

Oh Little Star
of Bethlehem—

Good news from heaven the angels bring,
Glad tidings to the earth they sing;
To us this day a child is given,
To crown us with the joy of heaven.

A Wish For Your Christmas

May the Star of Hope that guided
The wise men on their way
Make your pathway ever brighter
With each new Christmas Day!

Christmas turns our thoughts to God.
The coming of the Christ was His gift to us.

Christmas turns our thoughts to others.
We think of them more tenderly because
Christ thought of others.

Christmas turns our thoughts to the
Church. There we have heard of the Christ
and His love for us, and through the
Church we have been blessed in our homes.

May the song of the Season, "Glory to
God in the Highest, and on earth peace
good will toward men," sing its way into
your heart, and bring you a full measure
of its blessings.

Christmas is an outstanding religious
festival. You will miss its real significance
if you confine your observance of it simply
to friendly greetings and fellowship gatherings
in the home. The ancient shepherds
said, "Let us now go even unto Bethlehem
and see this thing which is come to pass."
There they found the Christ child and
worshipped Him. That is the most fitting
celebration of Christmas. We trust that
you will be among the multitudes who will
make their way to the Church, there to
join in Christmas carols and Christmas
prayers and to hear again the "old, old
story."

May this Christmas Season, observed in
the spirit of the Christ Child, lead you into
a new year of righteousness, prosperity
and peace.

Most cordially yours,

Mr. and Mrs. Walter J. Miller
