**SPECIAL PROJECT** — The Dobson Womans Club and the Dobson Lions Club worked with the Community Council to place several dozen urns containing ferns on street corners in Dobson. Shown are Ana Laura McMillian and George Pendergraft representing the two organizations placing an urn on the outhouse square.

## Urban Degree Set At UNC-C

**CHARLOTTE (UPI)**—The University of North Carolina at Charlotte will offer a new

master's degree program next fall to prepare students for such urban jobs as city manager, finance director, and program

analyst in the area of city and county administration.

A Master of Urban Administration Program has been authorized in the political science department by the University of North Carolina Board of Governors.
