Dear Fellow Members:

We extend our sincere congratulations on the successful publication of the Surry County Heritage Book. We deeply appreciate the efforts of all of you in making this book possible. We are especially appreciative of the long and dedicated hours given by the Book Committee.

We also thank each of you for the copy of the book you so graciously gave us. It is an important and treasured addition to our library. Already it has helped us in our own work.

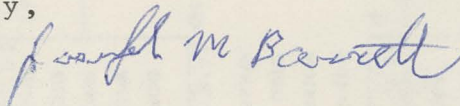

We noted that the book is published as "Volume I". We hope the acceptance of the present work will be so great as to inspire the future publication of additional volumes with more family history.

We are submitting herewith the promised, and long delayed, pedigree charts showing Joe's heritage in Surry and adjoining counties. As you can see, we have need to greatly extend our research.

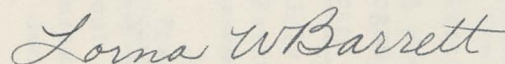

If all goes well, we hope to visit Surry County again this year. Hopefully we can include another meeting with the Association.

Thanks, again, for your generosity.

Sincerely,

Joseph M. Barrett
