Mr. David Hemmings
Housing Authority of Town of Mt. Airy, N.C.
Mount Airy, North Carolina 27030

Dear Mr. Hemmings:

Local funds are used for the Matching Funds for the Title VII Nutrition Program for the Elderly. These funds may be IN KIND donations. One type of IN KIND donation allowed is space. IN KIND contributions may be figured by depreciation, maintenance or operation cost.

The payment made to you by the Title VII Nutrition Program represents payment for maintenance and operating cost (utilities, janitorial services, up-keep, security, etc.)

The Title VII Nutrition Program for the Elderly needs a statement from The Housing Authority stating the value of the space occupied by the Title VII Nutrition Program for the Elderly Congregate Center.

Please provide the project with the information on the attached sheet. The project's bookkeeper can calculate the IN KIND value from the information provided.

Thank you for the use of the space and for your cooperation in this matter.

Sincerely,

Jane Bullard, Program Director
Title VII Nutrition Program for the Elderly
