

Freshmen

Autographs

When mother nature draws her curtain
And pins it with a star,
I'll remember you ^{always} Inylyn
Regardless where you are.
Doris Lee Shore

Inylyn,
I have enjoyed being in
school with you. I hope you
all the happiness possible.
Remember me as a friend.
Love, Agnes Stone

Inylyn,
May your life be as
successful in the future
as it has been in the
past. You have a very
sweet personality.

Love Meredith Sparks

Inylyn,
May your life be strewn with
roses, with just enough thorns
to make the roses sweet.
Love, Bettie Nison
