Dear James,

Thank you for your letter of 30 January 1994 concerning the Artha Bray, Sr of Surry Co.,NC, and his wife Mary E. "Polly" Whitaker.

I have been checking my records on this family and related families, but I do not have much to offer. Since my base reference is Mrs. Reece's books. I am sending some FGS that might help in referencing the situation. I think you do have something - with your theory concerning this family.

I do have some questions concerning some of the individuals that you have mentioned in your letter.

Moses BRAY = who is he?
Jane BRAY = who is her father?

I would very much like to receive your FGS of your family as you have it to date. I might be able to compare and see how we agree or not agree. I do not pretend to be an authority on the BRAY family, I just am collecting the data so we all can share it together.

I am sending some FGS for your help:

FGS 500 - Moses Bray/ Lucy Walker
398 - Arthur Augustus Bray
436 - Arthur Leroy Bray
827 - Arthur Morgan Bray
690 - William McHenry Bray/ PHIPPS
691 - William McHenry Bray/ WHITAKER
689 - Christopher Columbus Bray

I am looking forward to your reply.

Cordially,

Marvin D. Headley

Extract from Act of Congress.

SEC. 12. *And be it further enacted*, That the fees of agents and attorneys for making out and causing to be executed the papers necessary to establish a claim for a pension, bounty, and other allowance before the Pension Office, under this act, shall not exceed the following rates: For making out and causing to be duly executed a declaration by the applicant, with the necessary affidavits, and forwarding the same to the Pension Office, with the requisite correspondence, ten dollars; which sum shall be received by such agent or attorney in full for all services in obtaining such pension, and shall not be demanded or received, in whole or in part, until such pension shall be obtained; and the sixth and seventh sections of an act entitled "An act to grant pensions," approved July [fourteenth,] eighteen hundred and sixty-two, are hereby repealed.

SEC. 13. *And be it further enacted*, That any agent or attorney who shall, directly or indirectly, demand or receive any greater compensation for his services under this act than is prescribed in the preceding section of this act, or who shall contract or agree to prosecute any claim for a pension, bounty, or other allowance under this act, on the condition that he shall receive a per centum upon any portion of the amount of such claim, or who shall wrongfully withhold from a pensioner or other claimant the whole or any part of the pension or claim allowed and due to such pensioner or claimant, shall be deemed guilty of a high misdemeanor, and, upon conviction thereof, shall, for every such offense, be fined not exceeding three hundred dollars, or imprisoned at hard labor not exceeding two years, or both, according to the circumstances and aggravations of the offense.

Approved July 4, 1864.

NOTE 10.—If any soldier is charged a higher fee than that allowed by the above act, he should report the fact and the name of the agent to the Adjutant General, in order that steps may be taken to have the same refunded.

DUPLICATE WITH INVENTORY, SENT 2d AUDITOR

FINAL STATEMENT

OKPo
3-14-64

of

Pvt Calvin Gray

22d Reg't of Iowa Inf

VOLUNTEERS.

Dea April 5th 1865

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out, (Final Statements are never given to men mustered out of service) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words *as a veteran*, (or *recruit*,) as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of *Veteran* or *Recruit Bounty* RECEIVED by the Soldier must be made on the back of each final statement.

Please send me a "Quarterly Journal" about the David Bray Family and the Enock Johnson family.

David Bray came here (Ararat section of Surry County) during the Revolutionary War, to supervise the handling of the supplies at the forge at Ararat. Levi Johnson was an ore digger living at Siloam, NC.

David Bray had a son name William Bray that came later to purchase land along with Hanon Bray. Refer to Vol. I of Surry County Heritage Book pages 70-71. Hanon Bray's youngest daughter (Nancy) married Enock Johnson and I want to know who Enock Johnson's father was! (also brothers and sisters).

I want to know about who U.S. President, Andrew Johnson's father was. Andrew was born in Raleigh, NC. Is there any kinship with Enock Johnson? Enock and Nancy (Bray) Johnson grave marker is located above the "Bull Run" Bridge on Eldora Road, Ararat, NC.

HI Wilma,
In a message dated 4/12/01 4:07:58 PM US Eastern Standard Time, Wjhiatt writes:

<< Was US President Andrew Johnson related to Enoch Johnson? Do you know who Andrew Johnson's father was? >>

On the Dunnagan fellow, he wanted copies of what we have in our Heritage books. There were articles in both volumes, I think.

According to Andrew Johnson's biography, his father is Jacob Johnson. He was the third child born to him. And he was born in Raleigh, NC on 29 Dec 1808. He had an older brother William and a sister, Elizabeth who died in childhood. His mother's name is Mary McDonough.

I do not know anything about Enoch Johnson,so I do not know if he relates to the President Johnson or not.

Jacob descends from Silvanus Johnson of Amelia Co.,Va.

Thanks,Judy

Your letter dated March 27, 2001 to Judy Cardwell was forwarded to the SCGA research committee. You requested a "Quarterly Journal" about the David Bray Family and the Enoch Johnson Family. Judy did not recall anything about this. Had you spoken with her about it?

We checked our Journal Subject Index and didn't find anything other than a Bible record of David Bray Jr. that was in our journal during Fall 1995. We did not find anything on Enoch Johnson. Can you describe more what you're looking for? Our past journals cost $5 each. We need to know the exact journal you are requesting.

We found the David Bray family history in The Heritage of Surry County to which you referred so we assume you were not speaking of that article. There are many deeds for David Bray in the old deed book at the Surry County Register of Deeds. We assume you have already looked at these.

Also you wanted to know who U. S. President Andrew Johnson's father was. Judy said that according to Andrew Johnson's biography, his father is Jacob Johnson. Jacob Johnson descends from Silvanus Johnson of Amelia County, Virginia. We do not know if Enoch Johnson is any relation to Andrew Johnson.

Did you see the information in Hester Jackson's column called "Simple Pleasures" about Enoch Johnson? Apparently, Mary Hudson, Rt. 2, Box 422, Dobson, NC 27017 (374-1513) is interested in this same Enoch Johnson. She says the dates for President Johnson are 1808-1875. You might wish to call her.

We would be happy to print a query in our journal for you and place surname cards in our file if you have not done so. Information is enclosed. We are very sorry that we don't have the answers for you at this time.

We wish you the best of luck with your research and we would love to have copies of your family research in our collection if you are willing to share. If you feel we can help you further, please write us again. And we would love to have you attend some of our meetings. You don't have to be a member to attend and you don't live to far away from Dobson. We meet the second Monday night of each month at Surry Community College in the Teaching Auditorium. A brochure is enclosed.

Enoch Johnson grave stone states that he was born 1813, married to Nancy Bray. Her papa was Hanon Bray, second son of David Bray, Sr. Hanon Bray made a deed to (Sheppard) hear-say to Mount Ararat. I have a copy of the deed, but it is not readable. Would you please check it from the "Deed Book", to verify it, or see if it can be read.

Andrew Kincannon started the forge at Ararat, NC. (please refer to page 428 Vol. II of Surry County Heritage Book.

I would like to have a "Quarterly journal" about Bible record of David Bray Jr. He was the fourth son of David Bray Sr.

There is 5 years difference in the age of Enoch Johnson and Andrew Johnson (hear-say) could be related.

Tommy,

It was nice talking with you on the phone last week. I'm enclosing the two deeds on Hanon Bray that I transcribed for you. As to the others I'm at a loss as to which one to transcribe.

I spent several hours at the courthouse looking at deeds and in our research room looking at deed abstract books on Monday. I really need the Deed Book No. you are looking for. You thought it was in Book B and I did not find anything I looked at in Book B referring to Mount Ararat. There were several deeds referring to Bull Run Creek and from the Pilot Mountain.

There are many Sheppard deeds and you did not give me a name other than Sheppard. It appears William Sheppard owned most of the town of Rockford.

This same 640 acres in the earliest record book at the courthouse just stated it was on the Yadkin River. The State of NC first granted the 640 acres to Samuel Cummings on the Yadkin River adjoining Gideon Wright dated 10 Dec 1778 (Book A:243,244). Samuel Cummins sold to Joseph Phillips 640 acres on the Yadkin River adjoining Gideon Wright dated 1 Aug 1781 (Book B:138). Joseph Phillips then sold to William Sheppard 640 acres on the Yadkin River adjoining Gideon Wright dated 11 Sep 1781 (Book B:185,186). There were two deeds in Book A:225 dated 5 Apr 1774 and A:168,169 that were identical. John Armstrong to William Sheppard 700 acres N side of the Yadkin River, land Armstrong bought at public sale of Major Andrew Bailey in suit of execution by Gov. Dobbs. I don't know exactly what that means.

These deeds were listed on Bull Run: In Deed Abstract Book from 1795-1800 were Forrester to Moore - 75 acres, State to Watkins - 300 acres and State to Dudley - 100 acres. In Deed Abstract Book 1800-1803 were Crutchfield to Critchfield - 100 acres, State to Littleberry Bray - 100 acres, John Critchfield to Norton - 100 acres, Thomas Davis to Norton - 194 acres and Ellis to Davis - 194 acres on Bull Run. In Deed Abstract Book from 1803-1808 were Sheriff to M. Armstrong - 100 acres, State to Jesse Bennett - 100 acres, Caudle and Smallwood to McKinney - 100 acres and State to Ellis - 200 acres.

I did not find a deed from Hanon Bray made to (Sheppard) to Mount Ararat as you stated in your letter. If you will give me a Book No. and page number of the copy you have that is not readable or can send me a copy I will try to transcribe it for you.

I have asked Donna Edwards to send you a copy of the journal with the Bray Family Bible information in it. I hope you receive it soon.

I will place a query in our Fall journal for you regarding the relationship of Enoch and Andrew Johnson.

I am very sorry that I couldn't find exactly what you were looking for. If you want to call me, my number is 983-5229.

I am am researching great-great-grandfather HARRELL BRAY (HARROLL) Born in North Carolina 18 December, 1803. Don't know where. Married Gallia County, Ohio, 1823 to Nancy Crawford, Born 1801, Virginia.

In the"History of Surry County, NC, Vol. 1, 1983" there is a bio sketch of DAVID BRAY, Born 1743. David has sons listed:

William, born 1773 (Harrell has son William)

Hanon , born 1775

Reuben, born 1777 (Harrell has son Reuben)

David, born 1779

Martha, wife

Amy (?)

All of the above sons are right age to be Harrell's father. Also family names could connect.

Is there any way, place to find out if there is a connection?

Thank you for your time.

Regarding the attached copy of my letter to you of March 24th, 1993, I have learned more about the family.

From Galliopolis, Ohio, Genealogical Society have received a copy of a will make out by William Bray where he bequeaths to his two sons HAROLD and WILLIAM BRAY and other unnamed children. Also mentions his wife Elizabeth. Dated 17 June, 1961. I am sure this Harold is HARRELL I'm looking for. Harrel's father William was born in 1777, according to the attached Bio Sketch on Harrel's brother William. There probably is a relationship between the two families (David Bray) because of the family first names.

The Bio Sketch also names William Sr.'s father as Little Berry Bray from Surry County, N. C. Now I need information on William Sr. and his father Little Berry. Am enclosing a copy each of the 1810 N. C. heads of household and 1790 N. C. U. S. Census heads of family which I found in our local genea logical library. One has Berry and one has Little Barry.

Also, the family of Elizabeth Denney Bray, William Sr.'s wife, is from Surry County. Note that William Jr. (b. 1817) also married a Denney in Ohio. Looks like the families might have gone to Ohio together.

The Galliopolis Gen. Soc. also said that they had other records of a HARRELL DENNEY. This pretty well establishes this latest information as my Harrell.

My great-great grandfather HARRELL BRAY ended up in the Gold Fields in El Dorado County, California in 1850. From there he went to Sonoma County and then to San Bernardino County, California.

I never expected to get this far in my research! Now I am dying to know the rest. When and where the Bray and Denney families came from, when to N. C., how, etc. etc.

Any help will be VERY MUCH appreciated.

Very truly yours, Mary A. Vanegas

Your letter postmarked October 16, 2000 to the Dobson Community Library, NC was forwarded to our association to answer. We are very sorry that it has taken so long for you to hear from anyone.

You wanted information regarding William H. Bray and his mother Ann. Judy Cardwell who is president of our association is the most knowledgeable researcher we know on the Bray family. She stated that she has been in touch with you on this family. We are sorry that we do not know when he died. NC did not keep death records until 1913 and we did not find a death record after that date. The libraries in Surry County do not have much genealogy resources. They normally forward their letters to our association to answer. If Judy does not have this information, we don't know where it would be. She has done extensive research on this family.

Have you sent a query for our journal? We wish that we could help you with this information.

Good luck with your research and we hope to hear from you again.

Dear Cousin James,

It was such a pleasant blessing to receive your letter.
Please forgive me for not getting back with you sooner but I have been traveling very much in the last couple of years doing gospel services in various countries and states.
I have pictures of Polly, her husband and several.
I would love to talk to you. I have tried but the operator says she has no listing for you.
If you have any info on giving validityIndian background I would greatly appreciate your efforts. I could pass for a 1/2 breed and I do a lot of work with the Indians but it would help me much more if I could prove my heritage. I know by pictures on both sides and by grandparents passing on info that I have Indian but have not had the time or money to prove it.
The first time in my life I was in North Carolina doing revivalses ect. while you sent me this letter. I will be going back this fall as other churches want me to come back.
If you can let me know your phone no. I would love to call you. There is now a program on the internet in which any one can call all over the U.S. toll free.
Please forgive me as I need to go.
If you like you can go to my web page whichsmo.com/~agape/
My home phone is 636-745-2864.
Looking very much forward to hearing from you soon.
