When Tomorrow Starts Without Me

When Tomorrow Starts Without Me and I'm not here to see,
If the sun should rise and find your eyes all filled with tears for me.

I wish so much you wouldn't cry, the way you did today,
while thinking of the many things we didn't get to say.

I know how much you love me, as much as I love you,
and each time that you think of me, I'll know you miss me too.
But when tomorrow starts without me, please try to understand,
that an angel came and called my name and took me by the hand.

And said my place was ready in heaven far above,
and that I'd have to leave behind all those I dearly love.

But as I turned to walk away, a tear fell from my eye,
for all my life I always thought I didn't want to die.

I had so much to live for and so much to do,
it seemed almost impossible that I was leaving you.
I thought of all the yesterdays, the good ones and the bad,
I thought of all the love we shared and all the fun we had.

If I could relive yesterday, I thought for just a while,
I'd say good bye and kiss you and maybe see a smile.

But then I fully realized that this could never be,
for emptiness and memories would take the place of me.

So when tomorrow starts without me,
don't think we're far apart;

For every time you think of me-
I'm right here - IN YOUR HEART.
