Even though they have won many trophies, the highest honor came to the Hopper Brothers and Connie at the 1964 National Quartet Convention in Memphis, Tennessee when they won the grand trophy making them the No. 1 amateur quartet in the United States. As a result, they received a recording contract recognizing them as one of the up and coming quartets in the nation in the Gospel Singing field.

The Hopper Brothers who first started singing about six years ago in their own church in Madison, N.C. have appeared in state competition and are much in demand by church and civic club gospel singing events. For three years now they have had their own radio program on Station WMYN in Madison each Sunday afternoon from 4:30 to 5:00 p.m.

Quartet members are Claude Hopper of Madison, manager and second tenor; Will Hopper, tenor of Madison; Monroe Hopper of Madison, Bass; Steve Hopper of Winston Salem, baritone and Paul Hopper of Madison is public relations director also, a bass singer. Connie is Mrs. Claude Hopper, pianist for the group.

MASTER'S QUARTET OF BURLINGTON

The Master's Quartet was organized in the year 1951 by four young men who had yielded their lives to Christain work through the spiritual teaching of the Andrews Memorial Baptist Church in Graham, N.C. The demand for the services of this quartet has grown to new heights in the last few years. It is known as one of the most spiritual quartets of today. Four albums have been produced with two of these still available for purchase. The Quartet has a weekly Raido program which is in the ninth year of broadcasting. For transporation, they use a Trailways Bus equiped with sleeping quarters and air conditioned for complete comfort. The quartet is yet to go full time but little time is left for other activity besides public work which each member is engaged in.

The manager, spokesman, and lead singer for the group is a personable young man with great zeal for gospel music. He is married and has one child, his name is Joe Loy.

Singing the baritone is the preacher boy of the group. A young man with an appealing, sincere voice accepted by the most critical ear. He is married and has three children, his name is Dan Webster.

Singing first tenor is one who has been enjoyed by audiences up and down the land with his most pleasing Irish tenor voice. He is married and does not have any children, his name is Walter Gurkin.

Singing bass for the quartet is a young fellow who is known as the little fellow with a big voice. A voice as big as the great outdoors. Not only does he have a big deep bass voice, but tones that are smooth as silk. He is married and has one child, his name is Jimmy Collins.

Accompaning the quartet is the youngest member of the quartet and is becoming well known by folks who enjoy gospel music. Only twenty-one, from the mountains of North Carolina, his name is Roger(Dale)Arrington.

Down through the years the Lord has smiled upon the Master's Quartet and whenever you hear them sing you can rest assured that they are doing their best to help somebody along the way.
