MOUNT AIRY, NORTH CAROLINA
August 22, 1962

To: Members of the Mount Airy Youth Foundation

From: Frank Longest, President
Henry Rowe, Vice-President
R. M. Hodgins, Secretary-Treasurer

The Mount Airy Youth Foundation has planned some exceptionally good projects for the 1962-63 season. These include: (1) helping the High School Band pay off the indebtedness on new band uniforms, (2) assisting the elementary schools in providing for recreational and playground equipment, (3) assisting the junior high school in maintaining a junior high school athletic program, (4) finish paying off the indebtedness on the school activity bus, (5) crown the high school football field so that it will shed water.

As you know, the Youth Foundation is an organization created for the purpose of assisting the Mount Airy Community in providing cultural and recreational facilities, which would not otherwise be provided. Over the past 14 years the Foundation has spent more than \$75,000 on such things as providing the high school athletic field, purchasing two activity buses, purchasing playground equipment for the elementary schools, assisting the music department, assisting in the junior high school athletic program, and many other activities. Since you have been a member of this organization, you have had a part in these projects.

Our membership committee enjoys calling on you at your home or your place of business for your membership dues of \$12.50, but these men are busy people. To save leg work, will you be good enough to send your check now to: MOUNT AIRY YOUTH FOUNDATION, P. O. BOX 727, MOUNT AIRY, N. C., in the enclosed envelope. Your membership card will then be mailed promptly to you.

Keep in mind that in addition to the many worthy projects your membership will make possible, your membership card is also a season pass to all home athletic contests played by the Mount Airy School teams.
