Dear Estelle,

I certainly appreciated you writing me and sending me the clippings about Miss Haymore. I never was so shocked. She certainly was a wonderful person. I didn't realize she was that old.

I am afraid my traveling days are over. I was forced to retire the ~~1st~~ first of this year due to physical disability. I had two falls last ~~year~~ year and

broke my right hip and  
~~was~~ right wrist.

If you all ever get  
to Chicago please get in  
touch with me.

Love  
Cordelia
