SPORTSMANSHIP

Enthusiasm during a game has become an important part of school life. This feeling is heightened by school yells, cheers, and songs. As this feeling grows, it becomes more and more contagious, until the whole school is athrill with surcharged emotion for "our side."

Enthusiasm at the ball games may very easily degenerate into "jeering" instead of cheering and into loud and boisterous conduct. Lusty yelling, if it is wisely guided, has its place in the school program. If allowed to become maudlin, it becomes tawdry and cheap. Our cheer leaders can do much to keep our cheering on a high plane. And it is up to the rest of us to follow and not become poor sports as we have seen others do on several occasions.

At no time should a player in a game show anger even though the game is not going to suithim.

TRAFFIC COURT

One of the most interesting and helpful innovations of recent years in White Plains High School is the Traffic Court. This court has been set up as a part of the Junior Safety Patrol activities. The efficiency with which the court functions is one of the marvels of the year. On the first day of court about thirty--five cases were disposed of. On the second day there were not so many; and the third day there were still fewer cases to be tried.

Every pupil who comes into court brings with him a ticket that he received from the Junior Patrol. This ticket has written on it the offense, the date of the offense, and the name of the patrolman who gave the ticket. The Patrolman testifies as to the facts of the charge, and the defendant may testify as to his innocence or guilt. The number of guilty pleas is remarkably high, but this is accounted for by reason of the fact that pupils who know they are guilty of offenses as charged have no inclination to try to escape the penalties to be imposed.

The work of Louis Hill Comer as prosecuting attorney is remarkable. He prosecutes all cases vigorously and without fear or favor. Convictions resulting because of his ability to uncover the evidence necessary for conviction are many.

Judge Hubert Bunker maintains the utmost dignity during court sessions, and those who try to treat his court lightly have suffered by having been cited for contempt and summarily punished.

SNAPPY LUNCH

GEORGE & RAYMONDS SANDWICHES, Mount Airy N.C.

S P O R T S

The basketball teams of White Plains High, ably tutored by Coach J.C. Killinger, have a fine record so far this season. The boys are riding on a streak of 7 straight victories without a defeat, while the girls have won four, lost two, and tied one.

The Phantoms have run over Westfield twice by overwhelming victories, with James Hooker and Wade Key leading the scoring attack in both games.

The Franklin High's Bulldogs came to White Plains confident of victory, but ran upon a snag as the Phantoms turned on the works and defeated them 20 to 12, with Lazarus Hooker leading the scoring. One week later W. P. journeyed to Franklin and Buck Allred led the Plainsmen to a 17 to 14 victory.

The girls have beaten Franklin, 16 to 15, and lost to the same team by a score of 16 to 14. They split with Westfield, losing the first one, by a margin of 22 to 12, but then turned the tables on the Wildcats and tamed them with a 18 to 16 victory. The Phantomettes ran rings around the strong Flat Rock club by an overwhelming count of 25 to 14.

The girls defeated the Lowgap team by a score of 19 to 14.

Lowgap fell beneath the Phantoms twice at White Plains, with Wade Key leading the scoring in both games with 12 and 10 points, to win 20 to 9 and 22 to 19.

(Continued from page 1)

If the opponent shows poor sportsmanship, our duty is to be courteous at all times. Our point can be carried more easily by being courteous, stern and firm. At the end of each game in the dressing room or elsewhere, players should try to find some good point to tell their opponent about the game regardless of whether they won the game or lost it.

WITH THE SCOUTS

The Boy Scout troop of White Plains have had a fine basket ball season this year. We have had several games with Franklin. And want to get some more games soon.

We are also giving baskets of fruit to the sick for Christmas, and also to help the needy.

We had a supper which two boys passed the cooking test for first class. They are Charless Robertson and Edward Venable. Most of the scouts give a dime to help them get the food to cook.

L.T.L. PARTY

The L. T. L. will meet Thursday afternoon of next week in the Lunch room for the Christmas Party. Carols will be sung, games will be played and contests enjoyed. The Recreation Committee is making plans for the occasion. Don't forget the date Dec. 19.

Mr. Killinger: Another new outfit! My dear, you are extravagant. You spent money for unnecessary clothes.

Mrs. Killinger: Absurd! Unnecessary clothes are not in fashion.

It was baking day and the new cook was busy.

"Mary," said the mistress, "go and see if that large cake in the oven is baked yet. Stick a knife in it and see if it comes out clean."

In a few minutes Mary returned. "The knife came out wonderfully clean, ma'am," she said beaming

P.T.A. GIVES PAGEANT

The Parent Teacher Association will sponsor a Christmas pageant Wednesday evening, December 11, at 7:30 o'clock, in connection with the regular December meeting. The public is invited.

Mrs. L. C. Patterson, the president, has announced this as a "Bundle Night." Everyone that can possibly do so is urged to bring a bundle and drop it in the box at the entrance of the building. The bundle is to contain clothes of any kind, old or new. The welfare committee of the P.T.A. will have charge of distribution to families in the district who need more clothes for the coming winter months.

This is a most appropriate time to carry out the famous Bible verse--"As you do it unto the least of these, my brother, you do it unto me."

GIRL SCOUTS

The White Plains Girl Scout held their annual court of award with a joint Silver Tea Monday night Nov. 18 in the White Plains Lunch Room. Each Scout invited three persons which would have amounted to nearly 100. However only 65 attended.

The program began with several songs and the investing of the new scouts followed. Several girls received merit badges. A short play entitled "S.O.S." was given which was thoroughly enjoyed.

With the close of the program hot tea and cookies were served. The money received will be used to buy more badges.

4-H CLUB NEWS

The White Plains 4-H Club held its monthly meeting the second Thursday in November.

The topic for the meeting was "Home Beautification." Ila Belle Jones, Peggy Taylor and Carol Johnson gave a demonstration on this topic. Peggy Taylor gave the list of improvements she had done on her room and also the total cost of the remodeling in the room.

After a talk from Mrs. Brown and Mr. Cobb the meeting adjourned to meet the second Thursday in December.

RED CROSS ROLL CALL

There were twenty in our community who joined the American Red Cross. The White Plains Teachers joined one hundred percent. This number would have been much larger had it not been that so many people in the community work in Mt. Airy, so they joined where they work.

Do you ever stop to think how your ideas concerning people may change as years accumulate?
