"JAYCETTE JABBER"

Our May meeting was a great success, nine members were present, the largest attendance this year. We were pleased to have Ginny Kniskern attend. We would also like to welcome a new member aboard, Gina Baber.

Plans were finalized for the Miss Mount Airy Pageant which will be August 11th and 12th. The "Jaycette Team" is raring to go with enthusiasm.

Annette Evans, Miss Mount Airy, graced our meeting with all the details about her week at the Miss North Carolina Pageant. She made all of us very proud placing 1st runner-up. She participated in the Miss Rhododendron Pageant last week-end and made 2nd runner-up. Her talent routine stole the hearts of the judges once more and she was awarded the "Grand Talent Award." Annette has worked diligently this year and has represented Mount Airy one hundred per cent. We are all proud!

Hope all of you can attend our July meeting which will be at Marie Wood's house. We will work on signs to go on the contestants convertibles for the parade. The meeting will be at 7:00, please be there to help!

Jaycettes, thank you for your support and willingness to pitch in and help on these pre-pageant activities. Without you the pageant would not go on. Thanks a million.
