This is Fair and Honest!

I ask you to buy our medicines with perfect confidence and with the distinct understanding, backed by my personal guarantee, that if the results are not in every way satisfactory you can have your money back. This is honest!

Millions and millions are using our remedies. It is true that, now and then, we have a failure. We can not cure everyone. Quacks and imposters claim to do that. When our medicines fail to give satisfaction, we much prefer to have the good will of the user than his money. Therefore, we will refund money if you are not pleased. The inside back page of this booklet will prove to you that I am good for this guarantee.

Very truly, your friend,

H. L. KRAMER,

Treas. and Gen'l Mgr.

FOR
THE

FAMILY

All ages hail with delight the coming of the most wonderful, meritorious preparation that will lighten the ills of humanity and will do away with the taking of obnoxious, violent purges, inconvenient liquids, and pills that tear your life out. Simply because in **CASCARETS Candy Cathartic**, you will find just what you want, convenient in form, pleasant of taste (just like candy) and of never-failing remedial action. They have found a place in every well-regulated household, and are the favorite medicine of the whole family—from baby to good old grandpa. Don't be fooled with substitutes for **CASCARETS!**

1

I take pleasure in praising your valuable remedy CASCARETS. I and my whole family received relief from the first small box we tried. I certainly recommend CASCARETS for the cures they make and trust they will find a place in every home. Yours for success,

PETER WEBB, Jr.,
Palm Grove Ave., McKeesport, Pa.

FOR **CONSTIPATION**

Caused by over-work! Over-eating! Over-drinking! No part of the human body receives more ill treatment than the bowels. Load after load is imposed until the intestines become clogged, refuse to act, worn out. Then you must assist nature. Do it, and see how easily you will be cured by **CASCARETS Candy Cathartic**. Not a mass of violent mercurial and mineral poisons, but a **PURE VEGETABLE COMPOUND**, that acts directly upon the diseased and worn out intestinal canal, making it strong, and gently stimulating the liver and kidneys—a **CANDY TABLET**—pleasant to eat, easy and delightful in action. Don't accept a substitute for **CASCARETS**.

I have gone **14 days** at a time without movement of the bowels. Chronic constipation for seven years placed me in this terrible condition; I did everything I heard of but never found any relief until I began using **CASCARETS**. I now have from one to three passages a day, and if I was rich I would give \$100.00 for each movement; it is such a relief. **AYLMER L. HUNT,**
1639 Russell St., Detroit, Mich.

FOR

Lazy Liver

You know very well how you feel when your liver don't act. Bile collects in the blood, bowels become constipated and your whole system is poisoned. A lazy liver is an invitation for a thousand pains and aches to come and dwell with you. Your life becomes one long measure of irritability and despondency and bad feeling. **CASCARETS** act directly, and in a peculiarly happy manner on the liver and bowels, cleansing, purifying, revitalizing every portion of the liver, driving all the bile from the blood, as is soon shown by increased appetite for food, power to digest it, and strength to throw off the waste. Beware of imitations!

10c.

25c.

50c.

"I have been troubled a great deal with a torpid liver, which produces constipation. I found CASCARETS to be all you claim for them, and secured such relief the first trial that I purchased another supply and was completely cured. I shall only be too glad to recommend Cascarets whenever the opportunity is presented." J. A. SMITH.
2920 Susquehanna Ave., Philadelphia, Pa.

FOR **HEAD ACHE**

Sick headaches! Always trace them to a lazy liver or a sick stomach. Poisonous matter, instead of being thrown out, is reabsorbed into the blood. When this poison reaches the delicate brain tissue, it causes congestion and that dull, awful, throbbing, sickening pain. **CASCARETS** remove the cause, by stimulating the liver, making the poison move on and out, and purifying the blood. The effect is almost instantaneous. Ladies, whose sensitive organism is especially prone to sick headaches, **do not suffer**, but find relief in Cascarets Candy Cathartic! Look out for imitations and counterfeits!

"Both my wife and myself have been using CASCARETS, and they are the best medicine we have ever had in the house. Last week my wife was frantic with headache for two days; she tried some of your CASCARETS and they relieved the pain in her head almost immediately. We both recommend Cascarets."
CHAS. STEDEFORD,
Pittsburg Safe & Deposit Co., Pittsburg, Pa.

FOR

Sour Stomach

Back up a sewer, and you poison the whole neighborhood. Clog up liver and bowels, and your stomach is full of undigested food, which sours and ferments, like garbage in a swill-barrel. That's the first step to untold misery—indigestion, foul gases, headache, furred tongue, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. **CASCARETS** quietly, positively stop fermentation in the stomach, make the liver lively, tone up the bowels, set the whole machinery going and keep it in order. Don't hesitate! Take them to-day and be saved from suffering.

10c.

25c.

50c.

5

"After I was induced to try **CASCARETS**, I will never be without them in the house. My liver was in a very bad shape, and my head ached and I had stomach trouble. Now, since taking Cascarets, I feel fine. My wife has also used them with beneficial results for sour stomach."

JOS. KREHLING,
1921 Congress St., St. Louis, Mo.

FOR

DYSPEPSIA

Most people eat more than is good for them. The stomach tries to digest all that's put into it, but if repeatedly over-loaded, it goes on strike. That's indigestion. Rich, over-sweet, indigestible food weakens the stomach and makes it unable to take care of the material put into it. More food taken into a weakened stomach, than the stomach can digest, stays there, forms gases and rots, bringing on all the horrors of dyspepsia. The only way to cure dyspepsia is to clean out the digestive canal with **CASCARETS**. Keep it clean with **CASCARETS**, eat light food sparingly, and give the stomach a chance to rest up and get strong again. Be sure you get the genuine Cascarets!

"For six years I was a victim of dyspepsia in its worst form. I could eat nothing but milk toast, and at times my stomach would not retain and digest even that. Last March I began taking CASCARETS and since then I have steadily improved, until I am as well as I ever was in my life."

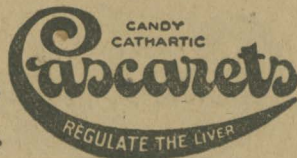

DAVID H. MURPHY, Newark, O.

10c.

25c.

50c.

FOR

BAD BLOOD

Pimples, eruptions, blotches, scales, ulcers, sores, eczema and chronic swellings are caused by bad blood. **CASCARETS** are wonder-workers in the cure of any disease caused by bad or impure blood. They eliminate all poisons, build up and enrich the blood, enabling it to make new, healthy tissue. Pure blood means perfect health and if you will use **CASCARETS**, they will give you good health and a pure, clean skin, free from pimples and blotches. To try **CASCARETS** is to like them, for never before has there been produced as perfect and so harmless a blood purifier, liver and stomach regulator, as **CASCARETS** Candy Cathartic. Don't be imposed upon with "something just as good!"

10c.

25c.

50c.

"**CASCARETS** do all claimed for them and are a truly wonderful medicine. I have often wished for a medicine pleasant to take, and at last have found it in **CASCARETS**. Since taking them my blood has been purified and my complexion has improved wonderfully, and I feel much better in every way."

MRS. SALLIE E. SELLARS, Luttrell, Tenn.

FOR PILES

You are costive, and nature is under a constant strain to relieve the condition. This causes a rush of blood to the rectum, and before long congested lumps appear, itching, painful, bleeding. Then you have piles. There are many kinds and many cures, but piles are not curable unless you assist nature in removing the cause. **CASCARETS** make effort easy, regulate and soften the stools, relieving the tension, and giving nature a chance to use her healing power. Piles, hemorrhoids, fistula, and other rectal troubles yield to the treatment, and **CASCARETS** quickly and surely remove them forever. Don't be persuaded to experiment with anything else!

"I suffered the tortures of the damned with protruding piles brought on by constipation with which I was afflicted for twenty years. I ran across your **CASCARETS** in the town of Newell, Ia., and never found anything to equal them. To-day I am entirely free from piles and feel like a new man."

C. H. KEITZ,
1411 Jones St., Sioux City, Ia.

10c.

25c.

50c.

FOR

WORMS

CASCARETS are a sure cure for tape-worms and those other pests of worms that make the lives of children and their mothers miserable. Any variety of parasites that live in the human stomach or bowels, and feed on the substance which should properly nourish the body, are dislodged by **CASCARETS Candy Cathartic**, and expelled. One or two tablets usually drive them out, and persistent use is sure to do away with the unwelcome intruders. Many children and older people suffer from worms without knowing it, and get thin and weak, although their appetite is good. The best way to find out is to take **CASCARETS**. When in doubt, take **CASCARETS!** Never accept a substitute!

10c.

25c.

50c.

"A tape worm eighteen feet long at least came on the scene after my taking two CASCARETS. This I am sure has caused my bad health for the past three years. I am still taking Cascarets, the only cathartic worthy of notice by sensible people."

GEO. W. BOWLES, Baird, Miss.

FOR

INSOMNIA

Did you ever have that feeling of oppression, like a weight on your chest, or a load of cobble-stones in your stomach, keeping you awake nights with a horrible sensation of anxiety, or tossing restlessly in terrible dreams, that make the cold perspiration break out all over you? That's insomnia, or sleeplessness, and some unfortunates suffer with it night after night, until their reason is in danger and they are on the edge of going mad. The cause of this fearful ailment is in the stomach and bowels, and a **CASCARET** taken at night will soon bring relief and give the sufferer sweet, refreshing sleep. Always insist on getting **CASCARETS**!

10c.

25c.

50c.

"I have been using **CASCARETS** for Insomnia, with which I have been afflicted for over twenty years, and I can say that Cascarets have given me more relief than any other remedy I have ever tried. I shall certainly recommend them to my friends as being all they are represented."

THOS. GILLARD, Elgin, Ill.

FOR Biliousness

You're bilious, you have a throbbing sensation in your head, a bad taste in your mouth, your eyes burn, your skin is yellow with dark rings under your eyes, your lips are parched and you feel ugly and mean, as if you wanted to kick a lame infant or kill a canary bird. Your system is full of bile not properly passed off, and what you need is a cleaning up inside. Don't continue being a bilious nuisance to yourself and those who love you, but send out at once for a box of **CASCARETS** and feel bright and cheerful within 24 hours. Be sure you get **CASCARETS**! Don't let them sell you a fake substitute!

"I have used your valuable **CASCARETS** and find them perfect. Couldn't do without them. I have used them for some time for indigestion and biliousness and am now completely cured. Recommend them, to every one. Once tried, you will never be without them in the family."

EDW. A. MARX, Albany, N. Y.

FOR

BABIES

Hush! Don't you hear your baby cry? Babies often grow peevish, fretful, restless and feel bad, poor little things, without being able to tell you why. How much the little innocents suffer, unable to tell the cause of their distress! It is almost always some trouble in their little insides, sour curd on the stomach, indigestion, wind-colic, bowel complaints, that start the ills of childhood. **CASCARETS** make mother's milk mildly purgative, and increase the flow of milk in nursing mothers. Mama takes a **CASCARET**, baby gets the benefit. In this way, **CASCARETS** afford the only safe laxative for babes in arms.

10c.

25c.

50c.

I shall never be without **CASCARETS**. My children are always delighted when I give them a portion of a tablet, and cry for more. They are the most pleasant medicine I have ever tried. They have found a permanent place in my home. **MRS. JOHN FLAGEL,**
Box 680, Michigan City, Ind.

FOR **BAD BREATH**

Undigested, decaying food remnants, in the mouth and stomach, giving off pestiferous gases, are the cause of that awful breath, so repulsive as to cause a halt in friendship, affection, love,—any form of intimacy. Nobody can stand its over-powering stench, and it is a cause of terrible misery to those afflicted and their dear ones. There is only one way to cure it—disinfect the digestive canal with **CASCARETS**! Clean it out, keep it clean, let **CASCARETS** stimulate the lining of mouth and stomach, and put it in shape to work naturally and properly. Nothing but **CASCARETS** will bring about the desired result. Be sure you get them!

"I have been using **CASCARETS** and as a mild and effective laxative they are simply wonderful. My daughter and I were bothered with sick stomach and our breath was very bad. After taking a few doses of Cascarets we have improved wonderfully. They are a great help in the family."

WILHELMINA NAGEL,
1137 Rittenhouse St., Cincinnati, Ohio.

HEART, BE STILL.

Heart, be still!

In the darkness of thy woe,
Bow thou silently and low;
Comes to thee whate'er God will—
Be thou still!

Be thou still!

Vainly all thy words are spoken,
Till the word of God hath broken
Life's dark mysteries—good or ill—
Be thou still!

Rest thou still!

'Tis thy Father's work of grace—
Wait thou yet before his face—
He thy sure deliverance will—
Keep thou still!

Lord my God!

By thy grace, O may I be
All submissive, silently,
To the chastenings of Thy rod:
Lord my God!

Shepherd King!

From Thy fulness grant to me
Still, yet fearless, faith in Thee,
Till from night the day shall spring!—
Shepherd King!

UNPARALLELED SUCCESS.

most efficient agents now known of the above classes of medicines are scientifically combined in "Golden Medical Discovery," which acts especially upon the liver, and through that organ upon the blood, clearing and regulating the system generally.

GOLDEN MEDICAL DISCOVERY does not debilitate the liver by over stimulation, nor irritate the stomach and bowels by disturbing the delicate processes of digestion, neither does it act with severity upon the blood; but it operates so gently, insensibly, and yet with so much certainty, that it excites the surprise and admiration of all who use it.

If the bowels are unusually sluggish (chronic constipation) it is advisable, in conjunction with the "Discovery," to use

PLEASANT PURGATIVE PELLETS, which are powerfully alterative, besides being mild, gentle, and unirritating, in their operation. They are the natural allies—remedial assistants—of the "Discovery," and the two work harmoniously together. They should be taken in small doses, and their use perseveringly followed until the bowels are properly regulated.

People who are habitually subject to "bilious" attacks, sick-headache, and loss of appetite, are pleased to find that a course of the "Discovery" and "Pellets" furnishes immunity from such onsets, and prevents their usual recur-

\$100 REWARD

The great success of Cascarets (sales now over 8,000,000 boxes a year) proves their merit. It also

breeds imitators. Now and then a dealer who wants to *sneak* a few pennies unearned profit will try to sell cheap, worthless, nasty stuff as "just as good." This is a rank fraud on *you* and unjust to us. We want to protect the public, our friends, and see that they get the genuine Cascarets. Therefore, we ask your help and will reward you, if you will help in bringing to justice the dealer who tries to cheat you. We will gladly pay \$100 Reward for evidence upon which we can secure conviction. If anyone ever has offered, or does offer to sell you an imitation or substitute when you ask for Cascarets, fill in your name below and we will open up confidential correspondence at once. HOW ARE YOUR KIDNEYS?

NO organ receives less care than the kidneys. They get sick and are sick a long time before they hurt. The kidneys are simply filters, and all the blood made by the food we eat passes through our kidneys. They separate the bad from the good; the unhealthy from the healthy; throw out the bad and all the good passes on to nourish our body. Everything in the way of excesses hurts the kidneys. Hard work of body and mind, worry, over-eating, overdrinking, etc. When our kidneys get sick, we may have Bright's Disease, Diabetes, Nephritis, and other dangerous kidney troubles; or in the first stages we will have Rheumatism, Gout, Neuralgia, General Muscular Weakness, Pale, Sallow Complexion, Dizziness or Skin Diseases. It may seem wonderful that one medicine, Dr. Hobb's Sparagus Kidney Pills, should be able to cure all these diseases, but when we remember they are all caused by impure blood, and impure blood is caused by sick kidneys, it becomes simply a question of taking the right medicine.

Dr. Hobb's Sparagus Kidney Pills contain, in a concentrated form, special vegetables which cure and renew the kidneys. You can buy them at any drug store for 50c a box. A few doses will relieve you; a few boxes will cure the worst case. We will mail you a free sample and a large pamphlet entitled, "How Are Your Kidneys?" upon return of this card, your name and address below.

**MILD BUT

**BOON FOR

Cascarets

increase the flow of milk in nursing mothers. If the mother eats a tablet, it makes her milk mildly purgative and has a mild but certain effect on the baby. In this way they are the only safe laxative for the nursing infant.

**CURE
CONSTIPATION**

Cascarets

taken patiently, persistently, will cure any form of constipation, no matter how old or how often other remedies have failed. They are absolutely guaranteed to cure any case, or purchase money will be cheerfully refunded.

HOW TO TAKE CASCARETS:

LAXATIVE—Whenever you are costive, bilious, have a sick headache, a sour stomach, a bad taste in the mouth, eat a Cascaret tablet like candy. It will make you feel better at once, and in due time give you relief.

CONSTIPATION—Habitual constipation requires patience for a cure. At the start, one tablet twice a day, night and morning, until the stools are softened, then one tablet at night. Keep patiently at it, and Cascarets will cure you. Two 50c. boxes are guaranteed to cure any case, no matter how obstinate, or money refunded.

TORPID LIVER—Lack of exercise, constant sitting down at your work, eating indigestible food, causes a lazy liver with its sickening results. Cascarets are the finest liver stimulant ever discovered. Take a tablet at night and morning with copious draughts of water.

PIMPLES—Facial eruptions of any kind, boils, blotches, blackheads, are all caused by impure blood due to imperfect elimination of useless matter from the body. Persistent use of Cascarets in small doses, a quarter tablet three or four times a day, will make the complexion clear and beautiful.

CHILDREN—For children, dose is from one-quarter to one-half tablet, according to age, at bedtime. Nursing mothers make their milk mildly purgative for the baby by eating a tablet.

PILES—Stools are so copious, soft and unobtrusive that Cascarets are well suited to cases afflicted with Piles, Hemorrhoids, Fissure of the Anus, etc. Eat a Cascaret daily.

RHEUMATISM—In most cases of rheumatism, no matter where the seat of pain, Cascarets will afford relief. Eat one-half tablet three times a day.

DIARRHOEA—Cascarets do not only mechanically empty the bowels, but they tone and strengthen the intestines. They will do good service in any intestinal trouble whatever, including diarrhoea, cholera morbus and dysentery. One-half tablet at night.

WORMS—Kill and expel tape worms and other intestinal parasites. One-half tablet three times a day.

IMPORTANT.

When very dry, Cascarets are liable to become grayish-brown in color, hard and brittle. This means no deterioration. Chew them up and their effectiveness will prove in no way impaired.

A MONTH'S TREATMENT OF CASCARETS FOR 50 CENTS.

WHAT CASCARETS CURE!

APPENDICITIS is caused by the stopping up of the "vermiform appendix," a sort of kink in the intestines, with refuse which rots there and causes inflammation of the bowels. It is one of the most dangerous diseases, but never hurts those who keep their bowels clean with Cascarets, a tablet every night.

BILIOUSNESS is caused by a lazy liver, which sends the bile into the blood instead of offing the intestines. The bowels become clogged and inflamed, while the blood is poisoned, making the skin yellow, the breath foul and the whole body feverish. Sick headaches and a dead feeling complete the misery. Cascarets go at the cause, make the liver lively and put the whole machinery in order, a tablet night and morning.

BAD BREATH comes sometimes from decayed teeth, but mostly from a sick stomach full of rotting food, backed up by constipation, and a tongue coated with a foul-smelling scurf. A Cascaret taken any time disinfects the mouth, perfumes the breath and puts stomach and bowels to work properly.

CATARRH is due to an enervated condition of the system and an impure condition of the blood. Restore the healthy condition of the blood. Take one Cascaret twice a day after meals, and rinse out nose and throat with warm water and salt twice a day.

COLIC is known by terrible cramp-like pains in the stomach, and should be immediately attended to as it may be a sign of appendicitis. Avoid improper food, don't neglect stomach troubles; get rid of constipation. Take one Cascaret every three hours until the bowels move freely, afterwards, take one Cascaret night and morning until bowels are properly regulated.

CONSTIPATION is caused by weak, flabby bowels that leave nasty residues in the system instead of expelling them naturally and regularly. There may be no movement of the bowels for several days, followed by a natural movement once every day and then a recurrence of the trouble. This condition usually heralds chronic constipation where there is no movement of the bowels for three or four days. Too much stress can not be laid on the warning to get rid of constipation at once. It generally is the cause and accompanies all disturbances of the stomach, liver and bowels, and all skin diseases. It often causes colic, chronic headache, and many chronic diseases of the system. Cascarets taken according to directions are the strongest intestinal tonic known and a guaranteed cure for chronic constipation.

DIABETES is a chronic disease of the kidneys, and is greatly relieved by Cascarets, which assists in the digestion of food, that is many be properly assimilated. Take one Cascaret morning and night, after meals, and abstain from starchy and sugary foods.

DISORDERED STOMACH comes from improper diet, irregular hours, eating too much, excess in alcoholic drinks and use of tobacco. Usual symptoms are nausea, headache, dizziness, coated tongue, foul breath, and either constipation or diarrhoea are accompaniments. Take one Cascaret after meals, and pay attention to the regulation of hours and food.

DEPRESSED SPIRITS. This condition is often caused by chronic dyspepsia or chronic liver trouble. Remove the effect by removing cause. Take one Cascaret after meals, night and morning.

DISEASED BLOOD is the cause of many skin affections and general troubles. It usually results from torpid liver, constipation, or a defective condition of the digestive organs. Take one Cascaret after meals, night and morning.

DYSENTERY is due to the passing of undigested food into the intestines, which causes an inflamed condition of the membranous lining of that organ. This produces frequent bloody or mucous evacuations and violent colicky pains, and is very enervating. Take one Cascaret twice a day, after meals.

DYSPEPSIA is a diseased or disordered condition of the stomach, causing the difficult and imperfect conversion of food into nutriment. The symptoms occur in the following order:—Distress after eating, this precedes nausea, loss of appetite, headache, pains in the side, constipation, flatulence, dizziness, partial palpitation of the heart, which often leads people to imagine they have a weak heart. All these induce mental depression, brooding, etc., and a general lack of condition is the result. It is well known the chronic state of irritability which characterizes a dyspeptic person. Take one Cascaret after each meal, and get rid of dyspepsia. If three a day are too active, reduce dose to two, and regulate diet.

ECZEMA. An eruption of small vesicles on the skin, usually set close or crowded together. This chronic disease of the skin is revolting, particularly when it becomes raw, red, painful, and exudes water from diseased parts. Take one Cascaret morning and night, after meals.

ENERVATION is the result of an inactive liver, and the bile being absorbed into the blood. The stomach becomes disordered, and jaundice is present. Take one Cascaret as often as is necessary to keep bowels open.

FACE BLOTCHES are caused by a sluggish liver and impure blood, and are evidences of an advanced stage of either of these diseases. Take one Cascaret night and morning, after meals, until relief is experienced.

FEMALE COMPLAINTS will be very greatly relieved and their cure hastened by keeping the bowels open and the system well nourished. Take one Cascaret after meals as often as required.

FLATULENCE, that is, wind on the stomach, belching, etc., follows and accompanies chronic dyspepsia, and is much aggravated by eating. Take one Cascaret after meals as required.

FOUL TASTE IN MOUTH may be caused by overeating, dyspepsia or some liver trouble, usually most noticeable in the morning; it causes offensive breath, and is generally accompanied by thickly-coated tongue. Take one Cascaret after meals until bowels move freely, then use one or two tablets a day as found necessary.

HIVES. Stomach disturbances or constipation are nearly always accountable for this distressing itchy ailment. Remove these causes, purify the blood, and the trouble disappears. Take one Cascaret after meals twice daily.

HEADACHE is generally caused by some derangement of stomach, by constipation or a sluggish liver. Clear out these foul causes. Take one Cascaret as soon as symptom makes itself felt, and if chronic take one after morning and evening meal, and increase dose if required.

A MONTH'S TREATMENT OF CASCARETS FOR 50 CENTS.

WHAT CASCARETS CURE:

HEARTBURN. Dyspepsia generally causes heartburn. Too much acid in the gastric juice causes it to break up into the throat and produce that disagreeable, galling sensation. Take one Cascaret when symptoms appear, and if habitual, after each meal until relieved.

INDIGESTION. When the stomach does not assimilate the food properly for nourishing the body, that which results is known as indigestion. While this disease in itself cannot be said to be deadly, if will, if not attended to, lead up to very serious complications, and produce most direful results. One sees it in all degrees of severity, from the condition where only certain articles of food cause distress to a state where even the simplest diet causes the most intense agony and the plainest food is rejected from the stomach. If not taken in time this insidious disease undermines the constitution, beats down the will and nervous powers, produces an emaciated and weak vitality, and makes a hideous ruin of life. The symptoms are pains in the side, nausea, sometimes vomiting, misery after taking food, constipation, loss of appetite, dizziness and flatulence. Take one Cascaret after each meal. When this is found to keep the bowels too free reduce to two. Be careful as to food, and avoid the use of alcohol or excess.

JAUNDICE is caused by a torpid and sluggish liver, and often leads up to fatal diseases. The blood permeated with bile causes the skin and whites of the eyes to become yellowish, constipation sets in and severe headache is chronic. Take one Cascaret morning and night.

KIDNEY COMPLAINT is accompanied with drowsy and weakness. The most trying symptom is the disorder of the organ itself. Constipation and liver and stomach troubles interfere with the cure of this disease. Remove these obstacles to recovery and accelerate the cure. Take one Cascaret after morning and evening meals, or oftener if necessary.

LIVER TROUBLE should always be attended to right away, as it almost invariably leads up to jaundice, impure blood, yellow complexion, enervation, constipation and melancholy depression of spirits. Take one Cascaret after each meal, and carefully continue for two or three weeks, with only an occasional intermission.

NAUSEA, or sickness at the stomach, is often caused by imperfect digestion or overeating—at its worst after eating—generally accompanied with belching, and is so sickening as to produce vomiting. Take one Cascaret when symptoms appear, and as often as found necessary to give relief.

NETTLE RASH—an affliction of the skin characterized by white blotches and intense itching—generally comes from stomach disorders or constipation. Take one Cascaret twice daily, after meals, and thus find immediate relief.

PAINFUL DIGESTION is a most serious disturbance. Pain may be noticed directly after eating or two or three hours later, caused by dyspepsia or flatulence. Take one Cascaret after meals, as often as required, and experience immediate relief.

PIMPLES appear on the face, generally most unpleasant, and unless attended to at once, may continue for a long time. Usually impure blood, stomach trouble or constipation is the cause. Remove the cause and the pimples disappear. Take one Cascaret after meals twice daily.

PAIN AFTER EATING may be due to chronic stomach trouble, eating too much food, or eating too rapidly. Take one Cascaret for immediate relief.

RUSH OF BLOOD TO THE HEAD is generally caused by disordered stomach, and produces mist before the eyes, dizziness, etc. Take one Cascaret after meals twice daily.

SALLOW COMPLEXION is caused by a chronic sluggish condition of the liver and impure state of blood which causes loss of appetite and an enervated condition of the entire constitution. Take one Cascaret twice a day, after meals.

SALT RHEUM, a very nasty form of skin trouble, and readily forms a virulent, chronic condition. The skin becomes scaly and exudes water from the surface. Half the cure in this disorder is to relieve the bowels and regulate the stomach. Take one Cascaret two or three times a day as required.

SCALD HEAD, a disease peculiar to children. A thick, yellowish crust forms on the head. For children the dose is one-half and one-quarter of a tablet once or twice a day, as found necessary.

SKROFULA, an impure condition of the blood is the cause of this disease, which attacks the bones and covers the body with sores. Get rid of the trouble by improving the blood. Take one Cascaret once or twice a day as required.

SICK HEADACHE. Either a torpid liver or a disturbed stomach is accountable for this species of torture. An intense pain in the head, with nausea and vomiting. Take one Cascaret every three hours until the bowels are acted upon.

SKIN DISEASES. All skin affections are relieved, and oftentimes entirely cured, by regulating the stomach and bowels and improving the condition of the blood. Take one Cascaret twice a day.

SOUR STOMACH comes from dyspepsia, and is due to the fermentation of food taken; generally accompanied by belching, together with scalding of throat with some bitter liquid. Take one Cascaret after meals as often as required. Immediate relief.

STOMACH PAINS are generally caused by overeating, improper diet, flatulence, or diseased liver. There may be burning pains in the pit of the stomach, a sharp, stinging pain in the side, griping and colicky in character. Take one Cascaret after meals, or every hour until the bowels move freely.

SUMMER COMPLAINT. The indigestible green apple or cucumber are sometimes the cause of this trouble. Colicky, griping pains in the stomach, vomiting and diarrhoea. Take one Cascaret every four hours until three have been taken.

TORPID LIVER is the state the liver gets in when it fails to absorb the bile from the blood. The entire system becomes clogged with impure and poisonous matter which should be taken up by the liver, discharged into the intestines, and thus discharged from the body. A sluggish, torpid liver often produces many serious and fatal diseases; it generally causes headache, foul breath, constipation and jaundice. Take one Cascaret after meals, or more if required.

ULCERS. Relieve these eruptions by toning up the blood; remove constipation, which is usually an accompaniment, and brace up the entire system. Take one Cascaret as often as required.

VERTIGO OR DIZZINESS comes from some derangement of the stomach. Dizziness may produce fainting spells, and should receive immediate attention. Take one Cascaret three times a day after meals, as required.
