"A Tribute of Love"

*Though her smile is gone forever
And her hands we cannot touch,
Still we have so many memories
Of the one we loved so much.
Her memory is our keepsake
With which we'll never part,
God has her in His keeping,
We have her in our heart.*

In Memory of my Sister

We saw a transformation from the old man to the new man in Christ, she showed so much love for us. And everyone that she came in contact with, or who heard of her situation. Her new walk with the Lord proved that the word of God is true; if you trust him he will be there for you. On Wednesday afternoon as my sister traveled from King, NC down highway 52 to Forsyth Hospital, she and the Lord had a little talk and I feel like he told her he was ready for her to come home. And she accepted his invitation and left us here with an empty space in our family. I remember her saying that God is good. She told me that she sang a song, I want to be ready to walk into Jerusalem just like John. I believe she did that on Thursday morning. After she walked into Jerusalem I believe she said I made it because I learned how to lean and depend on Jesus, which she touched many lives and hearts. We are going to miss her so much.

Love you,
Eleanor Moore

Thank You

*The loss of the one we held so dear.
It was to us a great comfort indeed,
To see you in the time of sorrow and need.
So from our hearts which you tried to help mend,
We thank you sincerely again and again
For being such wonderful friends.*
