

good soldier. I hear you and Kate
are very anxious to hear from Bennett
I can inform you he is improving very
fast, and I am in hope will be well soon
so he can come up and see me for I
am very homesick, I have been to see
him. Tell Bessie she is just as pretty as
ever. I received a letter from Dad, last
week he was well and said he had
written to you, you must answer
his letter. Mr. Bass and Sister Harp
are married he sent me a special
invitation to come to see his lady.
Mother sends you a dress and two
aprons you must write how they fit.
They are all well at present. Mrs.
Uncle Henry is improving. I will close as I
have nothing more of interest to
communicate to you. Write soon for I
have not received a letter from you
since Kate went up. Nothing more
All the family joins in good bye wishes.
me in love to you.
