JAMES MADISON "MATT" HINES
1893-1980

James Madison "Matt" Hines was born July 31, 1893 at his parent's farm in Carroll County, Virginia – not very far from the North Carolina border. Matt's father was William "Will" Hines. Will's parents were Robert Hines and Susan Forkner, who lived in Mount Airy, North Carolina.

Matt's mother was Mary E. Virginia "Mollie" Mitchell. Mollie was born in Franklin County, Virginia and her parents were William Allen "Buck" Mitchell and Nancy Jane Price.

Matt married Stella Sherman Parker on May 12, 1917 in Mount Airy. Early in their marriage, Matt built a two-story home for his wife and young daughter, Alma. It was the first home he built and is located at the corner of Country Club Road and North Main Street. The current address is 1809 North Main Street. Matt did most of the work on that house himself. The lumber for the house came from his family's land in Virginia. He loaded logs onto a horse-drawn cart and took them to a mill to have them cut into lumber.

When a contractor came to Mount Airy to build a school, Matt got a job with him, and stayed on that project until it was finished. The contractor then placed Matt in charge of remodeling a house. Soon after that, Matt's brother-in-law, Weldon Parker, asked Matt to build a new house for him. Then, several other people asked him to do the same thing. Matt taught himself how to draw blueprints, and he started his own contracting business.

As Matt's business became successful, he built a new home for his family, which later included another daughter Marianna. It was a two-story brick home and is located at what is now 1132 North Main Street in Mount Airy. He built that home in the 1920s and was originally numbered 480 North Main Street.

Over the years, Matt employed many people and built many houses, including some of the nicest homes in Mount Airy. He built some of the stores downtown and schools and churches. Matt also built homes in other towns, including Dobson and Winston-Salem, where one of his projects was a big apartment building. He also built many houses to rent and sell. Sometimes Matt had three to five projects going at once.

To keep a steady supply of lumber, Matt bought tracts of land and started his own lumber company. He also opened Hines Pallet and Reel Company where they made pallets for the government during World War II. The most active years for Matt and his contracting business were in the 1920s, 1930s, and 1940s. Matt eventually retired in the 1950s and moved part-time to Daytona Beach, Florida. He died on July 4, 1980 and was buried in Mount Airy at Oakdale Cemetery.

This material was written by Matt's granddaughter Charlotte Mitchell McDaniel on June 6, 2017.

THE MATT HINES PAPERS

Sheila Gray & Scott Kirkpatrick are the current owners of the home Matt & Stella Parker Hines built and lived in for decades in Mt. Airy, NC on North Main St. The house was built in the 1920s. Originally the house number was 480, but at some point the house number was changed to 1132 North Main St.

In Sept. 2007 the youngest daughter of Matt & Stella, Marianna Hines Bailey, & her husband Bill dropped by the home, where Marianna grew up, when they were visiting Mt. Airy from their home in Asheville, NC.

Sheila & Scott gave Marianna a large bag (about the size of a yard leaf bag) filled with old blueprints and business papers that had belonged to Matt Hines (James Madison "Matt" Hines). Sheila & Scott found the papers in the attic of the detached garage behind the house. On Oct. 16, 2008 I spoke with Scott Kirkpatrick on the phone. He confirmed they found the papers & blueprints in the detached garage. They were found in the attic. There is a room behind the garage. Scott said the garage & room both have one open attic. The papers were up there.

Scott & Sheila kept the papers to give to a family member someday. When Marianna showed up they gave the papers to her.

Marianna took them to her home in Asheville & looked them over a bit. But, the papers were very old, brittle, very buggy & dirty. In the spring of 2008 Marianna gave the papers to me, her niece, to deal with. I went through each page cleaning the blueprints & papers with a dry paint brush & recording what was on them. I put most of the letters & papers in acid free protective covers & put the rolled blueprints in three plastic bins. The letters & papers are in two 3-ring binders & 1 box (3 items in all).

At some point I intend to donate this material to the Museum of Regional History in Mount Airy, NC.

INSPECTION AND AUDIT

C. The Company shall be permitted, at all reasonable times during the policy period, to inspect the plants, works, machinery and appliances covered by this policy, and to examine this employer's books at any time during the policy period, and any extension thereof, and within one year after its final expiration, so far as they relate to the remuneration earned by any employees of this employer while this policy was in force.

ENFORCEMENT OF EMPLOYEES RIGHTS

D. The obligations of paragraph one (a) foregoing are hereby declared to be the direct obligations and promises of the Company to any injured employee covered hereby, or, in the event of his death, to his dependents and to each such employee or such dependent the Company is hereby made directly and primarily liable under said obligations and promises. This contract is made for the benefit of such employees or such dependents and is enforceable against the Company, by any such employee or such dependent in his name or on his behalf, at any time and in any manner permitted by law, whether claims or proceedings are brought against the Company alone or jointly with this employer. If the law of any state in which the policy is applicable provides for the enforcement of the rights of such employees or such dependents by any commission, board, or other state agency for the benefit of such employees or such dependents, then the provisions of such law are made a part hereof, as respects any matter subject thereto, as fully as if written herein. The obligations and promises of the Company as set forth in this paragraph shall not be affected by the failure of this employer to do or refrain from doing any act required by the policy; nor by any default of this employer after the accident in the payment of premiums or in the giving of any notice required by the policy or otherwise; nor by the death, insolvency, bankruptcy, legal incapacity, or inability of this employer, nor by any proceeding against him as a result of which the conduct of this employer's business may be and continue to be in charge of an executor, administrator, receiver, trustee, assignee, or other person.

KNOWLEDGE AND JURISDICTION OF EMPLOYER

E. As between the employee and the Company, notice to or knowledge of this employer of an injury or death covered hereby shall be notice or knowledge, as the case may be, of the Company; the jurisdiction of this employer, for the purposes of any workmen's compensation law covered hereby, shall be jurisdiction of the Company and the Company shall in all things be bound by and subject to the findings, judgments, awards, decrees, orders or decisions rendered against this employer in the form and manner provided by such laws and within the terms, limitations and provisions of this policy not inconsistent with such laws.

NOTICE OF ACCIDENTS AND CLAIMS

F. This employer, upon the occurrence of an accident, shall give immediate written notice thereof to the Company with the fullest information obtainable. He shall give like notice with full particulars of any claim made on account of such accident. If, thereafter, any suit or other proceeding is instituted against this employer, he shall immediately forward to the Company every summons, notice, or other process served upon him. Nothing elsewhere contained in this policy shall relieve this employer of his obligations to the Company with respect to notice as herein imposed upon him.

ACTION AGAINST COMPANY

G. No action shall lie against the Company to recover upon any claim or for any loss under paragraph 1 (b) foregoing unless brought after the amount of such claim or loss shall have been fixed and rendered certain either by final judgment against this employer after trial of the issue or by agreement between the parties with the written consent of the Company, nor in any event unless brought within two years thereafter.

SPECIAL STATUTES

H. If the method of serving notice of cancellation, or the limit of time for notice of accident or for any legal proceeding herein contained is at variance with any specific statutory provision in relation thereto, in force in the state in which any of the business operations herein described are conducted, such specific statutory provision shall supersede any such condition in this contract inconsistent therewith.

ASSIGNMENT

I. No assignment of interest under this policy shall bind the Company unless the consent of the Company shall be endorsed hereon.

CO-INSURANCE

J. If this employer carries any other insurance covering a claim covered by this policy, he shall not recover from the Company a larger proportion of any such claim than the sum hereby insured bears to the whole amount of valid and collectible insurance.

SUBROGATION

K. The Company shall be subrogated, in case of any payment under this policy, to the extent of such payment, to all rights of recovery therefor vested by law either in this employer, or in any employee or his dependents claiming hereunder against persons, corporations, associations, or estates.

ALTERATIONS AND CHANGES IN POLICY

L. No condition or provision of this policy shall be waived or altered except by endorsement attached hereto signed by the president and secretary of the Company, nor shall notice to any representative, nor shall knowledge possessed by any representative, or by any other person, be held to effect a waiver or change in any part of this contract. The personal pronoun herein used to refer to this employer, or to an injured employee or dependents, shall apply regardless of number or gender.

DECLARATIONS

M. The statements in items 1 to 7 inclusive, in the declarations hereinafter contained, are true; those stated as estimates only are believed to be true. This policy is issued upon such statements and in consideration of the provisions of the policy respecting its premium and the payment of the premium in such declarations expressed.

CONTINGENT LIABILITY

N. This employer agrees to be bound by all the provisions of the by-laws of the Company in force at the time this policy is issued, or which may become in force during the continuance of this policy, to which by-laws reference is had and which are to be taken as incorporated herein; with the exception, however, that the contingent liability of this employer during the continuance of this policy shall in no event be greater than an amount equal to and in addition to the premium herein contracted to be paid.

DIVIDEND

O. This employer shall be entitled to an equitable participation in the funds of the Company in excess of the amounts required to pay expenses and all the compensation and other policy obligations incurred, together with the reserve and surplus funds required or permitted by law; such distribution shall be made by the Company only in accordance with the insurance law and the charter and by-laws of the Company.

In witness whereof the AMERICAN MUTUAL LIABILITY INSURANCE COMPANY has caused this policy to be signed by its president and secretary, at Boston, Massachusetts, and countersigned by a duly authorized representative of the Company.

Chapter 120, Laws of 1929, State of North Carolina, known and cited as the North Carolina Workmen's Compensation Act,
and all laws amendatory thereof or supplementary thereto which may be or become effective while this policy is in force.

This employer, upon the acceptance of this policy, agrees that at the effective date hereof he is in full compliance with the above cited workmen's compensation law and will not during the policy period terminate his obligation to be bound thereby.

If this employer is a contractor, intermediate contractor or sub-contractor, and he shall sub-contract or otherwise provide for the performance of any of the work included in the employer's contract and covered by this insurance, which sub-contracted work shall fall within the provisions of Section 19 of such workmen's compensation law, then the remuneration of all employees of any sub-contractor of this employer shall be included in the return of remuneration of the direct employees of this employer and shall in all respects be governed by the same terms, conditions and requirements of the policy with respect to premium computation on such remuneration. The foregoing requirements of this paragraph shall not apply if this employer has obtained from his sub-contractors or any of them, or from the Industrial Commission a certificate in due and acceptable form issued by the Industrial Commission, certifying that such sub-contractor has complied with the provisions of such workmen's compensation law as respects insurance security as set forth in Section 67 of such law. This exception shall only be available as respects such of this employer's sub-contractors as have been so certified.

If this employer is a corporation, the entire remuneration of the president, any vice-president, secretary or treasurer shall be disclosed and made subject to a premium charge at the rate applicable to the hazard to which each such officer is exposed, which rate shall be applied to the actual remuneration of each such officer but not in excess of $100 per week. If any such officer is exposed to varying hazards, premium shall be charged on the basis of the highest rate for any hazard to which he is exposed.

If the premium for the policy period as estimated in the declarations and finally determined as provided in the policy is not in excess of $500, an expense constant of $10 shall be added thereto, unless such addition shall increase the premium to an amount in excess of $500, in which event only such part of the expense constant shall be added as will bring the amount of the premium up to $500. The expense constant is a fixed charge subject only to pro rata adjustment upon cancellation by the Company.

If, after the addition of the expense constant, the premium on operations conducted in North Carolina as estimated in the declarations and finally determined as provided in the policy is not in excess of $500, a Loss Constant, as expressed in the declarations, shall be added thereto unless such addition shall increase the premium to an amount in excess of $500, in which event only such part of the Loss Constant shall be added as will bring the amount of the premium up to $500. If the policy is written for a period of less than one year, the premium for the short term shall be extended to determine the premium for a policy period of one year including the expense constant, and the loss constant shall be applied thereto on a pro rata basis for the actual policy period. The loss constant is subject to short rate adjustment upon cancellation by the employer and to pro rata adjustment upon cancellation by the Company.

The minimum premium of the policy includes the expense constant and the loss constant.

This policy is issued by the Company and is accepted by this employer with the agreement that the rates of premium are subject to modification in accordance with the rate manual and rating plans established and definitely made applicable to this policy by the Compensation Rating and Inspection Bureau of North Carolina and approved by the Commissioner of Insurance of the State of North Carolina, such modification, if any, to be expressed by endorsement naming the effective date thereof.

Nothing herein contained shall be held to waive, vary, alter, or extend any condition or provision of the policy other than as above stated.
