

A House For All

A place of acceptance and undying love,
Somewhere to feel God's love from above.
A place where on your friends you may depend,
Knowing they're there from beginning to end.
A shoulder to cry on, a crutch on which to lean,
Somewhere hope is more than a dream.
A place where one is released from sin,
Somewhere to start life over again.
For the love of christians move as one,
Thanks to the Father, Spirit and the Son.
A place where all give you a chance,
So you may once again enjoy life's great dance.
Only one such place have I known,
This is my church, this is my home.
