DEAR GERTRUDE,

I am deeply in love with a boy who has freckles, fangs, and a nose like T.S. Eliot. He also has very limp physique and very large ears, giving him the nickname "Earsville." How do you find out if he has a heart or if such a great person like him could love me?

Signed,
Lonely Lover

Dear Lonely,

Almost everyone has a heart and I'm sure your boyfriend also has one. He sounds like a vampire, so you had better carry a stake and cross with you.

Gertrude

DEAR GERTURDE,

How do you tell a teacher she is driving you crazy?

Nerves

Dear Nerves,

If she is really bothering you,

you should go talk to one of the guidance counsellors. If you don't want to do that just toughen up, the year is almost over.

Gertrude

DEAR GERTRUDE,

I am in love with this tall blonde and she knows it. The thing is that she liked motorcycles and I knew it. So, I got one. She changed her mind. She said she like new Corvettes. So, I got one. Be dadgoned, if she didn't change her mind again! This time she said she liked guys with curly hair. So, I went to the Men's Beauty Shoppe in Mt. Airy and curled it. Now she's on this kick of watercress and spinach. UHG! So, here I go and buy a bunch of watercress and spinach for her. Now she wants a wig. I guess it's because she's gettin' bald. Anyway, I'm crazy over her even if she is kinda stupid. The problem is, Gertrude, I'm in debt now for over \$15,000 and I haven't even kissed her! I've tried everything, mouthwash, toothpaste, after-shave, face lift! What can I do?

Signed,
Petunia Picker

Dear Petunia Licker,

You are one lousy petunia picker. This girl is most certainly a girl who is only interested in your money. I think you should drop her and find a nice fresh rose.

Gertrude
