

REPORT OF
THE JUNIOR WOMAN'S CLUB OF
MT. AIRY, N. C.

The Junior Woman's Club of Mount Airy, North Carolina, has ten members, and holds its meetings on the first Monday of each month in the Woman's Club Building.

The Club sponsored a benefit bridge party in February, and _____ the amount realized from this party, was used to buy books for the childrens shelves in the library.

Three outlines sent out by the Division Chairman were re-arranged and used by the program chairman for three of our programs. Our other programs were arranged by our program chairman, with the help of other club members.

We have paid our State and District dues, thirty-five cents per capita; and \$5.00 pledged to the Sallie Southall Cotton Loan Fund has been paid.
