

1990-72

March 29, 1993

Dear Jessie,

Truly a voice from the past! I was thrilled to receive your kind invitation to attend the birthday celebration of the Dobson Women's Club, on April 8, 1993. Due to conflicts with job, family and spring break, I will be unable to attend. I do, sincerely, wish that I could.

During my term in office (can I remember back that far?) we did create the club logo. Madeline Carter's son and I designed it and it was then that it became our official logo. He also did the first cookbook during that time. It has since been reprinted and much improved. He also gave a scholarship - I don't remember if we began that or not. These were truly the good old days - teas with lots of silver and flowers, local projects and state awards.

Please extend my warmest thoughts to all the members of your club. I have wonderfully fond memories of them all.

Just a little personal info - Millard and I will soon be celebrating our 25th wedding anniversary. We have two daughters.

Betsy age 17 and Amy age 14. He have been living in Smithfield since 1984. Millard's mother is here (82) and mine is 36 miles away in Clinton (75). He kept in touch with Millard's sister, Mary Ann Stallings Calloway Farrow who has been in PA for the last 17 years.

I opened a small travel agency here in 1988 and enjoy traveling and being a business woman instead of teaching. I am enclosing a business card for your files. I love this job and it has afforded us many opportunities to see this wonderful world of ours.

Millard is still in the construction business and is building multi family housing. He has also just started a new company which inspects projects/properties that are Farmstead Home and Hud projects. This is very exciting for him.

Both our daughters are looking at Chapel Hill for undergraduate and hopefully, med school there. This all remains to be seen!

Please, tell everyone I send them my very best wishes.

Most Sincerely,

Patti Stallings
