## Poor first halves doom Knights in Pickle Classic

The Surry Community College basketball team, known as the Knights, lost to the Valdosta State team in the first round of the Pickle Classic tournament. The Knights were defeated 75-60 in a game that was decided in the first half.

The Knights' poor performance in the first half was the primary reason for their defeat. They were outscored 35-15 in the first half, which put them in a difficult position for the remainder of the game.

Despite their loss, the Knights showed some improvement in the second half. They were able to score 25 points in the second half, but it was not enough to overcome the deficit.

The Knights will be looking to improve their performance in future games. They will be focusing on their defense and trying to score more points in the first half.

Oglethorpe scores 32 points

# Isothermal surprises Surry, 97-82

EDINBORO — Jerry Breda's 22-point game helped lead the Oglethorpe "Tornado" basketball team to a 97-82 victory over the Surry Mustangs in a game played at the Edinboro Community College gymnasium.

Oglethorpe, a Class 1A school, led from the start and the 32-point margin was never in doubt.

The Trojans, who 14-11 overall, fell behind early in the game and could never catch up, said Coach Wayne Matlock.

"We outplayed them in every phase of the game," he said. "We played a great

second half, but we were not perfect tonight."

The Mustangs won the game of the first three quarters, then they were shut out for good.

"We scored more than 20 points in the first half, but they were a bit of an embarrassment," Matlock said.

He added that in the second half, Surry would not be able to get on the board.

"When we got ahead enough to make a game of it, we could not get any more," he said.

Chris Wright led the Mustangs with 20 points, followed by James Davis with 14 and Curtis Franklin with 10.

Larry Rose and Chris Harris added 10 and 12 points, respectively, for the Mustangs.

The two schools played

early in a second place finish in the conference.

The Knights victory at Edinboro Community College basketball is their first regular-season game.

Lockwood basketball action begins next week and all first-round games will be played at the sites of the top four teams in the conference.

Wednesday.

The Knights are seen to play next in Edinboro, Pa., with the Chesapeake game on Saturday.

"We hope our last year here at Edinboro will be the best," said Coach Wright.

"We've been pretty lucky to play here

for the last three years over with the conference tournament."

Wright added that the Knights will probably be selected to represent the school in the regional basketball tournament.

## Surry Knights go after No. 1 again

Surry Community College, which recently defeated the former Wake County team, looks to repeat its domination of the top spot in the coming season.

The Knights have captured the title regularly since 1963, and are confident of extending it to another season.

Head Coach John W. Smith, who coached a 3000-point team last year, expects to lead the team to a repeat title in the future.

With the players from last year, who are Joe Ayers, Ed Smith, Larry Hill, Arthur and Robert Johnson, of Farmington, and Richard Armitage, of the former Wake County team, Smith expects to lead the team to a repeat title in the future.

The team will play its first game on Oct. 4 against the Wake County team.

## Knights Edge NBC 68-60

### BY SCOTT PETERS

Justly, I believe a game featured an intense half-court offensive by the Knights against the NBC's defense. The Knights, led by Ednie Butler, scored 32 points in the first half and 36 in the second.

With the Knights leading 30-20, Butler led the team to a 32-20 lead at the end of the first half. Butler's scoring was the key to the Knights' success. He scored 22 points and had 10 rebounds.

But Butler and Wright made a significant difference. The combination of the different players and the team's strategy proved to be the key to the Knights' success.

Wright's performance was also a key factor. He scored 18 points and had 8 rebounds. His leadership was crucial in the second half.
