We are pleased that you have come to worship the Lord with us on this Lord's Day. Our church desires to serve others in the name of Christ and be of help to our fellowman. Christ has done so much for us; we want to share His love with others and hope they will find Him to be their Savior. You are invited to consider making Dobson First Baptist your church home.

**ATTENTION:** The Lord has certainly blessed our Christian Fellowship at Dobson Baptist Church. Many times the way He does that is working through us. Recently our Planning Committee specifically recommended that we pay off half of our building fund debt with the Blackwelder funds and the church family expressed their approval. It will be important that all of us continue to respond faithfully in bringing our building fund offering every month because the interest will continue and the monthly payments are the same.
