UNITED METHODIST WOMEN

WHO ARE WE?

Any woman may become a member of the U.M.W. if she chooses to join and to commit herself to the purpose of the organization. Not all women of the United Methodist Church are automatically members of United Methodist Women, though all are welcome and encouraged to belong. Membership is for those women who wish to work for mission by participating in this organization through prayer, giving, action and service. The majority of members will be members of the United Methodist Church, but only the president is required to be a member of the United Methodist Church.

OUR PURPOSE

The organized unit of United Methodist Women shall be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church.

THE MEANING OF MEMBERSHIP

Membership in United Methodist Women is voluntary. Any woman may become a member who chooses to belong, is committed to the purpose, and is willing to be involved in global mission through United Methodist Women. Membership offers each woman the opportunity to plan and evaluate the program in which she participates. Regardless of all designations of age, race or financial, marital, employment status, each member is regarded as a person of unique value.
