DIRECTIONS: Depart at intersection of McKinney Road #1359 and travel on SR 1360 known as the Bunker Road. Three miles to cemetery on right in thicket surrounded by highway and plowed fields. Land owners are Mr. Syron Bunker and Mrs. Blanch Marshall of White Plains.

She was the person responsible for saving the lives of Eng & Chang Bunker while they were crossing the foot log over the present Stewarts Creek. This was told to me by the late Byron Bunker who died in 1981.

Note: Nos. 1,2,4,5,6 & 7 were originally buried on Merlin Robertson's land behind the present Old Corn Mill and Roy Epperson's old home place. Merlin was coming home from the Army and he found out about the burial site and refused to build his planned home near this site. In later years they were moved over to the present site.
