

TAX LISTS FOR
SURRY COUNTY, NORTH CAROLINA
FOR THE YEAR
1774

WITH A PARTIAL LISTING FOR
1775

Typed from the original lists, as compiled by individual tax listers for the two years above mentioned, the lists being on file in the vaults of the Clerk of Court for Surry County, N. C. The two districts for 1775 were included, along with the 1774 lists, due to the fact that the compiler felt that it was possible they would include additional information. The 1774 lists include most of the county at that time, but is it possible that one district may be missing. However, a thorough search of the vault of the Clerk of Court failed to reveal any other district lists for the year 1774.

LIST OF TAXABLE PROPERTY IN SURRY COUNTY,
NORTH CAROLINA, FOR THE YEAR 1782

The following tax list is the complete listing of property owners in Surry County (at that time included present-day Forsyth, Stokes, Surry, and Yadkin Counties) for the year 1782. This listing was copied from a microfilm of the hand-written original. The original page numbers of this tax list have been included, and the names copied just as they appear on this list, thus preserving neighborhoods. An index of names is included at the end of this publication.

The following abbreviations are used in this listing:

(S) Single Man
Rv River
Crk Creek

Key to Column Numbers
(1) Individual's Name
(2) Horses and Mules
(3) Cattle
(4) Acres of Land
(5) Location of Land

To the Honorable the General Assembly,

I herewith return exact copies of the list of Taxables as received by me from the assessors. The different mode in several districts of stating the Taxable property and its value has put it out of my power to form a list that may exactly come up to the last Acts of Assembly which otherwise would have been complied with readily.

(Signed)
Jo Williams, C.C.
