Chatham Promotes Healthy Babies and Healthy Families

Chatham Manufacturing is combining efforts with the Surry County Health Department's Liaison Nurse, Joanne Bryant, in order to promote the well-being of babies from conception through the first year of life. Mrs. Bryant came to the health department in March of this year, with 17 years of experience in Maternal-Child Health. She is serving under a grant from the North Carolina General Assembly whose goal is to protect our most precious natural resource - our children.

Chatham will offer a prenatal health program known as Babies and You to employees. This free service presents information on a wide range of topics concerning prenatal care. It is our desire to make written and oral instruction available to anyone expecting a baby or planning a pregnancy in the near future. Pamphlets will be available for employees on several child care topics. If enough interest is expressed, we will offer classes for employees on subjects of interest to them. Topics of possible interest include planning for pregnancy; the effects of diet, exercise, stress, and life-style on the health of a woman and her child during pregnancy and beyond; preparation for childbirth; breastfeeding; and community resources for the childbearing family.

Consider these facts.

- Among infants born in America, premature births and low birthweight are the leading causes of death among infants before their first birthday.
- In North Carolina from 1985 to 1989 the infant death rate averaged 12 infants for every 1,000 live births.
- In Surry County the infant mortality rate is above the state average at 12.5 deaths for every 1,000 live births.
- Every \$1 spent on prenatal care saves at least \$3 in follow-up care and services.
- The annual cost of neonatal intensive care in the United States exceeds \$1.5 billion.
- Every low birthweight birth that is prevented saves between \$14,000 and \$30,000.

These facts prove that mothers can not afford to neglect themselves or their infants. Give your child a happy healthy start in life. Join the Babies and You program.

Any employee interested in learning more about healthy childbearing is invited to contact First Aid for assistance or to sign up for classes. It is our hope that these services will be beneficial to you in the future.

Joanne Bryant, Liaison Nurse with the Surry County Health Department, is holding one of the teaching pamphlets which will be made available to Chatham employees. She will be the employee contact person and instructor for child care classes

Retiring - Retiring

Helen Garris Retires

Helen Garris was given a party by the Wet Finish Department on July 17. Special guests for this celebration were her husband, **Lewis**, her step-daughter, **Judy Barlow**, and her son-in-law, **Ken Barlow**.

Jerry Dunn has been a Chatham employee for forty-five years and two months. During this time, he has worked in the Weave Department for ten years, the Technical Maintenance for four years, and the Garnett Department for one year. For the past thirty years, he has worked as a scheduler in Production Control.

Jerry and his wife, Jo (retired), have one son, Steven, who lives in Greenville, South Carolina. They have one granddaughter, Melissa.

Jerry has no specific plans for retirement. Loving mechanical work he has several projects he wants to do around home. Jerry and Jo intend to spend the month of October at the coast. He feels that it will be great to do what he wants to do when he wants to do it.

"I'll miss the people I've been associated with. The best people work here," said Jerry.

Jerry is a member of Poplar Springs Baptist Church. He is also a member of the Elkin Lions Club.

Helen Garris has been employed with Chatham forty-six years and five months. During this time she worked in the Cloth Department for fourteen years and the Wet Finish Office the past thirty-two years.

Helen and her husband, Lewis, make their home in Elkin. She has a step-daughter, Judy Barlow, and three step-grandsons: Mike, Mark, and Matthew.

Helen plans to take retirement a day at a time. She has many interests and hobbies. She enjoys baking, candlewicking, and keeping house. Attending socials and fellowshiping with friends is one of her favorite pastimes. Lewis is looking forward to Helen having time to go rabbit hunting with him.

"It has been a joy and privilege to work at Chatham. It has been a good place to work and I've had good people to work with. I'll miss them all. I've had outstanding bosses over the years. I think profit sharing is great. I encourage young people to participate. If they'd had it when I came to Chatham, I'd be rich. The party was wonderful and I thank everyone who participated," said Helen.

Helen has two brothers who are Chatham retirees. Her brothers are Robey and Leo Golden (retirees).

Helen is a member of Elkin Valley Baptist Church and the Gideon Auxiliary.

Jerry Dunn Retires

Jerry Dunn was given a retirement party by Production Control at Western Steer in Elkin on July 11. His wife **Jo** (retired) was present for the gathering. In honor of his retirement, Jerry was presented a lovely clock inscribed with his service dates.

Ford Ray Retires

Ford Ray was honored with a retirement party given by the Weave Department on July 31. His special guests for the party were his wife, **Nellie**, and his daughter, **Karen**.

Ford Ray has worked in the Weave Department for forty-six years and nine months. For the past thirty years he has worked as an IBM Clerk.

Ford and his wife, Nellie, have two sons, Steve and Ronnie, and a daughter, Karen. They have six granddaughters and one grandson.

Ford plans to enjoy his retirement years. He enjoys gardening, fishing, and hunting. Now he will have more time to visit his children.

"I really enjoyed working here. I had a real good bunch of people to work with. I've enjoyed the benefits of the Company. I really appreciate the party co-workers gave me on my last night of work," said Ford.

Ford has a couple of family members who are enjoying retirement years with him. His sister, Esther Couch, and his brother, Parks Ray, are both Chatham retirees.

Ford is a member of Swan Creek Baptist Church.

Charles Kennedy Retires

Charles Kennedy was honored with a retirement party at Western Steer, given by Production Control on July 11. His wife, **Ellen**, was in attendance for the party. Production Control presented him with a beautiful wooden clock inscribed with his service dates as a retirement gift.

For the past forty-two years and three months, **Gilmer Phillips** has been employed at Chatham. His first two years here he worked in the Wet Finish Department. The past forty years he has been in the Piece Dye Department where he retired after working in the Piece Dye Lab for twenty-three years.

Gilmer has a busy retirement planned. He has lots of chores to catch up on around home. He wants to visit his daughter **Terry R. Alford**, who lives at Myrtle Beach quite often.

Gilmer has several pastimes he enjoys. He likes to go fishing. Reading car, fishing, and hunting magazines is something you will find him doing in his spare time. If he is not reading about cars, you may find him working on them.

"Chatham has been a second home to me. I've really enjoyed working here. The people have been wonderful to me," said Gilmer.

Gilmer is not the only member of his family to work for Chatham. His mother, **Molly Phillips**, is a Chatham retiree.

Gilmer is a member of Pleasant Hill Baptist Church.

Carl Gentry Retires

A reception honoring **Carl Gentry's** retirement was given by the Research Lab on July 31. His wife, **Lois**, was present for this occasion.

Charles Kennedy retired with thirty-seven years and eleven months service with Chatham. Charles came to work in the Spinning Department. From here he went to the Worsted Department and then to Packing. For the past thirty years he has worked as a scheduler in Production Control.

Charles and his wife, **Ellen**, have four children. Their daughters are **Sarah Gilliam** and **Mary Jane Combs**. Their sons are **David** and **Harold Kennedy** (Technical Maintenance). They have seven grandchildren.

Charles will be a busy retiree. He is a full time chicken farmer who loves spending time on his farm and raising a big garden. He and his wife intend to take a three week tour of Canada and Pennsylvania this summer. If Charles has any spare time he wants to catch up on his fishing.

"I thank the Company for providing me a good place to work for thirty-eight years. I've had steady employment. I've never been laid off or out of work. I thank the Company for the retirement benefits. I appreciate all the good people I've had to work with all these years and I'll miss them all," said Charles.

Charles attends Longtown Pentecostal Holiness Church.

Gilmer Phillips Retires

The Piece Dye Lab celebrated **Gilmer Phillips** retirement on July 19. His daughter, **Terry Alford**, was present for this time of fellowship.

Carl Gentry retired with forty-one years and ten months service for Chatham. He came to Chatham in 1949 to work in the Piece Dye Department and play on the Chatham ball team. After working a short time, he took a military leave. In 1952 he came back to Chatham to work in the Research Lab. He retired from this area after working as Laboratory Supervisor for ten years.

Carl and his wife, **Lois**, love to travel. They have traveled to every state in the United States and have toured most of Canada. They take part in some type of tour every year. This year they have planned a trip to Nova Scotia.

When Carl is not traveling, he enjoys several hobbies. He loves sports. One of his favorite pastimes is playing golf. He also enjoys fishing. Carl collects knives and coins.

"I've thoroughly enjoyed working here. It's a good bunch of people to work with. The Company is on the right track by building a new Lab and Dye House to get into more research work. This is the best move they've made in a long time," said Carl.

Carl is a member of Jonesville First Baptist Church.

Chatham Employees Volunteer to Help With Summer Blood Shortages

Chatham employees did their part to assist the American Red Cross with summer blood shortages. Employees turned out in great numbers to give blood at the blood drive held on August 28 and 29. Our goal for the first day was 75 pints. By the end of the day, we had received 79 pints.

A special thanks is extended to all our blood donors.

Our next bloodmobile will be held December 17, 1991. The goal for this drive is 125 pints. Blood donors be sure to mark this date on your calendars and continue doing your very special volunteer work.

Employees Melissa Jenkins (Pillow Plant), Sherry Holbrook (Pillow Plant), and Dennis Burton (Pillow Plant) are registering for the blood drive.

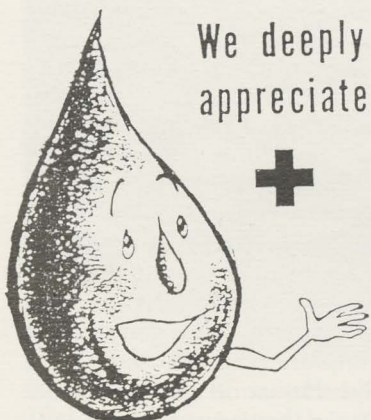

Bill Roth (Manager, Institutional Sales for Northern Chatham Bedding) answers a questionnaire for Nancy Green, RN.

Blood drive Coordinator, Carol Cockerham, does an iron level check for Jim Jenkins (Industrial Engineering) as Robert Gray (Carding) waits his turn.

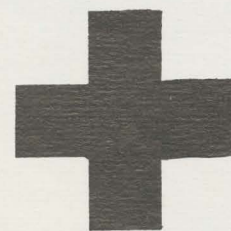

Tammy Baldwin (Pillow Plant) is receiving her donor bag.

We deeply appreciate

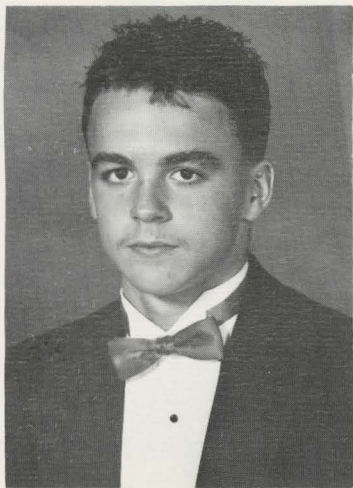

Carolyn Cannon, LPN, instructs Mike Harris (Pillow Plant) on the proper procedures to be followed by blood donors.

“THE ELEVENTH COMMANDMENT”

The Ten Commandments handed down to Moses have often been described as the most important rules or principles for a happy and successful life.

Below is another Commandment that has a lot of meaning.

The Eleventh Commandment

Thou shalt inherit the holy earth as a faithful steward, conserving its resources and productivity from generation to generation. Thou shalt safeguard thy fields from soil erosion, thy living waters from drying up, thy forests from desolation, and protect thy hills from overgazing by thy herds, that thy descendants may have abundance forever. If any shall fail in this stewardship of the land, thy fruitful fields shall become sterile stony ground and wasting gullies, and thy descendants shall decrease and live in poverty or perish from off the face of the earth.

(Answer on Page Nine)

This boy was only 10 years old when his school picture was taken. Today, he is a retiree who may be surprised to see his picture.

A Soldier Comes Home

The Winding Department was very glad to see co-worker, **Jeff Dobson**, back home after his tour of duty in Saudi Arabia with the Army Reserves. Jeff was surprised by a party in the Winding Department on August 2 during first break. The break area was decorated with United States flags and banners. The cake was decorated as an American flag. Jeff, we are all glad to have you back home again.

United Way Sets 1991 Goal

The Tri-County United Way's 1991 goal is to collect \$105,000 for area service organizations and charities.

The Tri-County United Way Kick-Off this year will begin on September 7 at 9:00 a.m. at the Elkin Park. Many events are planned. Agencies receiving money from the United Fund will distribute literature to give the public detailed information on these agencies and their contributions to the community. Hot air balloon rides will be available for everyone until noon. The main attraction for this event will be a celebrity tennis tournament featuring Elkin Mayor, Tom Gwyn. The morning festivities will be broadcast by WIFM.

Some of the agencies supported by United Way are Triad Girl Scout Council, Elkin Girl Scout Hut Fund, Boy Scouts of America, Elkin Rescue Squad, Bloodmobile, Surry and Yadkin County hospice organizations, Salvation Army, Autism Society, and Students Against Drunk Driving chapters at Elkin, Starmount, East Wilkes, and Surry Central high schools.

Chatham will begin the United Way Campaign in October.

Let's Cook

Baking Dish Cobbler

4-5 fresh ripe peaches, peeled, thinly sliced
5 slices bread (day-old preferred), cubed
1 stick butter or margarine, melted
 $\frac{3}{4}$ cup sugar
1 tablespoon flour
1 egg

Butter a 9 or 10-inch pie dish at least $1\frac{1}{2}$ inches deep. Place peaches in dish. Spread bread cubes evenly over peaches.

Mix melted butter, sugar, flour and egg together until well-blended. Pour evenly over bread cubes, making sure all bread is covered. Bake in a 350-degree oven for 30 minutes or until golden brown.

Saborah Robinson, Personnel

Peanut Butter Pie

1 small box of instant vanilla pudding
1 cup peanut butter
 $1\frac{1}{2}$ cups cold milk

Mix and pour into a graham cracker crust or a chocolate crust.

Topping

Mix $\frac{1}{2}$ box of instant chocolate pudding with $\frac{2}{3}$ cups cold milk. Mix and pour on top of pie and chill. Makes one pie.

Nellie Ray, retired

Swiss Chocolate Cake

1 box Swiss chocolate cake mix or:
1 box German chocolate cake mix
1 small box instant vanilla pudding
3 eggs
 $\frac{3}{4}$ cup oil
 $1\frac{1}{2}$ cups milk
Mix and put in 3 cake pans. Bake for 25 minutes at 350 degrees.

Icing

1 (8 oz.) cream cheese
1 cup powdered sugar
 $\frac{1}{2}$ cup granulated sugar
1 (12 oz.) Cool Whip
1 Hershey bar, chopped
Mix cream cheese and sugar. Add Cool Whip. Mix well. Stir in chopped Hershey bar. Put between layers and on outside of cake.

CPR/First Aid Course Scheduled for September

Several employees have expressed a desire to be a part of another CPR/First Aid course. Many of these are people who took the course in September of 1990 and need re-certification. If you were in this group last September, your CPR certification will be void as of September 1991.

Tentatively, the class will begin in the later part of September. It will meet in the Chatham Personnel Building. The course will be conducted by Surry Community College at a price of \$30 per person. It will consist of four 3-hour sessions in instruction on cardiopulmonary resuscitation and basic first aid techniques.

If you are a Chatham employee or retiree who needs re-certification or who has never taken the course, contact Beth Steelman at Ext. 530.
