **Don't** leave the gravy on the heat until the gravy completely thickens, as it continues to thicken after cooking. Pour the gravy into a bowl and serve with a big plate of biscuits.

The following recipe is a favorite of Russell Edwards. He has been a transport driver for two and one-half years.

### Chicken Parmesan

- 2 lb. chicken parts, skinned
- ¼ cup dry bread crumbs, finely crushed
- 4 tablespoons grated Parmesan cheese
- ¼ teaspoon oregano
- Paprika
- ⅛ teaspoon garlic powder
- ⅛ teaspoon pepper
- 1 can mushroom soup
- ½ cup milk

Combine crumbs, 2 tablespoons cheese, oregano, pepper and garlic powder. Roll chicken in mixture. Arrange in shallow baking dish. Bake 400° for 20 minutes. Turn chicken and bake 20 minutes longer. Blend soup and milk. Pour over chicken. Sprinkle with paprika and remaining 2 tablespoons cheese. Bake 20 minutes.

## Special Carpet Sale

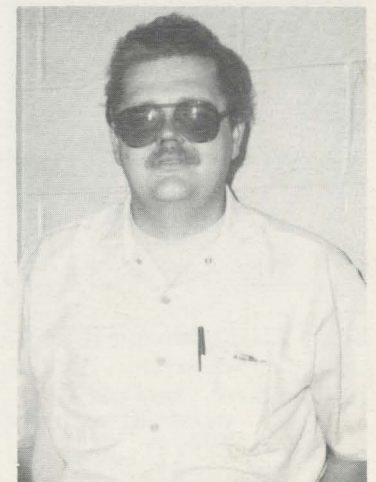

Our Yarn Sales Division is making available to employees 1800 square yards of 100% wool carpet. This carpet was made from over-runs of different color wool fibers and therefore has some streaks but otherwise is good carpet and has been moth proofed.

It will be sold in multiples of either 12'x13' or 12'x12' - nothing shorter. The price is \$3.00 a square yard. A sample of this carpet can be seen in the Personnel Department. We will not be able to put this carpet on lay-a-way due to limited space once it is unrolled.

All sales are final.
