

got a new study philosophy. I like it
very well. Mr. Hill has to be the academy and
Mr. Gilmer is teaching school in the store I like
the store best for it is so much warmer. There
has been three parties out here since I have been
here. I and Mary Gilmer was going to on on
knight but Mr. Gilmer went down to Mr.
Barner after Miss Julia Nelson. I must
stop for my fingers is getting so cold that
I cant write. Write soon nothin more at present
but remain your affection. untill Mth. Bettie
