VALENTINE DANCE HELD

Last Sat. night in the gymnasium the Monogram Club held its annual SweetHeart Dance for N.S. students and their outside dates. The event began at eight o'clock with the Last Rites combo playing. The gym was decorated with hearts of various sizes in red, white, and gold on the folded in bleachers and streamers from the basketball goals were looped overhead in red and white. A large red and white crepe paper heart placed in the center of the dance floor was the focal point of the decorations.

Pam Marion was crowned Sweet Heart Queen and Bernie Young and Gary Payne, tied for Sweet Heart King. The Queen recieved a bouquet of red roses and of white carnations and the Kings were given a box of candy. Grade honorees were; ninth grade, Becky Young and Danny Dollyhigh, tenth grade, Susan Lawson and Bill Horton, eleventh grade, Dawn Watts and Ned Chilton, and twelfth grade Pam Stamper and John McDaniel. There was a large group attending the dance, which was enjoyed by all.

HOUNDS HANDLE FALCONS WELL, 65-48

The North Surry Greyhounds traveled to Forbush Falcon land Friday Feb. 4 and handed the Falcons a big loss, 65-48.

The Greyhounds are in second place and their playing Friday night showed the reason why. The Hounds were up 33-27 at the end of the first half. The Hounds put the game out of reach for the Falcons as they outscored them by 11 points in the fourth quarter.

Gary Payne led the scoring for the Hounds as he popped the basket for 15 points. Others scoring were Tesh 17, Badgett 11, Hiatt 9, Penn 8, and Shuff 1.

The Junior Varsity won their fourth straight game and their 13th of the season when they defeated the Baby Falcons 51-45.

HOUNDS LOSE HEARTBREAKER TO CONFERENCE LEADER

The North Surry Greyhounds took to the road Tuesday 8, and suffered a conference loss to the #1 Madison-Mayodan Falcons. The final score was 68-78.

Although the Hounds had five men to score in double figures, they could

not get by the tough Falcon team. The end of the first half saw the score tied 34 all.

The North squad fell behind during the third quarter and were never able to come back as the game ended, Madison-Mayodan on top.

Bernie Young led the scoring as he stole 17 points from the Falcons. Others scoring were Payne 15, Badgett 13, Penn 12, Tesh 10, and Shuff 1.

The Junior Varsity took honors for North squad, as they trounced the Falcons 65-51. James Dalton had 24 points to head the scoring. Others scoring; Shuff 11, Fleming 11, Nichols 9, and Norman 8.

CONSTRUCTION INDUSTRY**

Has anyone seen the new sign telling of upcoming events? Everyone has! It's a great addition to our front campus. The sign was built by our Construction Industry Classes, headed by Mr. Henry Miller. It informs the community about future events at N.S.H.S.

The Construction Industry Classes are composed primarily of Freshmen; however anyone can take the course. The classes meet everyday for one hour. The purpose of this course is to explore the different fields of construction, such as drafting, reading blueprints, and carpentry.

The Construction Classes have been very active so far. Some of the things they have done are: they moved all the bleachers to the football field for the games, and they check them before

each game for damage or something missing. They have painted the football sleds and made six barricades. Mr. Miller stated that they may do small classroom projects, such as gun racks.

According to Mr. Miller, the sign in the front campus took about a day to fix once they knew what they were going to do.

At the present they are repairing a school sign, also to be placed in the front campus.

We salute the Carpentry Classes. Thanks for a great job!
