The Retroospect

1956

Surry County
Franklin School

ELEMENTARY BUILDING

JUNIOR HIGH SCHOOL BUILDING

Through these doors pass the individuals who portray the life of Franklin School. We enter the first grade and leave as graduates, and in between are twelve years of a good life--rich in friendships, valuable in knowledge, progressive in physical growth, and strong in moral development. This is our school in retrospect. May its spirit be reflected in our lives in the years to come.

HIGH SCHOOL BUILDING

DEDICATION

"To thine own self be true,
And it must follow, as the
night the day,
Thou canst not then be false
to any man".

Because we recognize in him the personal qualities of a gentleman and a fine teacher; because we feel that, in him; we have a friend and counselor; and because of his intense interest in us as students and his willingness to help with our problems, we, The Senior Class, express our love and appreciation by dedicating the Franklin Retrospect of 1956 to

Mr. Carlos P. Surratt

Administration

These men hold in their hands the authority and responsibility for conducting the largest, and to us, the best school in Surry County. The integrity of their leadership gives direction to our school's progress.

Where's the best place for your whole family to save?

Today, *millions* of Americans will tell you that the smartest place to put your savings is in an insured Savings and Loan Association. This is true whether you're the family breadwinner—or just a member of the piggy bank set.

You can open an account in these Associations for as little as $1 to $5. You get *excellent* returns. Your money is *safe*—insured up to $10,000 by the FSLIC, an agency of the U.S. Government. And you deal with friendly, experienced people of your own community.

Why not open an account at an insured Savings and Loan Association *today!* You'll find it's a pleasant, and *profitable*, place to do business. © 1955, TS&LFI
