August 28, 1986 11:00 A.M.

National Council

On behalf of the Surry Section of Negro Women, Mrs. Joyce is requesting possession of a key to the Madoc Recreation Center at all times to conduct the following activities which she hopes will be an ongoing thing depending on the participation and response that the Council has from these activities.

The proposed itinerary includes:

Community Activities on Mondays, Tuesdays, Thursdays for adults, students, and children for studying, etc.

4 H Club will meet on Saturday mornings

Exercise Class - time open

Representatives from the Home Extension Service - Time Open

Representatives from Surry Community College - Instructors - Time Open

Activities will be for children and adults.

If the above itinerary changes, Mrs. Joyce will let us know immediately. Also on the "Time Open" activities, Mrs. Joyce will let us know, so that we will not schedule some other organization or person to use the Madoc at these times.

Mrs. Joyce also has assured us that there will be adult supervision at all times the Madoc Center is open and that Mrs. Joyce will be responsible at the times she has opened up the Madoc Center, to see that it is used only by the persons authorized to use Center, that it is supervised by an adult, and that the Center is securely locked when the specified activity is completed.
