the word "thence," in line fourteen of said act, the words "in a direct line," and inserting in their place the following: "down and with the Millford Road."[850]

WAKE [See page xxviii]

Wake was formed in 1770 from Johnston, Cumberland, and Orange. The act was to become effective March 12, 1771. It was named in honor of Margaret Wake, wife of William Tryon. It is in the east central section of the State and is bounded by Johnston, Harnett, Chatham, Durham, Granville, and Franklin counties. The present area is 866 square miles and the population is 109,534. The first courthouse was erected at what is known as Bloomsbury. It was called Wake County Court House until 1792, when Raleigh was established and made the capital of the State. Raleigh is the county seat.[851]

. . . , the said Counties of Johnston, Cumberland, and Orange, be divided by the following Lines; that is to say; Beginning at Edgecomb Line on Mocossin Swamp, a Mile above James Lea's Plantation, running a direct Line to Neuse River, at the upper End of John Beddingfield's Plantation; then to David Mimm's Mill Creek, between Mimm's Mill and Tanner's old Mill; then the same course continued to the Ridge which divides Cumberland and Johnston Counties; then a straight Line to Orange Line, at the lower End of Richard Hill's Plantation, on Buckhorn; then the same Course continued Five Miles; then to the Corner of Johnston County on Granville Line; then with the same Line and Bute Line to Edgecomb Line; and along Edgecomb Line to the Beginning; be thenceforth erected into a Distinct County and Parish by the name of Wake County, and St. Margaret's Parish.[852]

My Sane Cousin Jane,

Many, many thanks for Corbitt. I really appreciate the gift and the kindness of the thought. He answers many of my questions, and provokes others, and I call that the hallmark of a good book. He is an honest writer, says he does not have all the answers, to which I respond, no sir, you do not, nor do I, and I suspect that many of the answers are lost to eternity.

Nevertheless, Corbitt contributes generously to my understanding, sufficient that the early environs of William Hill are, if not better known, they are at least better understood. I bless Corbitt for that, and you for the introduction to him.

Corbitt and your own good self are of great help in localizing the "Parishes". Corbitt mentions several, couple-dozen or so, but does not go into what a parish was or did or what records, if any, they may have made. That was not his task. I do take from his writings that the "Parish" was or may have been a recognized instrument of "Government", upon the enabling acts setting out the boundaries of "the County and Parish of".

This unity of description is commonplace in the erection of "County and Parish of" right up to the independence declared by the "free and independent States", whereupon severance of the States was from both the English Crown and its Church of England. I cannot find in Corbitt any mention of "County and Parish of" after 1776, it then being a sentiment of the States that separation of church and state is somehow fundamental to the people. "Congress shall make no law" about religion, etc., etc.

working with localizing the Parishes. Hard to map, I think, for as you say parishes merged, grew, divided, quit and gave way to new ones not on my list. And as you say, probably unproductive, but it is a T not crossed and I won't know til I try. That pesky drives me to desperation, so I shall seek him in "such places as ye think not". I less about where I find him than I do about the finding.

Next, to answer your letters. After that, lessons learned from Corbitt and how to them.

About Bray and the Revolution and DAR. I know next to nothing about DAR, but I tucked it away in my mind (mistakenly?) that DAR has two indexes, one for who served, and one for patriots who did not serve but provided assistance.

know whether William Hill and the Brays were acquainted pre-Surry, but I do that Brays and Hills were neighbors in the Tidewaters. I send two pages from One, no Brays in the index to Boddie Two. And a page from Rights' *The Indian in North Carolina,* John F. Blair, Publisher, Winston-Salem, 1957.

lean toward Telitha Hill Bray as being in the family of up-river Richard Hill Senior and Junior, but on scant evidence. It's all the evidence I have, and having none to the contrary, I submit my case.

The censuses would put Joel Bray's birth around 1795 and Telitha's birth around 1800, give or take. William was then age 60 to 75. Our Richard was a lad of five or so. Richard Junior was about right.

The censuses put the Brays and up-river Richard close together. From land records, the Brays and up-river Richard all had lands on Bull Run, a smallish community.

The 1870 census has Telitha (widow of Joel) next to Noah Hill. Noah was a son of Richard Senior, and younger half-brother of Richard Junior.

Richard Junior died 1845. Buyers at his estate sale were Joel Bray and Noah Hill.

Telitha got a dower out of Joel's property, "for her natural life", so this was probably not property she could bequeath when she died. I would doubt that Telitha had an "estate", but she might have made a will. And she could have had other property.

Well, I said it was scant. I might bet my mule, but an acre of bottomland? Nary chance.

As for where Noah Hill found his bride Lucretia Hill, nary clue. Maybe one of our Richard's "Census F's"?

last mentions a planned trip to Dobson. I hope that went well. I don't have a real for you, and if you're like me a Dobson trip without a shopping list is a trip into ion. Even with a list, the first paper I look at leads me off to the stacks where I something more interesting than what I brought with me and my day is over before my second item.

said you don't have all of Surry's Hill deeds. I think I might, but I am pretty sure are some missing papers. Maybe they were not all recorded. The pile I have a great many Hills who are not ours. I can send you a bunch. If you have an or list of what you have, that would help. I have not indexed mine, but I have in chronological order.

tell you anything at all about where William's wife and two children were while soldiering. The record I have is full of holes. They "came to Surry 1780". re-enlisted in Surry. Richard describes skirmishes around the county, so I William was in Surry doing militia work. Then William joined up with the and soldiered afar til war's end.

And right there, I wonder whether William came to Surry in 1780 to stay, or if he was visiting and decided later that he would remain. I wonder if William might have fetched his family 'back home', knowing that he would be away until the war was over.

I lose William from 1780 to 1783. I next pick him up when he helped survey the Denny landgrant in 1783. By then the war was over. He soon appears in Surry tax records, but not in the Surry census. He is taxed for a few years, but I don't find where he was granted or deeded property until he bought the Denny grant in 1799. After that, he is in Surry.

I have to wonder if William and Sally and the two kids are hidden in the Surry censuses of upriver-Richard Hill. Richard has some "M's" and "F's" who might fit William and wife and kids. Those "under-and-over 60" brackets are a catch-all.

You are so right that Bell's 'Robert and Mary may have had other children' and Boddie's 'they had several children' is a frustrating thing. But, perhaps, a word well said if we put our ear to it. It gives us a place to go, but it certainly doesn't tell us how to get there. I find in Boddie that he cites "the Roach history" and I take this to be reference to Marielou Roach Fair's book. I am so glad you have found that book. She [illegible] also cited by Bell and Craft, and I think Fair may be a common source for a good many writers. We will hope that she can tell us about William of Tararat.

[illegible] books. A few days ago I called information at the eastern NC area code to get the number for a public library in Jackson, Northampton County. Said she, Northampton doesn't have a public library. I was hoping that the local librarian would [illegible] somebody who might do some work for me. Dead end, so I'll try some other way. [illegible], the Northampton Register of Deeds would know who comes in to hunt up family [illegible]-such.

[illegible]s another book I'd love to put my hands on, Colonel William Byrd's *Dividing Line* [illegible], edited by Boyd, Raleigh, 1929. Byrd surveyed the VA-NC border smackdab [illegible] Hill lands, might mention Hills and tell us where they were. If you can locate [illegible] near you, I'll try to get my local library to borrow it so I can copy any pages [illegible] help.

[illegible] your engagement of a searcher. It's ground that you and I would both love to [illegible] realities prevail. Let me offer recompense, and chipping in on the bill. I will [illegible] pay your contractor for running down some projects of my own invention.

[illegible] give you my to-do list, so you could pass it on, but I would not want my list to [illegible] your searcher from your assigned tasks.

I agree with you that beginning with Robert and Mary and working our way down to William is the best way to go, but I alert you to this impediment.

I find Robert and Mary already overworked and underworked, by several searchers who cite several other searchers, and what I find is that overworking Robert and Mary has produced no better result than the searchers' widely disagreeing in what they learned from Robert and Mary.

I offer that Robert and Mary are underworked - "they may have had other children (Bell)", "they had several children (Boddie)". I will say in defense of all of these that they were not looking for our William and had neither cause nor duty to report him.

I would lump the searchers I have studied into two classes, with this observation: Neither class sought our William. I understand and accept that, up to this point:

The first class

(a) Had a William, and they "forced" their William upon Robert and Mary, instead of asking, Is my William yours?

(b) These searchers found several Williams, so many Williams that they borrowed parts from the many and out of the parts cobbled together a William of their own invention, and then put forth that their invented William belonged to Robert and Mary.

I fear that their William(s) is-are a hodge-podge of several Williams - *perhaps* including our own. What that says to me is that to find our William we have to un-cut and un-paste the manufactured William(s). I dread, have dreaded, will continue to dread, that kind of work. We start on an already tilted field, we fight our way uphill against a slanted literature, the odds are slanted against us. I accept the challenge.

The second class, Boddie, who spreads his net narrowly and is content to say that Robert and Mary "had several children", but he only tracks one of the "several", son William Senior. I call his work under-done but only as it relates to my selfish interest in a [illegible] who Boddie does not report.

So we are obliged to go where Boddie and others do not go, obliged to re-examine [illegible], obliged to re-plow old ground and plow our own new ground. We're up to it, [illegible] at it. We have in-ter-op-er-a-bil-i-ty going for us.

[illegible], I do think Robert and Mary to be fertile ground. I think you and I just have to approach Robert and Mary, hat in hand, confessing that we don't know William and asking them what they can tell us about him. I believe that will get us a more [illegible] answer.

Yes. Sarah Hill Denny of Ohio was speaking of her Baptist minister father as our William. She said her and our William lived to be "115 years old" and wife Sally 110. Her brother Richard says father William died in 1840, "more than a hundred years old". This combines to put William's birth at 1725 to 1740. I wish I could do better than that, but it's all I have.

And William preached for 80 years. I don't believe he could do that without leaving his tracks somewhere. In William's day, the "Baptist" church was one. It was after his time that the Baptists split into the Primitive Baptists and the Missionary Baptists. Wherefore, I would look for his records as "Baptist", but expect to find them among the Primitive OR the Missionary Baptists.

I take encouragement from a line in Boddie Two: In 1775, one Cofer deeded an acre in Isle of Wight to the Baptists for a meeting house. That puts William Hill in reach of the Baptists when he was age 35-to-50, and suggests an already established group of Baptists in need of a place to meet. Boddie remarks that in 1787 "Methodism was very strong".

Yes, it was William of Town Fork who wrote his will as "elder". William of Tararat wrote [illegible] to son Richard as "William Hill, Planter", of "Surry County and Parish". William of Town Fork was "elder" to his younger son William. "Old" Baptists do not pay their preachers, an article of their beliefs. Our William had a paying job, "Planter".

I see nothing in Town Fork William's will, or in his biographies, that tells me that he was an "Elder of the Church". "Old" Baptists called their ministers "Elder". Our William was one of them. William of Town Fork was Episcopal, per one biographer.

If I am correct, the children named by William of Town Fork in his will do not match [illegible]. If his biographers are to be believed, William of Town Fork did not name all his children in his will. Another son is manufactured and assigned. Poor old William, he wrote his will years before he died, and even then, with time and good health on his side, he still couldn't remember all of his children?

I would like to get a look at William's "real" war record, his "own" papers. All I've seen is Richard's application about William. I have nothing by William.

Boddie Two: John Norwood(s) served in the militia and in the regulars, Granville-Bute, in the **Halifax District**, N.C. Roster, 354 - 546. Our William "stopped" in [illegible] drew pay there. Might he have been in Granville-Bute-Warren-Franklin?

Per Boddie Two, in 1783 **Green Hill**, Treasurer of Halifax District, paid William [illegible] for Revolutionary service, NC Revolutionary Army Accounts, Vol 7, P-75,

[illegible]

I have a question for you. Richard reports father William as having soldiered in the lower part of the state, and for nearly a year with "General Marion". I know only of General Francis Marion who terrorized the British in the swamps of South Carolina.

Do you know of a North Carolina General Marion?
Do you know whether South Carolina's General Marion campaigned in the lower part of North Carolina?

I am re-studying Richard's pension application in a new light.

The literal evidence:
November 5, 1856, Richard testifies under oath.

The Court, question:	"Where was your father born & in what year?"
The Claimant, answer:	"In Southampton - Va - on the Meherin River."

What did Richard say, and what did he mean? What did William say to Richard, and what did William mean? How much did Richard figure out for himself from what he learned from William?

I don't know. So, I will look at "the Meherrin River in Southampton Virginia" both literally, just as Richard said it, and generally, as William and Richard might have meant it.

Lessons learned from Corbitt. I will in a later paper list Corbitt's lessons and what they mean to our own hunt for William Hill. Be it sufficient here to summarize what I believe Corbitt is telling us and how I believe we can use it.

1. When Robert Hill migrated to Isle of Wight Virginia, Virginia then extended south to the Spanish Floridas, as did *- possibly -* Isle of Wight.
2. Before-during-and-after William Hill's time, absolutely nobody knew or [illegible] cared - indeed could not have known - where Virginia stopped and Carolina began. The governing powers did not know, and the citizenry did not care.
3. The early Hills confidently drove their stakes in what became during their lifetime "disputed" ground.
4. There is credible evidence that in the time of William's forebears Isle of Wight extended south to the Roanoke River.
5. There is reasonable inference that William Hill's "Southampton" extended well beyond its present bounds.
6. Taken literally, as I believe our early Hills did NOT, "Southampton" eliminates a great many Hills from consideration as William's line.
7. Taken generally, as I believe our early Hills DID, "Southampton" gives us a spread of Hills as possible candidates for William's line.

8. Of all the Hills I have studied, by now hundreds of them, not nary one in "Southampton Virginia". Not nary one, save William and his mama. Dozens and dozens of Hills all around Southampton, every county, every precinct, numerous parishes, north-south-east-west, and not nary one in "Southampton". There is something very wrong here, some kind of disconnect.

9. Either I am looking at the wrong Hills, OR I am looking at the wrong "Southampton".

10. As I cannot bring any family Hill to Southampton, I will see whether Southampton can be brought to the Hills.

I will send you progress notes as progress is made. I may be mailing them from my local asylum, but I'll bribe my keeper to smuggle them out.

Your wierd cousin,

Wade

Dear Cousin Wade,

Sorry to know that you were so close to death; that's scary, and I do hope you will soon be well. Maybe some Whitaker relatives will help. This came out of the kindness of Bob Carter, who is a Patterson researcher. My daughter-in-law and I met Bob at the Surry County Register of Deeds, we were both working on our lineages and we shared some thoughts.

Included are some copies for you to puzzle over but don't overdo the perusing.

1. from celticburd@aol.com . I copied her letter for you. I get the feeling that she was writing fast.
2. The telephone book gave me the two addresses: Glenda Frazier, 612 Liberty Road, Archdale, NC 27263
3. Irma Sohnchem, 1742-A North Hamilton St., High Point, NC 27262

I had put all the Hill's in a corner thinking I was through with them (: -(and here come some interesting correspondents. So, I'll be working again with some Hills and Whitakers.

Irma also sent me a photo of the new stone for Lorenzo Hill and you keep this also.

The Whitaker family is interesting and I may take a stab of trying them.

I am still not doing as well as I wish I could with speech. Maybe it will just take more time.

Take care and keep on keeping!

Dear Cousin Wade:

Do you remember me: I was working with you on the HILLS, WHITAKERS, MARIONS, etc.?

I had to put things on hold because of a stroke that has bothered me, but am now getting over it.

I am still using the computer, and have found some people that are interested in the Hill/Whitaker/Marion lines, but I have no addresses to share with you. It seems everyone is younger than me

One person is Irma Sohnchen who lives in High Point, NC. Her email address is: moogies@northstate.net. She shared ELMINA AND ELLA DOSHA WHITAKER, who were the daughters of William Whitaker and his wife Nancy Harrison!

The other person is Glenda Frazier also of High Point! glenda.frazier@highpointnc.gov. She mentions Anna/Amy Whitaker who married Isaac Marion and Irvin Marion who married Nancy Hill.

Neither woman seems to know each other.

Hope you are well.

My dear cousin Jane,

Did you say your name is Hill? No, I don't believe I know you. Kidding. Who could forget the times we had together down in the trenches shoveling Hills and Whitakers?

Been a while, Jane. Not your fault, not mine. We play the cards nature deals us.

It is so good to hear from you. In all the years of our hiatus not one thing has come to me that I thought worthy of passing on to you. The Hills are about where we left them. I get dribs and drabs from correspondents, mostly stuff you and I already know. Sometimes an inquiry. Mostly quiet, though.

Your note excites me to follow up with Glenda Frazier of High Point in the hope that her tie between Irvin Marion and Nancy Hill might be propitious. I would dearly love to know Nancy Hill's brothers and sisters, sons and daughters of Richard.

I'm on the l-o-n-g road back from a reaction to a shot Doc gave me. Purt near died, and Doc is not sure I'll ever fully recover. Working on it, but it sure dulled my edge for a long time. We cousins is tough, though, and there's still work undone.

Thanks for the note. I'll let you know how it works out with Ms. Frazier.

Bad.

Amy Bray
Martha Alberty Bray

Some of the children of William Robert and his wife Letitia M. Hamlin were in the papers and are as follows:
Thomas Bray, Amy, Leander, Sally, Tyre, Matilda, Henry, Benjamin, and William .

Some of the above came from the THE BRAYS OF FISHER RIVER, [volume I, 1970] by Edna B. Reece.

I have not seen her second book.

Some of the other material came from Jacquie K. Hoggard, who shared it with me.

Other offerings are from Judy Cardwell.

Putting all of it together, it appears to me that Sarah/Sallie Bray was the granddaughter of David Bray, without benefit of a wife, (: -(

Then David had William or William R./ Roger Bray and his wife Letitia M. Hamlin, who was born in VA. This William was in the War of 1812 and had a pension, where some if this comes from.

Then there is a Sarah/Sally Bray that seems to fit Richard Hill who was married in 1814 in Surry County, and all the other bits and pieces seem to work together, again using this Sarah/Sally as the woman we seek.

I have placed the whole thing in the NOT PROVED place, until something changes.

I have no idea if this is correct or not, but will see what happens.

Would you believe the number of women named Sally/Sarah among these names?

Sorry to have to bend your mind so much; I just hope it help.

Dear Wade,

Ms. Burdick is related to the Greenberry Hill and Martha Ivey whom we believe to the child of our old William Hill. G. Byron Hill, Jr. is the person who suggested that my son Bob, be tested for DNA, and when the returns came in, we realized that our William Hill was the earliest ancestor! Byron has moved the people in our group, number 5, and it has helped. I don't know all the details about the family of Greenberry Hill, but they have done a great deal of data, and it was all waiting for our William!

Fred Hughes was a great man in my opinion, and I have seen a few of his things in print, but I don't believe I have seen these "Hughes Notes". I wonder if they were printed in the SCGA? I will check with someone to try to find out.

I have just the barest amount of material on the Whitakers so far, and have a bit of Hester's things she shared with me. I have not really taken off with them because of the stroke and other things that have gotten in my way. But I do not give up!

Never have I even thought of William Chickie's and Ella Doshia's graves! Having so very rarely gone to the Surry County area, I just left it unanswered. Those four grave sites are new to me and I am very sorry I have never looked into them. If you should have time to locate them, I will be blessed.

Yes, we have had the loveliest spring I can remember! I have a lady who comes 4 days a week to help me, and she and her husband also take care of my yard. Margie has helped me plant our 10 tomato plants and so far all is well with them.

As ever,

Dear Cousin Wade,

The JOURNAL OF SURRY COUNTY GENEALOGICAL ASSOCIATION that you mentioned escaped my notice; thank you for calling it to my attention! Yes, Fred Hughes was a real expert. You realize that the things he mentioned were Surry County Occupations in the 1700s, so that makes William Hill very likely to have been our man. The problem is that every thing Fred Hughes used in his maps were stopped with the 1800, so that makes it even more likely to be our man.

I do remember having seen some of the things he mentioned, but cannot remember anything other than the listing itself. I have no recollection of any notes or anything that will help us. Plus the fact that the person to whom I was directed to get some answers has not answered my question. Maybe an answer will be forthcoming, yet. If so, I will let you know.

While I was studying the box of Bray notes, I got the whole box of papers and began reading each of them. The contents are a mismatched bunch of stuff, but I did begin to see some organization, and so kept up with the whole mess until I think I might have made a note.

So far it seems to be a toss-up between Peter Bray and his wife Martha Scott, daughter of Abraham Scott.
Peter and Martha had some children; Stogner, Littleberry, David, Peter, John, Bryant. This is from the BRAY FAMILIES OF PETER BRAY AND MARTHA SCOTT, DATED March 2000, compiled by Dr. Marvin D. Headley of Missouri.

David Bray is shown as being born 1743. Place of birth is listed as Brunswick Co. VA; place of death was 8 June 1838 Surry County, NC. No wife listed. He was a Rev. War Veteran. So far I have not seen his war papers. Would those name his children? The children of David and unknown wife are shown:

William Robert Bray [this is the father of Sally by his wife Letitia M. Hamlin]
Nathan Bray

Dear Mrs. Smith,

I have just recently received a letter that you sent out to "Hill Researchers With Whom I (you) Have Corresponded" from a fellow researcher named Jerry R. Hill of Siler City, N.C. I did not get this letter myself but all is well. My name and address was listed, and it has been a long time since we corresponded (1989).

You mentioned that you had proved your husband's great grandfather named William "Chickie" Hill, b. ca. 1817, d. after 1880 census.

I urge you to establish contact with Mr. Wade Baker, who provided the majority of the following information. He has traced his ancestry back to a JESSE HILL, (b. ca. 1827 -says tombstone says 1829) who married Nancy Thacker b. 1832 in N.C. He thinks he is related to this William Hill family through the son Richard Hill 2/.

Mr. Wade Baker
1715 Bartlett Drive
Anchorage, Alaska 99507

He sends good information (if it is correct) but I am not exactly thrilled with the format of his data. He seems a bit careless. One place he says the son Richard Hill 2/ m. Sarah Bray and the another place he says wife was named Elizabeth.

He also worries me when he speaks of William Hill being a Baptist Minister, causing me to wonder if he is getting mixed up with another William Hill-Susanna Smither family of Surry Co., Va.

It appears that William "Chickie" Hill was (if we are correct) William "Chickie" Hill 3/. a son of Richard Hill 2/ and wife Sarah (Bray?). Richard Hill 2/ was the son of this old William Hill 1/, of Surry County, N.C., who **filed application for service his father did in the Revolutionary War.** He may be the son of Richard Hill 3/, best recheck this out closely with Mr. Baker. I am not sure if Richard 2/ was his father as his format is not too clear to me. (Do not mention that please).

Application filed by son Richard Hill 2/ in 1856 (rejected)

R-5015, William Hill, born on Meherrin River, Southampton County, Va. and enlisted in Surry Co., (N.C.?) 1780. Died in 1840. His son, Richard Hill, of Surry Co., N.C. was claimant in 1856.

My interest: I am not related to any of these Hills, but I am actively researching Sion Hill Jr. 3/, trying to find and locate his presence and that of his children.

As a result, I have had my eye on this William Hill for about two years, and I am (in my mind, as much as possible without definite proof) convinced that this William Hill was actually William Hill 4/, a son of Sion Hill Jr. 3/, a son of Sion Hill Sr. 2/ (of Surry County, Va.) who was a son of the immigrants Robert Hill 1/ & his wife Mary Webb. They came into Isle of Wight County, Va. ca. 1642. I (as well as others) refer to this Hill family as the "Surry County, Va. Hills."

Now let's go back for a moment to establish (what I think but not yet proved) was the genealogy of this William Hill. The genealogy is correct except for connection William Hill to Sion Hill 3/. which is speculation on my part!

This chart shows what I am trying to prove..

Sion Hill Jr. 3/ definitely existed, but there has been very little accurate information on him (i.e. the book entitled East Goes West) and that includes the names of his wife (or wives) or his children. Children he did have, at least one known of and proved that I have found, was a son named a Green Hill 4/. (not be confused with the one that married

Grace Bennett or his family line, although they were related). Neither should he be confused with another Green Hill 4/, a son of Robert Hill 3/ & wife Tabitha of Halifax Co., N.C., who was a brother to Sion Hill Jr. 3/.

My research convinces me Sion Hill Jr. 3/ lived in Southampton Co., on "Meherrin River."

Back to N.C.: Now as you probably know there were at least three William Hills in the area of Surry County, N.C. at the same time. Wm Hill Sr. m. Susanna Smither, originally from Caroline Co., Va. and **WRONGFULLY claimed by other to be the son of Sion Hill Jr. 3/ (was not even related); his son Rev.** The 2nd was Rev. Wm. Hill (baptist Minister) m. Elizabeth Halbert and then there was this Wm. Hill that I am speaking of.

The William Hill that I am speaking of, was born in Southampton County, Virginia, on the "Meherrin River," which is the exact location that Sion Hill Jr. 3/ lived. This Sion Hill Jr. 3/ is listed as having had a son named William Hill!

This William Hill was a Revolutionary Soldier and both and his wife lived to be (they say) over 100 years old. William Hill did not ever apply for war benefits himself, but his son, Richard Hill, made a application in 1856, in the name of his father's service in that war. It was rejected!

Richard Hill (in his 1856 application) stated that his father married in 1776, (This was not given from the application but from "THEIR REGISTRY," probably the family bible. The wife's name is never listed. He came to Surry County, N.C. with two children, shortly before enlisting (in the militia) in February of 1780 for five years duration.

The application states that William Hill resided in Surry County, N.C. from the war's end until 1840, when he died. Quoting Richard Hill (son) "My father deceased in the year 1840. My mother in 1846. Both lived to be more than a hundred years old." END OF QUOTE.

William's wife, died in "winter of 1846" based on the testimony of one JOEL DENNY. (The Denny-Denney family had very close ties with the Hill family. I have considerable data on this).

This William Hill is said to have participated in the battle at "Guilford Court House in NC (March 1781) and then marched to "Little York" (Yorktown). He is said to have told of his experiences at Little York, and seeing Cornwallis' surrender. He was in the formation when the British troops marched between the American & French lines.

Witnesses speak of "old William Hill" and "old Mrs. Hill" and/or William HIll's widow, always without her name. Other comments made were by a Mr. Canter, a clergyman, who says he was "honest, truthful, very old." A Mr. Key, A Justice of the Peace says he was "honest, upright." A neighbor named Mr. Ashburn stated "exceeding old man when he died in 1840. Very respectable citizen. Talked many times about his service in the Revolution." End of Quotes.

There is no indication on the application to show whether this William Hill came directly from Virginia to Surry County, BUT my hunch is that he was up in and around the area of Franklin-Hertford Counties of N.C. where Green Hill Jr. 5/ lived before he moved into Tennessee with some members of the DENNY FAMILY!

Now there is positive evidence that William Hill (I will call for now William Hill 1/ as he IS at this time, the first KNOWN GENERATION) had a son named Richard Hill Sr. 2/. Records indicate that Richard Hill Sr. 2/ had a son also named Richard Hill 3/, who also had a son named Richard Hill III 4/.

I trust you and your husband will contact Mr. Baker and do hope we can get to the bottom of this William Hill family. Mr. Baker has a lot of information that I think will be helpful to you.

Sincerely,

Bob

Hello again,
You were so very sweet to take the time to write all that information and send to me. It arrived yesterday. With this I will be able to enter much more information on my tree.

I think I have sorted out all the Patterson information and now when I add what you have sent I will mail the Pedigree charts etc. to you and you can check it for me.
Thank you so very much!

Dear Jane,

Thank you for sharing your information with me. I was able to read your writing (what a lot of work!) although I have macular degeneration which prohibits me from being able to do library and microfilm research. You have done it for me! Thank you.

I do use the computer a lot and the records with Ancestry and e-mails from people like you and Bob Carter and with the use of a large screen, have made it possible for me to continue some research.

What I am sending today is what I have in my computer since corresponding with Bob Carter and you. If you see any errors please advise as this has not been proofed by anyone. I hope I have the generations and dates correctly but reading numbers is my downfall. Any of the information I have in the computer can be changed (and I often do need to make changes as I go along). This is a WORK IN PROGRESS and changes can easily be made thanks to this Ancestry Family Tree program on my computer.

As I told Bob Carter I do this for my own enjoyment and copies only go to cousins. I do not post my information on the internet with the exceptions of corresponding with people like you and answering questions through queries.

Keep me posted on any further information.

Sincerely,

Dottie

Descendants of Richard? HILL

First Generation

1. **Richard? HILL** was born about 1784/1790 in Surry? NC.

> Richard Hill, and his wife Sarah were living next door to William Hill in the 1860 Census for Stoney Gap, Surry County, NC and could be William Hill's father. Richard's age is 70 in 1860 and would be 28 when William was born. Richard's wife Sarah listed as age 61 may be William's mother.

Richard? married **Sarah? BRAY?**. Sarah? was born about 1799 in NC.

> Sarah Hill may be the mother of William Hill and her name may be Sarah Bray according to Jane Smith Hill of Winston SalemNC, March 2010,

They had the following children:

+ 2 M i. **William HILL** was born about 1816/1817 and died after 1880.

Second Generation

2. **William HILL** "Chickie" (Richard?) was born about 1816/1817 in NC. He died after 1880.

> Elsie (Welch) Critz had the following to say about the Hill family: "I have checked my report with a daughter of Sam Henry Hill, also a great nephew of Grandmother Hill's (Saluda/Matilda Patterson Hill). The Great nephew Morris Patterson of Mt. Airy, information is practally the same." (Letter to Halsa Welch dated March 1977.) Their graves have not been found. Bob Carter has suggested both William and Saluda are probably buried on the Hill land near the Ararat River and the church.
>
> The 1860 Census for Stoney Gap, Surry Co. gives William's age as 44 indicating he was born about 1818. He is listed as a farmer.
>
> The 1860 census shows William Hill living next door to Richard Hill, age 70, a farmer and his wife Sarah Hill age 61. Both born in NC. Richard Hill could be related to William Hill, his age could indicate his father.
>
> Also in the neighborhood census are other Hill families Jesse(?) Hill, age 33 a farmer and Nancy Hill his wife age 32 and their children.
>
> Manley James WElch mentioned his "Uncles" Wesley and Skye Hill". He also mentioned a "Ranza".
> Jane Smith Hill also contributed information on this family including the nick name of "Chicka"

Chickie married **Ella Dosha WHITAKER**, daughter of William? WHITAKER and Nancy? HARRISON?. Ella was born about 1818 in NC. She died 1881/1890.

The 1860 Census for Stoney Gap, Surry Co. NC lists the wife of William Hill as "Dora" and gives her age as 42 indicating birth in 1818. Jane Smith Hill was told by Mrs. John William Hill that Docia was a mid wife and delivered over 200 babies.

They had the following children:

3 M i. **Laranza HILL** was born about 1843 in NC. He died 1864.

From the 1860 Census Stoney Ridge, Surry Co. this child is listed as a female but the name would indicate male. He was presumed dead in the Civil War in Richmond VA. (From Bob Carter)

+ 4 M ii. **William Green HILL** was born 21 Jul 1844 and died 11 Dec 1923.

+ 5 M iii. **Wesley HILL** was born 12 May 1851 and died 1951.

6 F iv. **Nancy Jane HILL** was born 12 Dec 1853 in NC. She died 1 Jan 1895 and was buried in Patterson Cemebery, Pilot Mountain.

Listed in the 1860 Census with her family and age 6.

Nancy married **Schuyler Asbury PATTERSON** "Skye", son of William C. PATTERSON "Billy" and Caroline MAINARD, on 26 Dec 1869. Skye was born 9 Aug 1850. He died 25 Sep 1925.

Schuyler Asbury Patterson was the "Skye" my father must have referred to.

7 M v. **Skye HILL** was born after Aug 1860.

Skye Hill was living in Surry County according to family information.
The 1860 census does not list him with the rest of his family at Stoney Ridge, Surry Co. He may have been born after August 1860 when the census was taken.

Third Generation

4. **William Green HILL** (William, Richard?) was born 21 Jul 1844 in Siloam, Surry Co., NC. He died 11 Dec 1923 in Pilot Mountain, Surry Co. NC and was buried in Hill's Grove Missionary Baptist Ch. Pilot Mountain, NC.

William Green Hill was instrumental in erecting a Missionary Baptist Church on a portion of his farm, known as Hill's Grove Baptist Church Route 1, Pilot Mountain NC. William and his wife Matilda are buried in the cemetery at this church. He died in 1930 and she died in 1923

William Green Hill had two brothers, Wesley Hill and Skye Hill. Information from Elsie Welch Critz.

The 1860 Census for Stoney Ridge, Surry County lists William G. Hill as age 16 and living with his parents.

The 1880 Census for New Hope, RAndolph Co. NC lists a William A. Hill family with names very much like the family of William G. Hill: William age 33, born NC, Caroine age 33(?), wife; Albert, age 9, son; Ranza, age 7, son; Hattie R., age 6, daughter; Nancy(?), age 3 (no relationship given); Lamory(?)age 4 mo. (no relationship) All born in NC.

There is a marriage record for Adalaide Hunter and William Hill and Caroline and William A. Hill.

Manley James Welch remembered his grandfather William Green Hill.

Jane Smith Hill of Winston Salem researched this family using census and other primary records.

William married (1) **Adelade? HUNTER?** on 18 May 1830 in Wake Co. NC.

There is a marriage record for Adalaide Hunter's marriage to William G. Hill, dated May 18, 1830 and listing C. D. Schman as the bondsman and B. S. King as a witness. Due to the date of their marriage it is doubful she was a wife of this William Green Hill. No further information.

William also married (2) **Saluda Matilda PATTERSON** "/Ludie", daughter of William C. PATTERSON "Billy" and Caroline MAINARD, on 3 Mar 1867 in Smithtown Yadkin Co. NC. /Ludie was born 10 Feb 1839 in Hawkins Co. TN. She died 1 May 1923 in Siloam, Surry Co., NC and was buried in Hill's Grove Missionary Baptist Ch. Surry Co. NC.

Lucinda (who has been referred to as Ludie/Saluda) Matilda Patterson had a relative, Millard Franklin Patterson, born August 25, 1886 and died December 10, 1976, age 90. A Mason, he was buried in Oakdale Cemetery. He was the son of Joseph Wilson and Lucy Wall Patterson (relationship to Patterson family not certain). Their children living in 1976 were, a son Morris Patterson of Mount Airy, NC, many grand children and great grandchildren and a sister, Lula Mae Misenheimer of Mount Airy. (Obituary)
This family had done research and was interested in genealogy according to source.

A marriage record for William G. Hill and "Saluda" Patterson, March 3, 1861 records it was performed by A.W. Whitaker, J.P. Bondsman was Gabriel Denny. Early Marriage Bonds in North Carolina through 1867 are available on line through Ancestry.com.

They had the following children:

8 M i. **Joseph Wesley HILL** was born 28 Apr 1868 in Surry Co NC. He died 17 Apr 1951.

Joseph married (1) **Anna J. ATKINS** on 31 Aug 1840.

Joseph also married (2) **Gertrude DISHER**.

9 F ii. **Malinda Caroline HILL** was born 1870 in Siloam (?), Surry Co., NC. She died 5 Mar 1936 and was buried in Hill's Grove Missionary Baptist Ch. Pilot Mountain.

Malinda married **Henry Thomas MOORE** on 19 Oct 1890.

10 M iii. **John William HILL Sr.** was born 13 Oct 1872 in Surry Co NC. He died 14 Jul 1966 in Winston Salem? NC and was buried in Salem Cemetery.

John William Smith and Bettie had 7 children. This family has been traced by Jane (Smith) Hill of Winston Salem.

John married **Sarah Elizabeth SMITH** "Betty" on 26 Dec 1897 in Yadkin Co. NC.

11 M iv. **Samuel Henry HILL** was born 24 Feb 1873/1874. He died 12 Dec 1937 and was buried in Hill's Grove Missionary Baptist Ch. Pilot Mountain, NC.

The 1860 census for Stony Ridge, Surry Co. lists Wesley Hill as age 10.
The The 1900 Cenus for Eldora Township, Surry Co. NC lists a Wesley Hill, age 45, born May 1851 and his wife Caroline, 46, born January 1854 in NC. (two boarders living with them)

They had the following children:

Fourth Generation

13. **Docia/Dosha Etta HILL** (William Green, William, Richard?) was born 12 Jan 1878 in Silom, Surry Co. NC. She died 14 Feb 1947 in Mt Airy, NC and was buried in Oak Grove Methodish Cemetery, Bannertown, NC.

The 1920 census lists Etta D., age 41 living in Mount Airy, Surry County, NC with her husband J.C. Welch and daughters Elsie and Mary E. and son Manley, age 14. She was always called Etta in all records.

Etta Welch may have married second Atkins (not sure if this is a first or last name). They were married for a very short time, about a year and a half and then she may have had her marriage to Atkins annuled in the courthouse in Dobson, NC. Informtion from Edna Welch, wife of Charles to Halsa Welch, letter dated Sept. 1, 1980.

In the 1830 Census for Pilot Mountain Highway, Mount Airy, Etta Welch is a widow, 52 years old, living alone in her house which she owns. Next door is her son George H. age 31 and his wife Jessie B., age 30 and their children.

In recent years her house, on a main street, has been used as a gift shop. A picture of the house is included.

Docia/Dosha married (1) **James Calvin WELCH**, son of William Francis WELCH and Susan MOOREFIELD Clark, on 10 Nov 1895. James was born 16 Dec 1873 in Mt. Airy, Surry Co., NC. He died 27 Feb 1924 in Surry Co or Forsyth Co. NC and was buried in Oak Grove Methodish Cemetery, Bannertown, NC.

His son Manley James Welch said his father was very ill during a flu epidemic and he took him to the dispensery but it was so crowded with ill patients there were no beds. The doctor could not attend all the patients and James Calvin died in his son's arms. It was traumatic for his son, who was 19 at the time. My father told me this story when he was elderly and he had never forgotten how terrible it was. NC Death Records give James Calvin's place of death as Forsyth County. Other family members had heard James Calvin had TB and became ill when he and Manley were taking tobacco to Winston Salem (Forsyth County). Although James Calvin did not grow tobacco he was taking it for someone else.

James Calvin Welch and Docia Etta Hill were granted a marriage license October 25, Surry County and married November 10, 1895 by Noah Fulk, minister of the M.P. Church at S.A. Patterson's Wesley P.O, Surry County, Siloam Township. Witnesses were H. T. Moore, J. S. Patterson and W. C. Wyatt, all of Surry County. Copy of license included.

The 1900 Census for Siloam, Surry County lists James C. Welch, a farmer, age 26, his wife Docia E., age 23 and Emory J., son age 3; George H., son age 1 are listed along with a boarder, Mat(?) Samuels, age 26.

In the 1920 census for Mount Airy, Surry County, NC J.C. Welch age 46 is the head of his household owning his home and a carpenter. Living with his wife Etta D., 41, daughter Elsie, age 17, son Manley age 14 and daughter Mary E., age 9. No doubt the older sons, Amery, George and Charles were living and working elsewhere. A photograph of James Calvin, Etta and children Elsie, Manley and Mary was taken about this same time and does not include the three older sons.

25 M ix. **Robert Lee WELCH Twin** was born 8 Nov 1914 in Mount Airey, NC. He died Nov 1914 in Mount Airey, NC.

Listed as Barnabus by Elsie Critz but NC Birth Records show Robert Lee and one of two sons born on 8 Nov.1914. The other twin was Paul B. which could stand for Barnabus. They did not live but died at birth.

26 M x. **Paul B. WELCH Twin** was born 8 Nov 1914 in Mount Airy, NC. He died Nov 1914 in Mount Airey, NC.

Elsie Critz said the twins who died at birth were Paul and Barnabus however the NC Birth Records gave their names as Robert Lee and Paul B. Perhaps the "B" in Paul's name was for Barnabus.

Docia/Dosha also married (2) **ATKINS** in Dobson Co. Courthouse.

Fifth Generation

17. **Amery Julius WELCH** "AJ" (Docia/Dosha Etta HILL, William Green, William, Richard?) was born 8 Jan 1897 in Surry Co. NC. He died 14 Aug 1978 in Winston Salem, Forsyth Co., NC and was buried in Forsyth Memorial Park, Winston Salem.

A. J. and Alma celebrated their 50th wedding anniversary on March 9, 1975 in Winston Salem, NC. Their daughter Ella Louise said her parents courted for about 10 years before they married. Amery worked for the railroad before his marriage and would take trips to the midwest but always visit Alma when he returned to Winston Salem.

The 1930 Census for Old Towne, Forsyth Co. NC records Amery J. as age 33 and head of the family and a salesman for Rite--------- His wife, Almer M., age 30; son Edwin age 2 and 10 months; daughter Ella age 1 and 4 months. Living with them are Alma's sisters, Mallie Wall age 33 and Myrtle Wall age 36, a seamstress.

Birth and death dates are from the NC Death Records. However the date of 14 August 1978 is the date in family information. NC Death Records say 13th at age 81.

Although Amery's first job was with the railroad he was in the furniture business in Winston Salem for about 30 years.

AJ married **Alma Lamesa? WALL**, daughter of Emmit Fletcher WALL and Mildred Eleander HAYMORE, on 8 Mar 1925. Alma was born 2 Jun 1904. She died May 1979 in Winston Salem, NC and was buried in Woodmere Cemetery.

Alma's middle initial was recorded as L. in all family information. According to the Taylor-Haymore family tree on the internet her middle name is Lamesa but the NC Marriage Records spell her name as Lumecia Wall. She was born 22 December 1899, the daughter of Emmitt Fletcher Wall and Mildred Elandor Haymore, both of Surry County. Her daughter Ella Louise gave her middle name as Lamesa.

Her daughter Ella Louise said her parents courted for 10 years before their marriage.

There may be a connection between Alma and the Hiatt family.

They had the following children:

27 F i. **Lura Frances WELCH** was born 10 Feb 1926?. She died 25 Jan 1927 in Forsyth Co. NC.

No family records from Elsie Welch ever showed this child. The 1930 census for this family taken in April lists children as Edwin and Ella. However there is a NC State death record of a child by this name dying at age one, 25 January, 1927 Forsyth County, NC. It has been confirmed (2006) by Ella Louise, the only surviving child in this family, that Lura Frances was a sister who died "age 2". No other details.

28 M ii. **Edwin Leo WELCH** was born 31 May 1927 in Winston Salem, (?) NC. He died 16 Oct 1993 in Winston Salem, NC and was buried in NC.

Edwin Leo Welch married Barbara Long according to the Taylor-Haymore family tree on the internet. His birthdate is given as listed and his marriage date is estimated as 1946. Edwin's mother Alma L. Wall's grandmother was a Haymore.

Edwin married **Barbara LONG** on 1946. Barbara was born 25 Oct 1917 in NC.

The name Long and birth and marriage date came from the Taylor-Haymore family tree on the internet without documentation and not in family information provided by Elsie Kritz.

29 F iii. **Ella Louise WELCH** was born 12 Dec 1928 in NC.

Information re birthdate and son's name from internet, and is correct. Ella Louise married a second time, Bob Bennett

Death date for Bernie B. Welch from the Death Index on the internet. The NC Marriage Records estimated his birthdate as 1931 and also gave his marriage date. The marriage records showed they were married by Rev. Kenneth Goodson and the witnesses were R. L. Billings and Edwin L. Welch (brother of the groom). I assume the death date is correct, however I have not found his obituary. Bernie and Joyce had an adopted son Richard.

Some records give her name as Elsie May Critz.

Elsie had been a teacher for 40 years in the Franklin elementary schools and at her funeral someone said she had no doubt taught everyone attending her funeral. I remember her showing me all the lovely gifts she had received over the years from her grateful and adoring students.

On our visits to Mt. Airy Aunt Elsie organized all the available Welch relatives for lunch or dinner at the Blue Lantern in Dobson, her favorite restaurant.

Elsie is responsible for collecting and providing my mother with many of the Welch records used in this genealogy.

In the 1930 Census for Mount Airy, Elsie W. age 27, her husband John T. Critz age 35, and their son Jack A. age 2 and 11 months, are living in Tom's aunt's house, Clara J. Herring a widow age 68 born in VA. Tom is a mechanic in a furniture factory. The house is described as near River Ridge Road.

Her husband Tom Critz told me he had once been a cowboy in Montana, riding the herds in the old fashioned way, on a horse.

Elsie married **John Thomas CRITZ** on 25 Dec 1924. John was born 13 Feb 1895. He died 3 Mar 1982 in Mt. Airy, NC and was buried in Skyline Memory Gardens, Mt. Airy.

The funeral notes for Tom Critz showed as survivors, besides his wife son Jack and grandchilddren, sisters, Mrs. Rachel Jones of Mt. Airy and Mrs. Kate Samuels; brother W. Hunter Critz of Mt. Airy.

They had the following children:

46 M i. **Jack Anderson CRITZ** was born 30 Apr 1927 in Mount Airey, NC.

Jack married **Iris Loline SOWERS**.

21. **Manley James WELCH** "Jack" (Docia/Dosha Etta HILL, William Green, William, Richard?) was born 17 May 1905 in Mount Airy, NC. He died 29 Oct 1986 in Tallahassee, Florida and was buried in Old St. Johns Episcopal Cem. Tallahassee, Florida.

As a young man "Jack" traveled with the Reynolds Tobacco Company of Winston Salem NC. In the beginning he traveled by train and then his own car. At one point he was the salesman for the East coast from Savannah GA to south Florida, on the West coast of FL and into North Florida. He met his wife "Halsa" while working in Tallahasse. Halsa was not happy with him traveling and he left the Tobacco company. Jack did love to drive, he had the first very modern Studebaker.

I asked him once if he missed living in the mountains of NC and he said no, when he was growing up the mountains were just something one had to go over to get to the other side.

In the 1920 Census for Mount Airy the Census taker listed him as age 14 living with his parents and sisters Elsie, age 17 and Mary age 9. "Manley" was listed as a salesman in a drygoods store as well as going to school. This may have been his uncle's store. After leaving the Reynolds Tobacca Company he opened his own dry goods store in Tallahassee. He also owned a moter lodge.

He told the story of when he was a boy his entire family moved during World War I to Hopewell, VA on the James River. His father, James Calvin worked in the munitions industry for the war effort. The entire family and their household furniture went by train to Hopewell. One of his happiest memories of that time was having a friend who owned a small boat and they would row up and down the river visiting the James River plantations and buying fresh vegtables for their mothers. When the war was over they all got on the train and moved back to their house in Mount Airy.

Jack did not like to fish although he loved to eat fish. He and Halsa lived on Lake Jackson and he bought her a small boat and restored a small motor Halsa had "caught" on her fishing line while fishing from her boat. (The 1/4 horse power boat motor is now an antique, works perfectly and is used by her grandson.) Jack would take her out in the boat or either sit on his dock and watch her fish. Jack truly enjoyed living in Florida, a contrast to living in the mountains of NC. He loved picnics at the coast and eating in the coastal seafood restaurants. His complexion was fare, matching his light brown reddish hair and many of these picnics resulted in painful sunburns.

Jack married **Harriet Sarah Reynolds SEABROOK** "Halsa", daughter of Lee Reynolds SEABROOK and Mary Beekman REYNOLDS "Mame", on 17 Aug 1930 in Monticello, Jefferson County, FL. Halsa was born 3 May 1908 in Meridian, Leon County, Florida and was christened 19 Oct 1910 in St. Paul's Episcopal Ch, Carlowville, AL. She died 15 Feb 1991 in Tallahassee, Florida and was buried 18 Feb 1991 in Old Episc. Cemetery, Tallahassee, Florida.

Halsa Seabrook and Jack Welch were married in the Methodist Parsonage in Monticello, FL. They lived in Tallahassee from the time of their marriage in 1930 until their deaths.

Halsa was educated in a small school in the community of Meridian on lake Iamonia and north of Tallahassee. After age 14 she attended school in Tallahassee. She was baptised in St. Paul's Episcopal Church in Carlowvile AL where her mother and grandmother had also been baptized. She then attended the small Presbyterian Church in Meridian which adjoined her parents property.

Jack had come from NC as a young man, working for the Reynolds Tobacca Company. He met Halsa whie on a trip to Tallahassee and they were married two years later.

Halsa is the Granddaughter of Joseph Henry Seabrook, who came to Quincy, Gadsden County in the North Florida Territory from Wadmalaw Island, SC in 1829 and was a cotton Planter. Her father Lee Reynolds Seabrook and mother Mary Beekman Reynolds, were second cousins. Lee Reynolds Seabrook grew "shade" tobacco in Leon County FL in the small community of Meridian on Lake Iamonia and 11 miles north of Tallahassee.

Halsa was very interested in genalogy and traveled to England where she found the the original towns of her Seabrook and Atwater ancestors. She participated in the research for a book on her SC Reynolds ancestors as well as many years of research on her Seabrook family.

They had the following children:

47 F i. **Dorothy Seabrook WELCH** "Dottie" was born 2 Mar 1932 in Tallahassee, Florida.

Dottie married **Judge Charles Edgar SMITH,** son of Sherman N. SMITH Sr. and Birdie Lennon BANDY "Motherbird", on 19 Dec 1953 in First Presbyterian Church, Tallahassee, Florida. Charles was born 13 Dec 1929 in Vero Beach, Indian River Co., Florida.

23. **Mary Ethel WELCH** (Docia/Dosha Etta HILL, William Green, William, Richard?) was born 30 Jun 1910 in Surry Co. NC. She died after Dec 1985.

Mary Ethel is listed as 9 years old in the 1920 census for the town of Mount Airy with her father J.C. Welch and mother Etta D., her sister Elsie age 17 and brother Manley age 14.
The 1830 Census lists Mary age 20 and married at age 15, and her husband William R. Norman age 25 an electricion and three of their children. They owned their home in Mount Airy. The birthdates of their children are in the NC Birth Index for Mount Airy except daughter Linda.
As an adult and until her death Mary lived in her parents house on Main Street, Mount Airy NC.

Mary married **William Robert NORMAN** on 8 Apr 1926. William was born about 1905 in NC.

W#illiam R. Norman is listed in the 1930 Census for Surry County, Mount Airy as age 25 and head of his household of wife, Mary and three daughters. He owned his home, and did not live on a farm. Linda's name did not appear in the NC Birth Index in the time frame of the births of her siblings but she is much younger than her siblings. Her husband was in the Air Force and they traveled until recently when he retired from the Pentagon. They now live in VA.

This family had done research and was interested in genealogy according to source.

A marriage record for William G. Hill and "Saluda" Patterson, March 3, 1861 records it was performed by A.W. Whitaker, J.P. Bondsman was Gabriel Denny. Early Marriage Bonds in North Carolina through 1867 are available on line through Ancestry.com.

The 1860 Census for Stoney Ridge, Surry County lists William G. Hill as age 16 and living with his parents.

The 1880 Census for New Hope, RAndolph Co. NC lists a William A. Hill family with names very much like the family of William G. The 1920 census lists Etta D., age 41 living in Mount Airy, Surry County, NC with her husband J.C. Welch and daughters Elsie and Mary E. and son Manley, age 14. She was always called Etta in all records.

Etta Welch may have married second Atkins (not sure if this is a first or last name). They were married for a very short time, about a year and a half and then she may have had her marriage to Atkins annuled in the courthouse in Dobson, NC. Informtion from Edna Welch, wife of Charles to Halsa Welch, letter dated Sept. 1, 1980.

Dear Cousin Jane,

I have much to write about, but will postpone until I can spread my notes and collect my thoughts.

This brief note to forward some notions on the census abstracts you sent recently. This is a preliminary view, so check me carefully before you accept these gleanings. Your abstracts point me to Hanon and Nancy Bray as the probable parents of Sarah Bray Hill.

I have one note from a kinsman that Hanon bought land from "his uncle Littleberry Bray". If what you see in my pages here leans you toward Hanon, then perhaps you can discern the family of Littleberry Bray, who I take to be a brother of Hanan Bray's father. If you haven't already, you might look at "The Brays of Fisher River" by Edna Bray Reece, in two books I am told. I have not seen the book(s), don't know whether Hanon or Littleberry are mentioned.

The marriage of Joel Bray and Telitha Hill might be a productive clue. This is from an entry in the Surry Heritage Vol. II, by Carole Ann Bledsoe, POB 96, Piper's Gap Road, Mt. Airy, 27030.

My remodeling job is nearing a stage where I can take a well-deserved and much needed break, and I need to get some new information organized and in your capable hands. I am three or more letters behind in my duty to you. More at an opportune time.

Dear Jane,

I recently received these from a genealogist in Gallia County, Ohio, and pass them along.

You will remember that I mentioned some time ago that Guy Denney of Indiana had written a confusing article regarding "the Ohio records" having William Denney's wife as Sally Wall, daughter of Baptist Minister William Wall and wife Sally of Surry NC, and this contrasting with my belief that William Denny married Sally Hill, daughter of William Hill. From Gallia, we now know the source of Guy Denney's information, which he quotes verbatim. I still believe that William Denny married Sally Hill, sister of our Richard, and daughter of our William.

Obituary of Sarah "Sally" Denny enclosed, Gallia Co Ohio 28 May 1862. One of the seven children of Sally and William Denny was son Obediah, his obituary also enclosed, Gallia Co Ohio 3 March 1905.

Also, obituary of Sarah Bray, widow of William Bray, Gallia, 17 Sep 1892.

And the 1819 Gallia tax list. It reads very like the Surry tax lists. Must have been quite a migration of Surry-ites to Ohio. Note the Dennys, and William Bray, and Isaac Hill. Isaac appears in the early Surry censuses, then disappears. I haven't placed Isaac with our William, or with Richard Senior.

I have written to ask for further exploration of Sarah (Hill) Denney, Isaac Hill, and William Bray. I'll keep you informed.

HISTORY OF THE UPPER OHIO VALLEY

war of 1812, and he and wife belong to the Free Will Baptist church. His son, James Darst, in 1846, married Rachel Halfhill, and she became the mother of the following children: Peter M., Cynthia, Rachel E., James M. (deceased) and Augusta E. His first wife dying, Mr. Darst was a second time married, January 8, 1874, to Mrs. Margaret Switzer, but no children were born to this union. By a former marriage Mrs. Switzer had six children. She and husband are members of the Methodist Episcopal church. Mr. Darst has always been a farmer by occupation, but is at present retired from labor. He is fond of showing his friends some old relics which are in his possession. Among the number are a cupboard, anvil and vise owned by his grandfather when he was a young man. Mr. Darst also has a curious old chair owned by his grandmother many years ago.

Joseph DeLille is a son of Antoine and Sarah (Snyder) DeLille. Antoine DeLille was born in France, from which country he emigrated to Canada, and afterward went to Wheeling, W. Va., where he remained until his death which occurred in 1829. In 1818 he married Sarah Snyder at Wheeling, and she bore him the following children: Elizabeth, Andrew, Joseph and John. The mother died in the year 1846. Antoine served as a soldier in the war of 1812. He was a silversmith by trade, but he worked for a few years in the glass manufactory at Wheeling. His son, Joseph DeLille, was born February 20, 1826, in Wellsburg, W. Va., but became a resident of Gallia county in 1840, and has resided there ever since. March 8, 1845, he married Isabella, daughter of George and Helen (Johnston) Martin, of whom sketches appear elsewhere. To this union were born: Andrew, Sarah L., James L., Helen, George W., Elizabeth M., James J. and May B. In 1862 Mr. DeLille enlisted in Company L, Seventh Ohio volunteer cavalry, and served until July, 1865. He took part with his regiment in the following named battles: Mt. Sterling, Jonesborough, East Tennessee raid, Morgan raid, Rogersville, Cynthiana, Atlanta and Nashville. For five years Mr. DeLille has been trustee of Springfield township. The family are members of the Methodist Episcopal church, and he belongs to the G. A. R. post.

Obediah Denney is the son of William and Sallie (Wall) Denney, natives of North Carolina. William was a son of John and Sallie Denney and the other child was Samuel. John served in the Revolutionary war, and was killed at the battle of King's Mountain. William Denney was born in 1777, in North Carolina, and came to Gallia county, about 1806, where his death occurred on the farm now owned by his son, Obediah, in 1843. William's children were John, Samuel, Sarah, Greene, Mary, Obediah and Nancy. William served in the war of 1812, and received two land warrants in payment. The wife of William Denney died in 1862. She was a daughter of William and Sallie

Wall, the former of whom lived to be one hundred and fifteen years of age, and his wife passed away at the age of one hundred and ten. William Wall was a Baptist minister for eighty years, but meantime was a farmer also. Obediah Denney was born in 1821 in Gallia county, where he has ever since resided. In 1847, when twenty-three years old, he married Martha A., daughter of James and Letty Randolph, natives of New Jersey. Mrs. Denney was born in 1827, and came to Gallia county when eight years of age. Obediah Denney and wife became the parents of the following children: Manuel M., Samuel S., Obediah W., Reuben R. and Eva O. The father devoted his time during the war to caring for his neighbors at home who needed assistance. He was entrusted with their business and always performed his duties faithfully. Mr. Denney and family are members of the Missionary Baptist church. Two of his sons, S. S. and R. R., are both ordained ministers of the Baptist church, which they have been serving ever since they reached their majority. Obediah Denney is a brick mason, by trade, but in early life taught school for eleven years in his neighborhood. He is a kind-hearted and good man whom to know is to like.

Charles W. Ely, M. D., was born in Mason City, W. Va., in 1868. His father was Alfred L. Ely, who was born in Pennsylvania, in 1831, and came to Gallia county in 1878. He is a son of Seth and Patience (Ward) Ely, natives of Massachusetts, who settled in Pennsylvania. Seth Ely and wife were the parents of the following named children: Handel, Edward, Washington, Alfred, Louis and Eliza. Seth Ely was an author of music and was quite successful in his profession. His death took place in 1856, while he was on a visit to his son, Handel, in Kansas. His wife died in 1838. His son Alfred L., was married in 1855, to Margaret, daughter of Alexander Knapp. They had the following named children: Clark, Alfred, Charles, Edward, Ida, Julia, Frank and Willie. In 1861, the father enlisted in Company E, Ninth West Virginia regiment, from which he was discharged in 1864. He was with his regiment in the following named battles: Shiloh, Cedar Creek, Antietam, Cloyd Mountain, first and second Bull Run, Winchester, Fisher's Hill and Lynchburg. Mr. Ely was twice wounded during the war, and was always regarded as a good and loyal soldier. He is a farmer by occupation and owns a homestead in Cheshire township. Dr. Charles Ely, the subject of this sketch, came to Gallia county with his father, with whom he has since resided. He was educated at Gallia academy and Lebannon college. In 1884 he commenced teaching, which profession he followed for three years. During this time he attended medical lectures for two terms at Starling Medical college, in Columbus, where he was graduated in 1890. Shortly after leaving college, the doctor located at

of God. He shunned the counsels of the wicked, and made his boast of the saving grace of God. His benevolence more than once hushed the widow's cries and dried the orphan's tears, and refreshed the weary traveler. Patriotic, he felt much solitude for the success of our arms, and sent one son, a physician, to dwell upon the tented field with the dying soldier. A few hours preceding his death he conversed freely about his departure. His mind was extatic on viewing the opening glories of heaven. He died in great peace, to await a glorious resurrection from the devouring grave. A wife and eight children are left to endure an irreparable loss.

Merry Milk Maids.

The "Merry Milk Maids" a charming and up-to-date operetta, was presented last evening in the Grand Opera House, for the benefit of Rochester's Volunteer Fire Department. The operetta was sung by 100 of our best vocalists, under the direction of Prof. Arthur Randall, a dashing young director from Leavenworth, Kansas, and was witnessed by one of the largest and most refined audiences ever at the Grand. Every seat was taken. The operetta was sung in a very successful manner indeed, and from the amount of applause from the audience seemed to give the best of satisfaction. It was handsomely staged, the maids made their brilliant costumes of red and white, sweet voices, and pretty faces, makes a very attractive appearance. The solos, duets, trios, and quaatets, were sung in a pleasing manner, reflecting great credit on singer and directors as well. The choruses were superb, blending as one voice, and giving out a volume seldom heard by amateurs. Taken as a whole, with its sweet and enlivening music, the beautiful story of the lay, it is enjoyable from start to finish.—Beaver Daily Times.

This charming operetta will be sung by 125 of Gallipolis' best vocalists at Aerial opera house, Tuesday evening, March 7th, for benefit of Public Library. Every seat should be taken for this worthy cause. Tickets 25-35 50c. 1mar2t

Proper Treatment of Pneumonia.

Pneumonia is too dangerous a disease for anyone to attempt to doctor it himself, although he may have the proper remedies at hand. A physician should always be called. It should be borne in mind however, that pneumonia always results from cold or from an attack of the grip, and that by giving Chamberlain's Cough Remedy the threatened attack of pneumonia may be warded off. OBITUARY.

BRAY.—Mrs. Sarah Bray, widow of the late William Bray, was nearly 77 years of age when the messenger of death called her suddenly from labor to reward, Sept. 8th, 1892. Her life had been a long and useful one, spent in the service of her Master. Her husband and each of her six children had preceded her to the better land, so that the earthly ties were growing weaker as the heavenly grew stronger. She leaves one brother, Mr. O. Degney, and eleven grandchildren, with many other relatives, who sadly mourn their loss, but not as those who have no hope. Her funeral was preached by Rev. D. S. Jones, of Centreville, O., at the Old Brick Church, where she had long been a member. Death as sudden as was her's, emphasizes strongly the words of the Master, "Be ye also ready."

MITCHELL.—Died, September 11, 1892, at Gallipolis, Mrs. Lida F. Mitchell, in her 34th year. Mrs. Mitchell was born at Ripley, Va., March, 1859, and was married to Mr. A. P. Mitchell at Gallipolis, January, 1879. She was taken sick last October with consumption, from which she died. She was very patient, agreeable, and kind to all around her. Deceased was a member of the M. E. Church at Gallipolis, always willing and ready to do her part, and died in the full assurance of a glorious immortality. Funeral services were held at the residence of her sister, Mrs. Fred Kling, on Tuesday, September 13, Rev. P. A. Baker officiating, and the burial was at Mound Hill.

1814 Gallia
County Tax
List

Mrs. Jane Smith Hill
P. O. Box Z, Salem Station
Winston-Salem, NC 27108-0450

12 September 1996

Mr. Wade Baker
1715 Bartlett Drive
Anchorage, AK 99507

Dear Wade,

Thank you for sharing the information about your cabin with me; I have passed it on to Bob, but I doubt if he has had an opportunity to even think much about it yet.

Hurricane Edward did us no damage, but Hurricane Fran and the excessive rain over much of NC has caused us some problems in Beaufort, where Bob has business interests, and to our second home in Morehead City. He has been down there for several days overseeing things, but reports no major damage. Between the two storms and the excessive rain, North Carolina has suffered seriously. Here in Winston we had very high winds and rain, (several of our NNW windows got a free washing), but for the first time in years we had no power loss here at the house. Usually the many trees on our street will drop a limb on the power lines, and out we go. The pictures of Wilmington, Raleigh, and other places down east are awful, and I feel for the people there. We went through the same thing in 1989 with a huge storm that swept through W-S.

Now to the Bray family. For relaxation from planning the Reunion I resort to genealogy and I found your census composite to be very clear and concise. As you noted, Hanon does seem very likely a candidate for Sally's father, and I will put his name in pencil on my charts until proved or disproved.

The earlier letter with the Gallia County, Ohio material seems to fit in with the census composite, especially since it reads like a Surry County Tax List. This excites my curiosity and prompts the following questions:
When was Gallia County erected?
From what other counties or territory?
Does it have any other tax lists?
Does it have any census records? When do they begin?
Do you have a good contact there?
Is there a county or state genealogical society?
WHY DID THE BRAYS, et. al. GO THERE?????
Don't you just hate people who ask so many questions?

The midwestern states, since they belonged to the victorious Union, had leisure to compile centennial histories of their counties and these have been a good source of family tradition. Same with the newspapers and obits. Just wish we could have done the same down here!

I believe you are on the right track with Sally Wall; it does seem more likely that she was a HILL, but how to disprove the written word?

Now for the Hanon Bray Will, probated November Term 1843. THERE IS NO DATE ON THIS COPY OF THE WILL. The enclosed copy is from a microfilm of the original will book housed in the NC State Archives.

ABSTRACT:

I, Hanon Bray...of Surry Co., NC ...just debts paid...
to beloved wife NANCY during her widowhood... 60 acres of land such as she may choose adj. the dwelling house where I now reside with all my household and kitchen furniture except such as shall be hereafter given t my Grandson Lewis, also my mare 2 choice cows & calves with all my stock of hogs also all the plantation utensils also all my part of the crop of every kind which is one half of all the crop that is now on the plantation the balance of my land wish to be rented for the benefit of my several children and legatees.

Fourth I give to my grandsons [sic] Lewis Bray before named one Buro [bureau] & one bed and furniture which property was his mother's.

Fifth after the death or marriage of my wife I wish al the property real & personal except what is given to my grandson Lewis to be equally divided between my several children hereafter named after reducing $10 out of my son Milton's part the land my son Joel contracted for some time ago of is brother Milton bounded as follows...on the South near the Cooper [?] path on the Southwest by the Rockford Road on the N E by the creek to the apple orchard branch thence South to my line
I wish my son Joel to have to him & his heirs forever Sally Joel Isaac John Milton Nancy
Lastly I constitute and appoint my beloved friend John Jones to Execute...

Witnesses:

John Jones
D. B. Reynolds Hanan (x) Bray seal

Is this John Jones the same man as the executor???

Wade, a matter of age comes to mind with this will; is this the Hanon Bray of those early census whose birth age ranges between 1755-1765? Or is my arithmetic faulty?

The will indicates that the mother of Lewis is dead, since the boy/man receives items that belonged to his mother. If she is dead, did she marry? Did she marry a Bray and so kept the same surname? Was Lewis a bastard?

Nancy is possibly a second wife but I don't feel she is.

The mention of half a crop in the ground may indicate he was an older man working with one or more sons; Joel?

Why rent the land? Were there minor children? We will need to study the 1840 census very carefully, as well as the 1850.

While I was at the microfilm I made copies of two other wills; that of Artha Bray and Joseph Bray, which are included in this mailing.

Must stop; we have unexpected company!

Jane

Subject: Re: Hill

What good news that you are pursuing this!! Most of my Hill info has come from other researchers. Are you aware of the Hill DNA done a few mos. ago. My cousin, Lloyd Hill, in Archdale was a participant. I'm putting you in touch w/ the ones in charge of the DNA project. We found Justin Hill in OK who descends from our line we didn't know anything about. I will have to get my charts/files out to be back in touch. The first Hill on my chart is Robert Hill mar. Mary Webb. It is my understanding they came from England??? from a county that borders Scotland. I am sure Bryon Hill has more info than I do. There have been several Green Hills in the family. One was Green Hill believed to be f/o Sion Hill who was witness at his wedding to Orpha Starage Lee in 1800 in Johnston Co. They lived in Wake Co. before moving to east Davidson Co. There is a Green Hill d. 1914 bur. at Tom's Creek Primitive Baptist Church but he is the s/o Washington Hill, s/o Sion and Starage Lee. Sion was b. 1773 and Starage was b. 1784. Our dead end that has been going on "forever" is Starage Lee. Such a pretty name, I wonder where it came from. The Lee House in CA has an Orpha Lee whose fathr died in 1814 in Barnwell SC but we find no connection here. I'm going to contact Bryon Hill and get back w/ you after I get all my Hill info out. I'm so glad to hear from you re this.

I'm glad to know who the Green Berry Hill is. Tricia Hall in SC put some of this info in. There are a few errors. She is from up north and is not familiar w/ our state. I believe the WFT is World Family Tree???? My mom died in Mecklenburg Co NC, not Randolph. The Jasphor at the end is a misspelling. He is

Jason Carlson Hill m. Susan Victoria McGee, desc of Col. John McGee, British Officer, whose second wife was Martha McFarland Bell the bridge in Randleman is named for. The DAR dedicated a new memorial marker to her a fews years ago at the Bell-Welbourne Cemetery. There is a picture of Jason Carlson Hill and SVM in the first Randolph Co Heritage Book. They are buried at Flint Hill Church.

I'm going to send messages to all the people who have Green B. Hill in their lines.

I'll be back.

Hi Laverne!

I just received this particularly interesting document from Robert Hill. I knew you'd be interested in taking a look at it. Much insight regarding Starage Lee. Let me know what you think.

Ginni Schluetz

NC.059 INFORMATION REGARDING SION HILL OF JOHNSTON COUNTY, N.C. AND HIS WIFE STARGE LEE.

Entered in September of 1992 by Robert R. Hill of Brandon, Fla.

Source of Information: Research work by Dr. L. Jerry McDowell, who provided this information to me.

Note by Robert R. Hill: At present Sion Hill that married Starge Lee would have to be considered as the 1st generation.

SION HILL 1/, (wife) Starge Lee

Sion Hill's 1/ birth of 1773 (Ref. 1850 Census of Davidson County, N.C.) clearly rules him out as being the son of Robert Hill 3/, who died in 1765. Remember, the son of Robert Hill 3/, Sion Hill 4/, was one of the executors of his father's estate that was probated in 1765 in Halifax County, N.C..

This particular Sion Hill 1/ was apparently born in Johnston County, N.C. ca. 1773 and later moved from Johnston County, N.C. to Wake County, N.C. and then to Randolph County, N.C. ca. 1820 and finally settled in Davidson County, N.C.

For clarification purposes, Sion Hill Jr 3/ died ca. 1762-67 in Virginia. Since the Sion Hill that we are presently discussing was born in Nc ca. 1773 this rules him out as a son of Sion Jr/3 but he may be a grandson but I have no proof.

It seems that Sion Hill 1/ married at a rather late age, when comparing to the ages of most other men who married between ages 18-25.

Sion Hill 1/ married at the age of 26 or 27 to Starge Lee on the 21st of October 1800 in Johnston County, N.C. and the marriage was witnessed by a Green Hill, who may have been his father. (Ref. Marriage Bonds of Johnston Co., N.C.) There is some speculation that this was Green Hill 4/, son of Robert Hill 3/, but this is not so.

There is proof that Sion Hill Jr 3/ (b. 1682, 3rd generation) had a son named Green Hil 4/. I suspect he was the father of this Sion Hill that married Starge Lee, but this has not been proved.

According to the information at hand, when just a young boy, this Sion Hill 1/ was captured by the British forces under Lord Cornwallis and was made to care for his horse. When the British reached Randolph County, N.C., Sion Hill 1/ escaped and returned home in Johnston County, N.C. (Ref. Ruth Miller Case family records).

Sion Hill 1/ was in Johnston County in the 1800 census (Page 767 and a Green Hill is listed on page 768 in same county. Green Hill is listed as being over 45 years of age in this census and this could indicate that Green Hill was the father of this particular Sion Hill 1/. This so far is speculation, but if later proved, all of the generation figures in this document will have to change by making Green Hill as 1st (known generation) and Sion Hil as 2nd as so forth.

Just when Sion Hill 1/ moved from Johnston County, N.C. to Wake County, N.C. is not clear but he was in Wake County by 1802, where he lived for about 20 years. The Wake County Tax Lists shows Sion (Sihon) Hill 1/ beginning in 1802 and he appears on the 1813, 1814, 1815, 1816 and 1820 tax records of that county. (Ref. Wake County, N.C. Tax Lists). It was noted that the Wake County Records often confused the names of Hill-Hicks and Hix with one another.

Sion Hill 1/ left Wake County and apparently went to Randolph County, N.C. where in 1821 he sold 250 acres of land on DEEP RIVER for taxes. These records show that the landowner's land is for sale at public auction if the land owner cannot pay his tax.

Sion Hill 1/ then disappears from the records until 1828 when he shows up owning 40 acres of land in Captain Harris' Tax District in Davdison County, N.C., in the vicinity of Tom's Creek. Sion Hill's 1/ name shows up consecutively until 1850 and several times until 1858. (Ref. Davidson County Tax Lists).

In the 1850 Census for Davidson County, N.C. Sion Hill 1/ is listed as a farmer, 77 years old (b. ca. 1773). Starge Hill was listed as 66 years of age (b. ca. 1784).

Research shows that Sion Hill 1/ & Starge Lee probably had several children. The following have been documented or presumed through family records to be their children (Ref. Ruth Miller Case Family Records & John Calvin Hill Family Bible).

Ruth Miller Case states that Riley Hill 2/, Simeon Hill 2/ and Tilathy Hill 2/ were brothers and sisters. She does not name other children.

Tilathy Hill 2/ married John McDowell on 6 October 1819 in Wake County. A Green Hill (Jr.) married Nancy Sneed in Wake County on 25th December 1819 and the witness was one Sion Hill 1/?

A young Green Hill 2/? appears on the 1830 Davidson County N.C. census being born between 1800-1810 though no proof exists that he was a son of Sion Hill 1/ & Starge Lee Hill, although Sion 1/ certainly could have named a son after his (alleged) father, Green Hill.

Mrs. Lona Wood has family records showing brothers of Riley Hill 2/ as Simeon Hill 2/; John W. Hill 2/; Jim Hill 2/ & Levi Hill 2/. Mr. Ralph Taylor's family bible records Sion Hill 1/ & Starge Lee Hill as parents of John D. Hill 2/. Several records imply the family relationships. For Example, Levi Hill's 2/ marriage was witnessed by Riley Hill 2/; Simeon Hill 2/ named a son Sion Hill 3/; Calvin Hill's 3/? marriage was witnessed by Riley Hill 2/ in Randolph County, N.C.

Calvin Hill 2/? moved to Brown County, Illinois. His death is recorded in John Calvin Hill's Bible but the relationship is not stated. John Calvin Hill 3/ was a grandson of Sion Hill 1/ & Starge Lee. (This writer suspects he was son of Calvin Hill).

Mrs. Lona Woods reports that Ezekiel Hill 2/? was thought to be a brother of Simeon Hill 2/ and thus a son of Sion Hill 1/ & Starge Lee. Hinton Hill's 3/ marriage was witnessed by Riley Hill 2/ and Riley 2/, Calvin 2/ and another Sion Hill (Jr.?) 2/? purchased some of the inventory of Hinton Hill's 3/ estate when he died, as a married teenager with sixty acres of land in Randolph County, N.C. on Jackson's Creek. (Ref. Randolph County N.C. Marriage Bonds).

John D. Hill's 2/ marriage was witnessed by the elder Sion

Hill 1/. (Ref. Randolph County N.C. Marriage Bonds). John D. Hill 2/ lists his occupation as a shoemaker and names his first son, Hinton Hill 3/. (Ref. 1850 Davidson County N.C. Census). Riley Hill's 2/ marriage was witnessed by Simeon Hill 2/. (Ref. Randolph County N.C. Marriage Bonds).

Riley Hill 2/ married Apsylla Nance and a Sion Hill (Jr.?) 2/ married Elizabeth Nance, sister of Apsylla Nance.

In 1822, a Hill daughter married one Willis Lee, Starge's maiden name. (Ref. Randolph County N.C. Marriage Bonds). In the 1850 census the wife of Willis Lee was named Jinsy (Ref. Randolph County N.C. Census).

An older Myal or Mial Hill, possibly a brother to the elder Sion Hill married Delany Winters on 7th May 1806 in Wake County, N.C. Mial Hill died in Davidson County, N.C. on the 27th December 1823 leaving a wife & family. (Note by R. Hill: We need to review this 1850 census to get children's names and births).

A Delia Hill married Solomon Winters in 1816 in Wake County. Temperance Hill married (what date?) Alsey Floyd in Wake County, N.C. and Alsey (Alsa) Floyd is in Randolph County with his second wife by 1850. (Ref. 1850 Census).

The above long discussion offers fourteen possible children of Sion Hill 1/ & his wife, Starge Lee. They are:

1. Green Hill 2/
2. Tilathy Hill 2/
3. Levi Hill 2/
4. Riley Hill 2/
5. Temperance Hill 2/
6. Sion Hill (Jr.) 2/
7. Calvin Hill 2/
8. Doctor Washington Hill 2/
9. Hinton Hill (By Robert Hill: I don't think he was a son of Sion Hill 1/ but was a grandson)
10. Ezekial L. Hill 2/
11. John D. Hill 2/
12. Jinsy Hill 2/
13. Delia Hill 2/
14. W. Hill (??? was not mentioned in above discussion)

Just where or when Sion Hill 1/ and his wife Starge Lee Hill died has not been determined.

(Comment by Robert Hill: I think a search of the records of Davidson County, N.C. should be made to see if their deaths occurred there. I also think a review of Ouaker Records should be made for Randolph & Davidson Counties of N.C.).

I am delighted to get this info. My info is from a variety of sources, some documented, some not. Some of it may "fit" that I am not aware of.

I'll be back hopefully by this afternoon.
I haven't had any progress on this line in a long time. I have visited the grave of Riley Hill and his son Jason Carlson Hill. In 1832 Sion Hill, wife Starage, Deacon Wm. Peacock (f/o Michelle Peacock Nance) m/o Apsylla Nance m. Riley Hill withdrew from the church. However, I've learned from Jeanette Wilson at the library in Lexington that the church was "divided" over understanding of "doctrines" and it didn't mean that they moved. Sion and Starage may be buried at Tom's Creek, lots of burials w/o stones. I'll be back.

I just finished a long message to you and lost it. Well here goes again.

I had no idea you and I share William Millikan. I have a picture of him and son Benjamin that came from a book published about the turn of the last century. I know the Tories burned his house. I have the book that Louise Roediger in Danville VA published re him that contains Millikan. I descend from dau. Martha m. James Frazier, thru dau. Jane m. Jacob Coltrane, s/o William Coltrane and Rachel Worthington. Jacob and Jane buried Marlboro Mtg., then thru their son James m. Elizabeth Ricks. My Coltrane line became John Hoover mar. Ellizabeth Whisenhunt. I know the Millikans are bur. in the first section behind Springfield Mtg. Brenda Haworth is in charge of the museum there and she and I share five lines.

I have Hill info on the internet that I will forward. I will send info from my charts.
Dr. Jerry McDowell has worked on this line many years. He descends from the sister of my Riley Hill and lives in Raleigh.

Byron Hill told me our line came from a county in England that borders Scotland.
I have a list of people Ray Hill sent who share the Green B. Hill line. I'm getting in touch w/ them hoping more will fall in place. I'll send info re charts but what I carry around in my head is

Green Hill
Sion Hill b. 1773 mar. Starate Lee (dead end) b. 1784 in Johnston Co. My ggf Riley Hill was b. in Wake Co in 1810. Their son Doctor Washington was b. in Wake in 1818. By 1822 they moved to Davidson Co. near Denton and were members of Tom's Creek Primitive Baptist Church. I have a few minutes from their meetings sent to me by Jeanette Wilson in Lexington. They withdrew in 1832 bec of a difference is issues at the time. It is believed that they are buried at Tom's Creek (no markers) but their g/s Sion Hill d. 1914 is there w/ a marker. Sion and Starage had a lot of children. Descendants live on both sides of the Davidson/Randolph line. My mom, Edith Hazel Hill d/o James Hill b. 1875 and Nancy Corinna Smith grew up about 5 mi. so. of High Point in the Flint Hill area.

Since you have a "Green" in your family it sounds like your line and mine are the same "someplace."

My Lee line has been a dead end 28 years. I'm in touch w/ the library in Johnston Co. I hope to have a break!
I'm having a very good day when I find a new ancestor.

I've never known why my Hill family moved from Wake to Davidson.

I will forward my Hill info now. Thanks you so much for being in touch.

Hi Laverne!

I just received this particularly interesting document from Robert Hill. I knew you'd be interested in taking a look at it. Much insight regarding Starage Lee. Let me know what you think.

NC.059 INFORMATION REGARDING SION HILL OF JOHNSTON COUNTY, N.C. AND HIS WIFE STARGE LEE.

Entered in September of 1992 by Robert R. Hill of Brandon, Fla.

Source of Information: Research work by Dr. L. Jerry McDowell, who provided this information to me.

Note by Robert R. Hill: At present Sion Hill that married Starge Lee would have to be considered as the 1st generation.

SION HILL 1/, (wife) Starge Lee

Sion Hill's 1/ birth of 1773 (Ref. 1850 Census of Davidson County, N.C.) clearly rules him out as being the son of Robert Hill 3/, who died in 1765. Remember, the son of Robert Hill 3/, Sion Hill 4/, was one of the executors of his father's estate that was probated in 1765 in Halifax County, N.C..

This particular Sion Hill 1/ was apparently born in Johnston County, N.C. ca. 1773 and later moved from Johnston County, N.C. to Wake County, N.C. and then to Randolph County, N.C. ca. 1820 and finally settled in Davidson County, N.C.

For clarification purposes, Sion Hill Jr 3/ died ca. 1762-67 in Virginia. Since the Sion Hill that we are presently discussing was born in Nc ca. 1773 this rules him out as a son of Sion Jr/3 but he may be a grandson but I have no proof.

It seems that Sion Hill 1/ married at a rather late age, when comparing to the ages of most other men who married between ages 18-25.

Sion Hill 1/ married at the age of 26 or 27 to Starge Lee on the 21st of October 1800 in Johnston County, N.C. and the marriage was witnessed by a Green Hill, who may have been his father. (Ref. Marriage Bonds of Johnston Co., N.C.) There is some speculation that this was Green Hill 4/, son of Robert Hill 3/, but this is not so.

There is proof that Sion Hill Jr 3/ (b. 1682, 3rd generation) had a son named Green Hil 4/. I suspect he was the father of this Sion Hill that married Starge Lee, but this has not been proved.

According to the information at hand, when just a young boy, this Sion Hill 1/ was captured by the British forces under Lord Cornwallis and was made to care for his horse. When the British reached Randolph County, N.C., Sion Hill 1/ escaped and returned home in Johnston County, N.C. (Ref. Ruth Miller Case family records).

Sion Hill 1/ was in Johnston County in the 1800 census (Page 767 and a Green Hill is listed on page 768 in same county. Green Hill is listed as being over 45 years of age in this census and this could indicate that Green Hill was the father of this particular Sion Hill 1/. This so far is speculation, but if later proved, all of the generation figures in this document will have to change by making Green Hill as 1st (known generation) and Sion Hil as 2nd as so forth.

Just when Sion Hill 1/ moved from Johnston County, N.C. to Wake County, N.C. is not clear but he was in Wake County by 1802, where he lived for about 20 years. The Wake County Tax Lists shows Sion (Sihon) Hill 1/ beginning in 1802 and he appears on the 1813, 1814, 1815, 1816 and 1820 tax records of that county. (Ref. Wake County, N.C. Tax Lists). It was noted that the Wake County Records often confused the names of Hill-Hicks and Hix with one another.

Sion Hill 1/ left Wake County and apparently went to Randolph County, N.C. where in 1821 he sold 250 acres of land on DEEP RIVER for taxes. These records show that the landowner's land is for sale at public auction if the land owner cannot pay his tax.

Sion Hill 1/ then disappears from the records until 1828 when he shows up owning 40 acres of land in Captain Harris' Tax District in Davdison County, N.C., in the vicinity of Tom's Creek. Sion Hill's 1/ name shows up consecutively until 1850 and several times until 1858. (Ref. Davidson County Tax Lists).

In the 1850 Census for Davidson County, N.C. Sion Hill 1/ is listed as a farmer, 77 years old (b. ca. 1773). Starge Hill was listed as 66 years of age (b. ca. 1784).

Research shows that Sion Hill 1/ & Starge Lee probably had several children. The following have been documented or presumed through family records to be their children (Ref. Ruth Miller Case Family Records & John Calvin Hill Family Bible).

Ruth Miller Case states that Riley Hill 2/, Simeon Hill 2/ and Tilathy Hill 2/ were brothers and sisters. She does not name other children.

Tilathy Hill 2/ married John McDowell on 6 October 1819 in Wake County. A Green Hill (Jr.) married Nancy Sneed in Wake County on 25th December 1819 and the witness was one Sion Hill 1/?

A young Green Hill 2/? appears on the 1830 Davidson County N.C. census being born between 1800-1810 though no proof exists that he was a son of Sion Hill 1/ & Starge Lee Hill, although Sion 1/ certainly could have named a son after his (alleged) father, Green Hill.

Mrs. Lona Wood has family records showing brothers of Riley Hill 2/ as Simeon Hill 2/; John W. Hill 2/; Jim Hill 2/ & Levi Hill 2/. Mr. Ralph Taylor's family bible records Sion Hill 1/ & Starge Lee Hill as parents of John D. Hill 2/. Several records imply the family relationships. For Example, Levi Hill's 2/ marriage was witnessed by Riley Hill 2/; Simeon Hill 2/ named a son Sion Hill 3/; Calvin Hill's 3/? marriage was witnessed by Riley Hill 2/ in Randolph County, N.C.

Calvin Hill 2/? moved to Brown County, Illinois. His death is recorded in John Calvin Hill's Bible but the relationship is not stated. John Calvin Hill 3/ was a grandson of Sion Hill 1/ & Starge Lee. (This writer suspects he was son of Calvin Hill).

Mrs. Lona Woods reports that Ezekiel Hill 2/? was thought to be a brother of Simeon Hill 2/ and thus a son of Sion Hill 1/ & Starge Lee. Hinton Hill's 3/ marriage was witnessed by Riley Hill 2/ and Riley 2/, Calvin 2/ and another Sion Hill (Jr.?) 2/? purchased some of the inventory of Hinton Hill's 3/ estate when he died, as a married teenager with sixty acres of land in Randolph County, N.C. on Jackson's Creek. (Ref. Randolph County N.C. Marriage Bonds).

John D. Hill's 2/ marriage was witnessed by the elder Sion

Hill 1/. (Ref. Randolph County N.C. Marriage Bonds). John D. Hill 2/ lists his occupation as a shoemaker and names his first son, Hinton Hill 3/. (Ref. 1850 Davidson County N.C. Census). Riley Hill's 2/ marriage was witnessed by Simeon Hill 2/. (Ref. Randolph County N.C. Marriage Bonds).

Riley Hill 2/ married Apsylla Nance and a Sion Hill (Jr.?) 2/ married Elizabeth Nance, sister of Apsylla Nance.

In 1822, a Hill daughter married one Willis Lee, Starge's maiden name. (Ref. Randolph County N.C. Marriage Bonds). In the 1850 census the wife of Willis Lee was named Jinsy (Ref. Randolph County N.C. Census).

An older Myal or Mial Hill, possibly a brother to the elder Sion Hill married Delany Winters on 7th May 1806 in Wake County, N.C. Mial Hill died in Davidson County, N.C. on the 27th December 1823 leaving a wife & family. (Note by R. Hill: We need to review this 1850 census to get children's names and births).

A Delia Hill married Solomon Winters in 1816 in Wake County. Temperance Hill married (what date?) Alsey Floyd in Wake County, N.C. and Alsey (Alsa) Floyd is in Randolph County with his second wife by 1850. (Ref. 1850 Census).

The above long discussion offers fourteen possible children of Sion Hill 1/ & his wife, Starge Lee. They are:

1. Green Hill 2/
2. Tilathy Hill 2/
3. Levi Hill 2/
4. Riley Hill 2/
5. Temperance Hill 2/
6. Sion Hill (Jr.) 2/
7. Calvin Hill 2/
8. Doctor Washington Hill 2/
9. Hinton Hill (By Robert Hill: I don't think he was a son of Sion Hill 1/ but was a grandson)
10. Ezekial L. Hill 2/
11. John D. Hill 2/
12. Jinsy Hill 2/
13. Delia Hill 2/
14. W. Hill (??? was not mentioned in above discussion)

Just where or when Sion Hill 1/ and his wife Starge Lee Hill died has not been determined.

(Comment by Robert Hill: I think a search of the records of Davidson County, N.C. should be made to see if their deaths occurred there. I also think a review of Ouaker Records should be made for Randolph & Davidson Counties of N.C.).
