TO PARENTS AND GUARDIANS:

This report gives a summary of your child's school life. You may expect it to reach you within five days after the close of each report period. We trust that your signature on the card will indicate not necessarily your approval but the fact that you have examined the report with more than passing interest.

If your child is absent or tardy, please have him bring to the teacher a written excuse, properly signed by you, stating the cause. If the absence or tardiness is to be recorded as excused, it must be presented on the first day the pupil returns to school, and the cause must be personal illness, serious illness or death in the family, or some other providential cause.

We are mutually interested in your child, and our earnest desire is that the home and school may work together in sympathetic cooperation.

John W. Comer,
Superintendent of Schools

EFFORT

Edgar A. Guest

"Just keep excellent in effort—all the rest will come to you. There isn't any problem but some day you'll learn to do, And at last, when you grow older, you will come to understand, That by hard and patient toiling men have risen to command. And some day you will discover, when a greater goal's at stake, That far better than brilliance is the effort that you make."
