Dobson Elementary School rocks to deliver books

Dobson Elementary School/Submitted photo

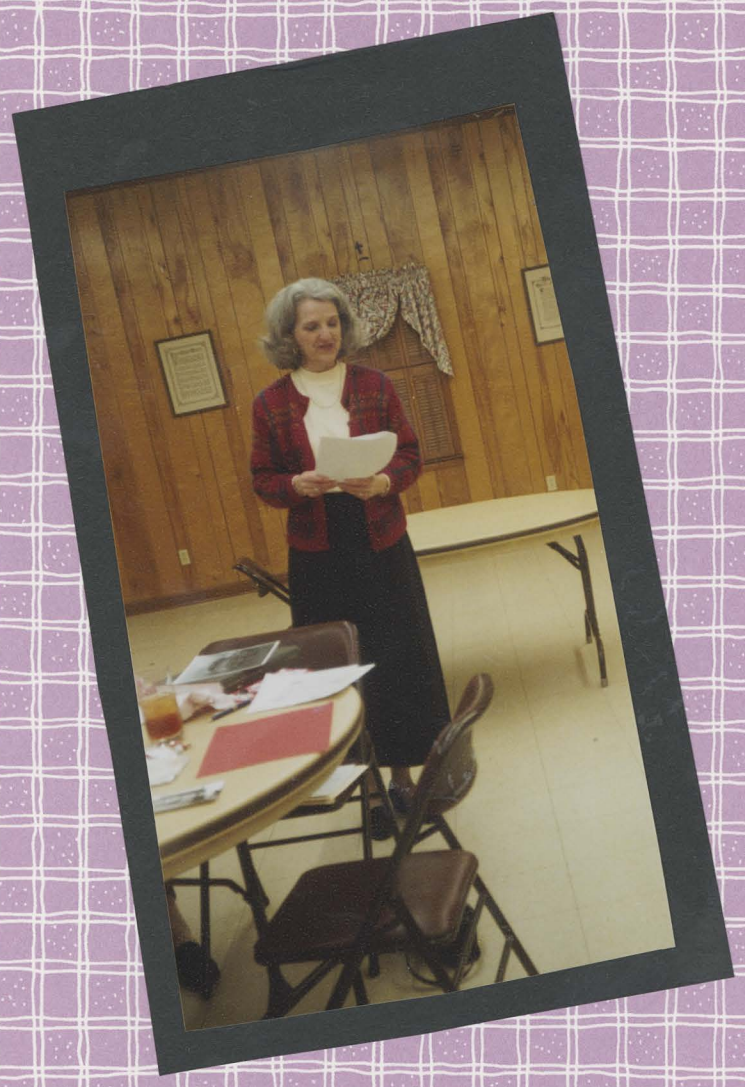

Dobson Elementary School held its last Reading Is Fundamental book distribution of the year '50s style. Students were Rockin' and Rollin' while they chose their third RIF book of the year. Books were paid for by Reading is Fundamental, the Dobson Elementary School PTO and the Dobson Women's Club. Students also got a small taste of the '50s by enjoying a coke float. The Coca-Cola Bottling Co. of Mount Airy and PET of Mount Airy donated enough coke and ice cream to make this treat happen. The kids were really excited when Elvis entered the building to sing a quick song about his famous shoes. At left, pictured are Stephanie Bode, media specialist, second from right, with her assistants for the event, from left, Darrel Martin, P.E.; Lesa Ramsey, computers; Janelle Kidd, media; Keena Moxley, music; Stephanie Bode, media; and Melissa Simpson, art. Mrs. Dee White, President
Dobson Woman's Club

Dear Mrs. White,

We would appreciate it very much if your organization would consider assisting in the sponsorship of our students, presently in the junior class, to attend Tar Heel Boy's and Girl's State this summer. The cost of a full sponsorship is $275 per student for Boy's State and $250 per student for Girl's State; however, any amount you might make available would be greatly appreciated.

The following students could be representing you and will be attending the programs at Catawba College:

Jessica Dockery, daughter of Tim and Jill Dockery, Dobson
Adam Martin, son of Rafael and Gerri Martin, Dobson

The experience that these individuals gain during this intensive week of leadership training and governmental studies will definitely prove to be an asset to them and their communities in the years ahead.

Your continued sponsorship of the above students will be greatly appreciated. We are confident that they will represent your organization and our school with dignity and pride.

Thank you again for your continued support of our students and school.

Sincerely,

Jill Reinhardt
