Dear Jo Adams,

Enclosed are group sheets from the Moreland's from Surry Co. as you said the genealogy society would be interested in having them.

All of these sheets were done by a distant cousin, so I cannot support its accuracy. I do very little library work so I find my information from descendents or family genealogists. This info. is then verified by a cousin in the Archives at Washington. She is not doing the Moreland clan. I spent two days in the library here trying to verify these sheets. North Carolina has some very big books and keeps fairly good record from what little I can tell. No Moreland's were mentioned in any records of Surry Co. from about 1760-1805.

Write to the Department of Cultural Resources at the State Library in Raleigh. They sent me the Surry County North Carolina Will abstracts Vols. 1-3 1771-1827; Morelands are mentioned so they must have been there.

At any rate, how ~~is~~ are the sheets. If you have anyone doing the family or any off-shoot thereof, I would appreciate their address if possible.

Sincerely,

Frances Fletcher

Surry County Genealogical Association
ATTENTION: Ann Stewart
P.O. Box 997
Dobson, NC 27017

Dear Mrs. Stewart,

I am enclosing a check for \$15.00 for membership in the Surry Co. Genealogical Association and some ancestor sheets on the family/families I am descended from who lived in Surry in the late 1790's and up until 1821.

I had written to Agnes Wells a year ago and she told me to write for copies of surname cards. I do not know if she meant you would send blank cards or if I should print the info on 3x5 index cards. I think I will go ahead with this letter and enclose 3x5 index cards filled out so you could cross-reference.

I would like to ask questions on two families I am researching. For now if you could just CHECK not research your surname, Family Files, and possibly the Bible Records on these two families-MORELAND (Joseph and William) and THORNTON (Sarah and William) Sarah was married to Joseph MORELAND and William was married to Nancy? KIMBROUGH. Joseph and William lived in Halifax and in Surry and died in Surry. See dates on pedigree chart. William THORNTON was the Justice of the Peace from 1791-1808. He sat on the bench as a judge and was also a bondsman.

I will
try to
answer
his letter
Doreen

What I would really like to have on these two families, especially on the Wm.THORNTON family is names of his children besides Sarah and possibly the name of his wife's maiden name.

I would also like to know if you have any members in your Association that are related to these THORNTONS and MORELANDS. I have done research for over 20 years on the MORELANDS and recently found out about the THORNTON line and the William MORELAND so this information is new to me still. Our historical society is finally getting books from Surry and surrounding areas and I am trying to find as much as I can on new info.

I look forward to getting your quarterlies and becoming a member. If you could just check for me in the files and other records of your Association to see what you have on these two families I would really appreciate it and then later I can write for more info and copies and the cost of copies. Thank you.

Sincerely,

Michelle L. Moreland Orlando
