## To the S. S. Secretary.

---

This book is *not* intended to take the place of a "Superintendent's Record," in which to keep a report of each individual scholar. (See \* below.)

It is intended for *your use* each Sunday in the School.

You are the Historian of your School! Let it be your pride to so keep your Records that a stranger looking over this book may know the exact condition of your School at any time.

This book is of such a size that you can easily carry it when you visit the Pastor or Superintendent, also to the County or Township S. S. Conventions, and especially to the TEACHERS' MEETING of your own School; and thus be able to give a report at any time of the condition of your School.

It contains 1. A complete register of the Officers and Teachers, and Scholars of the School.

2. A Record, *by Classes*, of the attendance and contributions each Sunday. If you are Treasurer of the School you will see the advantage of this. If not the Treasurer, you should still have the report copied here so that your book may show a condensed history of the School. The three columns may be used for different departments of the Sunday-School. The 1st. for Adult; 2nd. Intermediate; 3rd. Primary; or for Male, Female, and Primary classes; or for any division you choose to make.

3. A condensed record of each School Session, and a record of new scholars admitted each Sunday.

4. A "Quarterly Report" of contributions by Classes; additions to the Church from the School; a comparative report of Membership, showing the growth of the School during the quarter; and a summary of the school history, including the Treasurer's Quarterly Financial Statement.

In conclusion let me say, do your work conscientiously and well, as a part of the Master's work, and be assured the *Record of your Service* will be faithfully kept in *His Book of Remembrance*.

---

\*The Superintendent should have a book into which each scholar's individual record is copied every week from the Teacher's Class Book. "THE IMPROVED POCKET RECORD," for Superintendents, red leather binding red edges, round corners, is heartily commended. Price 75 cents.
