FELLOW JAYCEES:

Congratulations on a fine Job! Our chapter is being recognized as one of the top five chapter's in our region for the month of August! That's fantastic. Keep up the great work and there will be no stoping the GRANITE EXPRESS.

A special thanks to Jim Roberts and David Sizer for the hard work they doing with the Granite City Toastmasters Club. They are very close to having enough paying members to apply for a charter and it will be official. Good work Jim and Dave!

Congratulations to our hard working secretary for being awarded the "PYGMY" Award for his efforts toward the Miss Mount Airy Pageant and the Jaycee-Of-The-Month for August. Tycho Wood deserves a great big hand. Give him a hand when you see him!

The events for October begin this Wednesday night with our Regional Meeting in Winston-Salem. Meet us at the Western Sizzlin at 5:30 P.M. so that we can get the caravan together and head down the road. This should be a fun evening and we should return with a few awards for our efforts so far this year. Also of prime importance, will be the meeting on Thursday night. We will be considering several changes to our constitution and by-laws and your input is essential to our making the correct decisions. Be with us and bring some friends! Keep up the good work and keep the GRANITE EXPRESS on track.
