Christmas will be here before
many days pass by. Christians we
should do everything possible to
put Christ first. Christ in
Christmas should be our motto.

If you are not a regular attender of New
Hope church and Sunday School please
accept this as an invitation to visit all
our services.

This may be a hard day for you. It may be a
day of great testing. Your faith may seem too
weak for the test. You may be utterly dis-
couraged. But God knows and he offers you
the strength you need for it.
