America The Beautiful

*O beautiful for spacious skies, for amber waves of grain,
For purple mountain majesties, Above the fruited plain!*

*America! America! God shed His grace on thee,
And crown thy good with brotherhood, From sea to shining sea.*

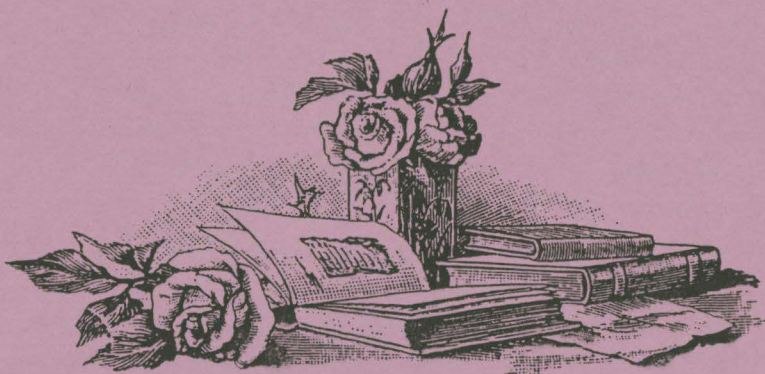

*O beautiful for patriot dream, That sees, beyond the years,
Thine alabaster cities gleam, Undimmed by human tears!*

*America! America! God shed His grace on thee,
And crown thy good with brotherhood, From sea to shining sea.*

Baulah

19 (Active)

Baulah Club has had a very busy year and has been involved in a lot of different projects. We have been involved with the Out-For-Lunch program by providing crafts, educational information, and games for the children of parents involved in the program. We adopted a new family with three children this year and have provided school supplies, Easter baskets and a meal, clothes, and a Christmas meal and gifts. We had projects for St. Jude's Children's Hospital, Help Paralyzed Veterans, and collected toiletry items, books, and magazines for the women inmates at the Surry County jail. We were very busy at the fair. We taught crafts to participants at the FFA District Day in North Wilkesboro. It has been a busy but fun year!

Busy Bees

13 (Active)

Our club pays for a Life Line each month for someone that cannot afford to have this in their home. This year we gave \$100.00 for the Foster Children and also gave a box of items for the older ones who were leaving the foster home to live on their own.

Copeland

22 (Active); 1 (Honorary)

The *Copeland Club* sponsored (4) projects this year. They include supplying a Vial of Life for a visually impaired class, serving a meal for the Handicamp, CHAD and Warm Up America. The club donated (3) books to Copeland Elementary School for American Education Week, sponsored (1) bloodmobile and sold soukors at the Berry Festival.

Members continue to help with the upkeep of the community building by paying one-half of the insurance, hiring someone to clean the building and handling any others repairs that become necessary.

Dobson Early Birds

13 (Active)

Dobson Early Birds assist the Dobson Library and have taken a yearly trip this year. This year we enjoyed the Calauaba Queen on Lake Norman, and we participated in many county activities.

Good Neighbor

10 (Active)

The *Good Neighbor Club* experienced another great year. All members are active and participate readily in club and county activities and projects. The club co-sponsored a bloodmobile and sponsored a birthday party at an area rest home. Clothing items were purchased for the foster children's clothing closet and grocery store gift certificates presented to the independent living project for young people as they age out of foster homes. New toys were presented to the Salvation Army for Christmas, a needy family was sponsored at Christmas, and a monetary donation was given to assist with funeral expenses for a young man in the community. Club members assembled items for Operation Shobox at Christmas. Club members' families were involved in a Christmas dinner and a tour during the summer to the Mount Airy Museum. All members continue to participate in the reading program. One member continues to make afghan squares for the Warm Up America program and the fronts of greeting cards are collected to send to St. Jude's Children's Ranch. As follow-up on the "Tree That Can Save Your Life" program, members were encouraged to develop their own family health tree. From the "Stamp Art" program, two members led a workshop for a church group and made plans for using stamp art in Vacation Bible School crafts. Three members participated in the Extension Homemakers Christmas bazaar and three members submitted items for the Cultural Arts competition.

Holly Springs

11 (Active)

The Holly Springs Club members participated in the rest home birthday party and served refreshments to residents.

Members labeled and postaged the newsletter for mailing by the Extension Office. Members also participated in the Berry Festival.

Members also donated toiletry articles for inmates at the county jail and pillows for breast cancer patients at the hospital.

Lazy Daisies

16 (Active)

The Lazy Daisies group volunteers with the Red Cross, Northern Hospital, or as tutors in local schools and several helped at the Perry County fair. Members support a Life Line participant and continue to have informative meetings on pertinent issues in the community.

Long Hill

11 (Active)

Long Hill Club had a very special project this year, "Ryan's Hope." Ryan Davis was very sick this year. Club members provided many acts of kindness to make Ryan feel better. Ryan passed away April 25, 1997. The club gave money to the Ryan Charles Davis Scholarship Fund.

In November, members look forward to the cookie exchange and delivering fruit baskets to the sick and shut-in. The club participated in the "Give-A-Kid-A-Coal" drive. Other projects include the Berry Festival; and Easter Egg Hunt; a Handicamp for handicapped children; the Fourth of July celebration and members provided books, coloring books and crayons to children in the local hospital.

North Elkin

17 (Active)

The North Elkin Club is involved with a local bazaar. Members are instrumental in organizing this event each year. The club uses monies to support other projects and donations to worthy causes.

Poplar Springs

4 (Active)

Though few in number, members have been very busy. We have crocheted and knitted (200) caps for the newborn babies at Hugh Chatham Memorial Hospital and made (8) pillows for breast surgery patients. One member made a quilt for a family whose home burned. The club is still working on "Keep America Warm" and the "CHAD" program. Each member has 100% participation in the reading program, as well as perfect attendance. Each member is also active in individual churches and many other crafts. The club won 2nd prize with their fairbooth this year.

Rockford

10 (Active); 1 (Lifetime)

The Rockford Club meets every month. Most members contribute to and attend the Bazaar. The club cleans the roadside several times a year. The members try to get people to in the club. The president, Jill Gelgen, sponsored a 4-H club.

Salem Fork

7 (Active)

Salem Fork has continued supporting literacy by collecting and donating magazines to the library and by collecting stamps for veterans. Club members have also given old Christmas cards to the Extension Office for craft use. A new project this year was distributing the CHAD stickers for child car seats.

Phoals

11 (Active); 1 (Honorary)

Clothes drive for foster children closet, testing and measuring at Phoals School, clothes drive for special people at David's House, and working at Phoals Rural Club Horse Show are just a few of the projects that members have been involved with this year. The club also helps with the Phoals Handicap Camp, the Phoals Recreation Park and gives books to newborns at local hospitals.

Members help people in the community in need and try to be good citizens.

Piloam

18 (Active); 3 (Honorary)

Members of the Piloam Club have judged at the Wilkes County fair and the Yadkin County Arts Council Craft Show. The club did a Christmas workshop for community children. Members rang the bell for the Salvation Army. The club did a birthday party at Dunmore Rest Home. They provided (26) potted plants on Mother's Day to residents at Dunmore Rest Home. Upper elementary students at Copeland School were treated to basketmaking and quilting demonstrations. Members tutored students in reading and writing at Copeland and Phoals Schools. The club awarded a scholarship to one student at Surry Community College. A birthday reception was held for Mrs. Beulah Carlyle for her 100th birthday. Members made and filled a basket for Ryan Davis. Cards were sent to St. Jude's Hospital. Members worked at the Surry County fair in the Clothing Category for two days. The club painted pink broomsticks, made pink pillows and furnished refreshments for Cancer survivors. The club also participates in the Adopt-a-Highway program. Ponkers were baked and served at the Berry Festival. An on-going project for the club is sponsorship of the Fourth of July Fun Day in Piloam. Members did a fairbooth this year, labeled newsletters at the Extension Center and served refreshments at Copeland School for Education Week. Items were provided for inmates at the county jail. Medications were purchased for a community resident who could not afford to do so themselves.

White Sulphur Springs (Active); 2 (Honorary); 1 (Associate)

The White Sulphur Springs Club collected over 15,000 stamps for veterans this year. Members also cut fish shapes out of cards to be used in children's eye testing.

Some members worked two days helping make gingerbread for the 4-H to use at their Christmas workshops.

Members also made squares for the Warm Up America program. Enough squares were made for (1) lap quilt. Clothes were made to dress dolls for the Salvation Army. These were displayed at store windows in Mt. Airy, which gave good recognition to the club.

Six members helped wrap packages for the Salvation Army in December. Canned food was collected for the Foothills Food Pantry.

Members addressed and postaged newsletters (2) times this year. The club participates in a birthday party for a local rest home. In May, Gloria Puckett, Sue Chandler, and Era Anderson went to Dobson Elementary School to demonstrate how to make bookmarks using wildflowers for the 4-H program. Sue Chandler and Era Anderson also helped at Mayberry Mall to distribute literature to promote the Extension Homemakers organization.
