Don't Worry

by Thomas Bapnett

*Don't worry about me, loved ones
About my sorrows nor my pains
There was a chariot sitting and waiting for me
It was marked in Jesus' name
Don't try to understand the reason it happened
It might entangle the mind
Believe that God is still in control
And my homegoing is divine
I know it's hard to understand
How such a thing could be
Darkness sometimes can create a light
All of us need to see
Trust in God with all your heart
He will help you to make it through
Old things in your life will pass
And all things He'll make new.*

Thank You

*We just want to thank you
for the kindness you have shown,
for being there to support us,
in ways that you've not known.*
