Subj: Applications for Head Start  
Enrollees

To assure proper screening of all applicants, this CAA will begin taking applications for the Full Year Head Start Program on January 1, 1972. All applications will be taken subject to funding of said program.

Applications may be forwarded to the County Community Action Program Offices in Davie, Stokes, Surry, and Yadkin Counties or to the District Office in Boonville.

A deadline for applications will be set prior to the beginning of the summer and notifications of acceptance/rejection will be forwarded during the summer months.

Please check with each County Department of Social Services, school principals and Boards of Education, and County Health Departments to receive referrals of eligible children to the program.
