GRACE CHURCH

From a humble beginning in a rented storehouse, Grace Moravian Church is celebrating its sixty-fourth year of ministry and service.

On the first Sunday in February 1925, a Sunday school was started in a storehouse which had been rented. Worship services likewise begun in April 1925. Ninety-six members were baptized and received as charter members of a new Moravian congregation. This was the largest number to be added at one time and at one place in our history, some of which are still active in the present congregation.

The cornerstone of the new church building was laid September 13, 1925, and the erection of the building proceeded. The fitting text for the day was, *"For by grace are ye saved through faith; and that not of yourselves; it is the gift of God."* Ephesians 2:8. The name Grace Moravian Church was given to the new congregation.

Over the years the church facilities have undergone several additions and renovations which have been a result of the sincere efforts of many people. Much has been accomplished under the able leadership of pastors whom God has sent.

At the end of her sixty-four years, Grace Church continues to reach out into surrounding areas with the gospel of Jesus Christ and ministers to the spiritual, physical and material needs of people in the community.

The church is more than just community oriented. It is a strong advocate of the World Mission Program of the Moravian Church.

We give praise and thanksgiving to God for His blessings and guidance. We give thanks for our warm and friendly heritage and for the remarkable gift of the present membership. We not only accept Christ as the center of our faith but find joy in our relationship with Him.

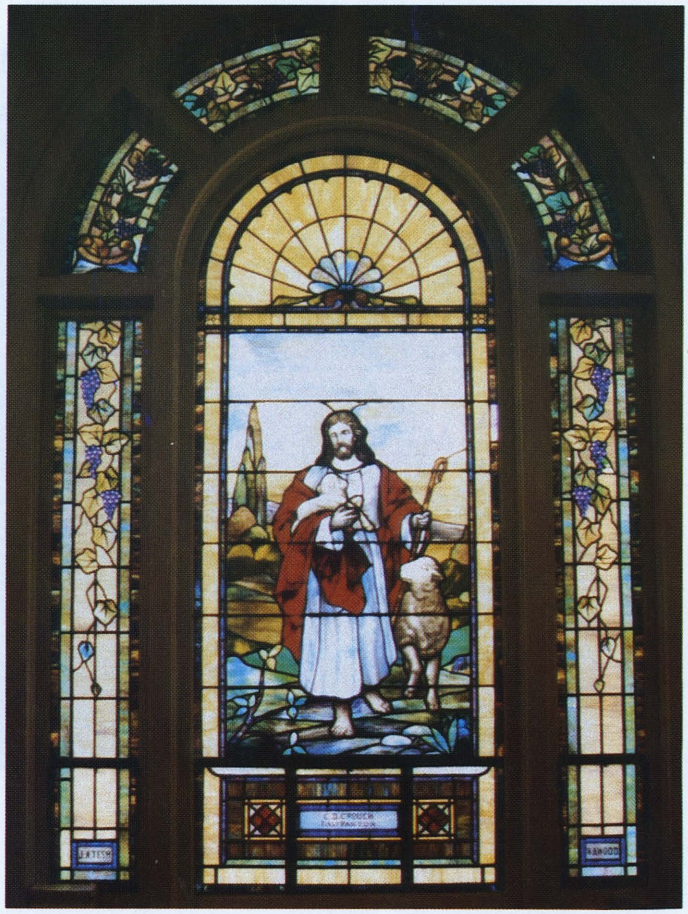

We seek to serve the Lord and minister faithfully in a growing congregation and community as we look toward the future.

> The Church's one foundation is Jesus Christ, her Lord With His own blood He bought her, And for her life He died.
