Class of 1965 Completes First

Four-Year Cycle at SCHS.

Shakespeare once said that all the world's a stage and all the men and women merely players. We might paraphrase this statement and say that all the school's a stage and all the boys and girls merely players. For the members of the graduating class, this year marks the end of the first full "four-act play" at Central.

Our four years have been pleasant, and we carry away happy memories of our associations with producers, directors, and cast. However, we eagerly look forward to the new production. What shall it be? employment? marriage? college? Whatever the play or the scene, we want to continue to play our parts well.

To the juniors, sophomores, and freshman—the fellow members of our cast—we say, "Play on!"

DEDICATION

Surry Central High School
Dobson, North Carolina
May, 1965

Dear Mrs. White:

It has been our great pleasure to work with you—some of us for only this year; others, for four years. Often you have helped us; always you have had a smile for us.

Making our school the good one it is has been an enormous task. In this accomplishment, you have helped all of us—principal, teachers, and students. School secretaries must be so many things in one—clerk, typist, accountant, nurse, receptionist, and friend. What would we have done without you? You have provided us with everything from paper clips to an understanding heart that shares our problems and our joys with the same friendly warmth.

We want to thank you for doing the things you do and for being the person you are. For these many reasons we dedicate this 1965 Aquila to you.

With warmest affection,

The Student Body

PROFESSORATE AND

ACADEMICS

This school term has seen many changes in and additions to our program of studies. A new marketing course is available to students who choose sales as their vocation. The commercial department has revised its Typing II course to give participating students a taste of the work of a real office. Biology is being taught to two special groups of freshmen, the first advanced groups in the school's history.

Our faculty has grown to thirty members, and many of them are working for advanced degrees. With better qualified teachers and a broader curriculum, students of Surry Central High School are fortunate.

School and County Administrations

The school administration joins with the yearbook staff, students, and teachers in presenting another year of accomplishments, incidents, and dreams to the community of Surry Central High School. All of us are making history for the school, and we hope that we are developing the kind of traditions and inspirations that will move Surry Central forward.

Marketing
Vocational Guidance Counselor
DECA Adviser

The DECA (Distributive Education Clubs of America) Club is an organization of students enrolled in vocational distributive education classes functioning through local clubs and has as its purpose to further the welfare of its members in the following ways:

A. To stimulate professional growth of students entering the field of distribution.
B. To develop progressive leadership in education through the exploration of vocational opportunities in marketing and distribution.
C. To develop skills in human relationships through satisfactory social and recreational activities.
D. To foster a deep feeling of the civic, social, and moral responsibilities of business to society.
E. To develop an understanding of vocational education and create the desire to keep abreast of current developments in business and industry through the use of the training facilities the organization offers both in school and adult life.

Mr. Everette demonstrates selling techniques to his second period marketing class.

Girls "invade" Ag classes.

Our FFA began the year by winning a Blue Ribbon at the County Fair. We have an added attraction this year, a class of twenty girls. In our studies we have made several trips to greenhouses.

Mr. Crater's boys climaxed our study on Soil Science by winning the FFA Federation Land Judging Contest. As the year progresses, our students will participate in Federation-sponsored contests, such as Tool Identification, Public Speaking, Parliamentary Procedure, Livestock, and Dairy Judging.

SAMUEL T. BRIGGS, B. S.

General Science and Biology

Freshmen take Biology.

The science curriculum provides opportunities for all students to study science to meet their needs and interests. Learning is conducted in classroom-laboratory situations which provide opportunities for individual and group instruction, investigation, and experimentation. Students participate in field activities and learn to apply methods and principles of science to the investigation of problems of living.

Students examine slides under the microscope and dissect frogs—all a part of biology.

Seniors are still taking math.

Mathematics is, to some degree, an essential ingredient of the education of all the students of our school. The degree depends upon the individual and the vocation he chooses to follow. For some it will be basic operational skills; for others it will extend to a more comprehensive understanding of processes and concepts; and for others it will become a way in which to unlock new discoveries and to open new ways of learning and communication.

Students try to master unified geometry.

Advanced math offers a good background for college-bound students.

for strong, healthy bodies.

Basketball is the favorite game in physical education.

Our physical education program is divided into units in order for the student to attain more readily a high degree of skill in each sport incorporated in the program. The basis of this division is a class period of one-hundred fifty minutes per week—either thirty minutes per day or sixty minutes three times per week. The program consists of orientation and physical fitness tests for one week; low organized games for two weeks; softball, touch football, soccer and speedball, volleyball, recreational games, baseball, track, and field for three weeks each, gymnastics and rhythms for five weeks, and basketball for six weeks. The coaches feel that such a program emphasizes the skills in each sport or activity.

Wade Lewis and J. P. Simmons find that isometric contraction is a good muscle builder.

Monogram Club Adviser

Social Studies

The social studies department offers the student opportunities to learn about his cultural heritage. It is a laboratory in which he takes a look at man's achievements and failures. He can observe critically the strong and weak points of both past and present, and in so doing, he can come to appreciate his own social, political, and economic environment. Here he learns the principles of democratic living, studies contemporary world situations, and begins to feel a sense of responsibility for the world that is soon to be his trust.

Guidance and Library

Students at Surry Central have the opportunity to receive the best of guidance assistance. They are encouraged to visit this department to discuss any matters or problems which may confront them. Our guidance counselor, Mr. Bell, keeps the students informed on all tests they must take and aids them in choosing certain subjects in high school that will benefit them in many careers. Each college preparatory student keeps in constant contact with the guidance office where he receives help in choosing a college and in making plans for a future vocation.

French students have pen-pals in France, Belgium, Canada, and Switzerland.

French students sing Christmas carols—in French!

Students in our foreign language department become acquainted with the language patterns—they learn to understand French when it is spoken, to speak it themselves and to read and write the language with reasonable accuracy. Records, tape recordings, and French songs and games aid in this program. Through limited study of the geography, history and literature of France and particularly through correspondence with French-speaking boys and girls, our students develop an appreciation and an understanding of a foreign country and its people.

Driver Education is effective.

ROY JOHNSON, Th. B.
Piedmont Bible College
Driver Education

The driver training classes strive to produce careful, thoughtful drivers by means of conscientious work in the class and on the highway. The classroom work involves daily lessons from the textbooks and weekly films on safe driving habits. After having completed the classroom study, each student is eligible to do actual driving during the following summer. Once the full course of driver training is completed, the student is considered a safe driver and may apply for his driver's license.

Students find valuable training in driver education.

PARTICIPATION

The extra-curricular activities at Surry Central are varied and rewarding. The Student Council has had a successful year. It sponsored a mock presidential election that went over well with the student body. The FBLA has kept busy publishing the Centralette. It hopes for an even better year next year. The National Honor Society initiated 16 new members last fall with more to be added during the spring semester. The FFA and the FHA are again the largest organizations on the campus and display a resourcefulness and an energy that make them respected. In all of these organizations, students have opportunities for learning and for becoming well-rounded young people.

Student Council Officers: Janice Hayden, Reporter; Bob White, Secretary; Benton Payne, President; Jim Ring, Vice-President; Kay Reid, Treasurer.

Student Council holds mock

The Student Council has become a respected organization sponsoring many worthwhile activities. The mock presidential election proved a great experience in giving the members of the student body a chance to express their opinions and choices. The Council-sponsored March of Dimes produced a larger return than that of any other county school. We think the Student Council of Surry Central High School has found itself.

House of Representatives: Seated: Hilda Snow, Jim Ring, Joyce Norman, Joellen Folger. Standing: D. Moser, B. Briggs, S. Miller, A. Johnson, L. Fowler, J. Snow, J. Hayden, D. Coe, V. Draughn, L. Hatcher, J. Snow, L. Bullin, M. White, J. Hemric, J. Flynn, L. Johnson, K. Chappell, G. Hayden, L. White, N. Martin, D. Brindle, S. Cummings.

FHA members display Christmas decorations.

FHA

The FHA is a national organization of students of home economics. Any student who is, or has been, a member of a home economics class is eligible for membership in the local chapter.

The group sponsors worthwhile projects each year—the Secret Grandmother Party, the Mother-Daughter-Son Banquet, the support of an orphan child in Thailand.

Affiliated with the state and national organization, the Surry Central chapter regularly attends the district rally and state convention. A group also attends camp at White Lake.

Play School
Preston Badgett reads Dr. Seuss to Jennie, Darlene, and Mark.

FFA

The Future Farmers of America is composed of all boys who take agriculture. Projects of the FFA include selling doughnuts to raise money and individual subject projects dealing with certain phases of agriculture. The boys take pride in both group projects and individual projects. This year girls who are taking agriculture have joined the FFA.

FFA members sell doughnuts for money-raising project.

The CENTRALETTE keeps students informed.

The Centralette is a monthly publication of the FBLA Club. The purpose of the Centralette is to keep the faculty, students, and parents informed of the activities of the school.

The proceeds of the paper go for payments on the IBM Executory which the club has purchased for the commercial department.

Freeman, D. Snow, E. Laws, J. Wilmoth, V. Hamlin, B. Slawter.

COMPETITION

The athletic program at Central is improving. At long last the football team won a game and gave its opponents rough going. The football team will continue to improve, but our players know that we have stood behind them and supported them—win or lose. The basketball team under its new coach, Mr. Williard, showed good prospects early in the season. We wish them luck! Although girls' basketball has been discontinued, the girls have shown school spirit by participating as cheerleaders and by working at concession stands.

Football team tastes victory and

FOOTBALL BOOSTER EXECUTIVE COMMITTEE: Seated: Bob Martin, Otis Carter, Trenton Snow, J. I. Shinault. Standing: Ray Hagwood, John Norman, George Newman, Hal Collins, Charles Golding, Arthur Shores, Robert Burrus.

Wake Forest Coach Bill Tate signs autograph at football banquet.

improves quality.

The first game of the season was with South Stokes at home. The Eagles rolled up a fast two points in the opening minutes of the game as our husky defense pushed South into the end zone for a safety. Our defense stopped South until the closing minutes of the fourth quarter when South intercepted a pass and returned it for a touchdown. The game ended in defeat for our Golden Eagles, 6—2.

Our second game was with Lansing at home. Our offensive still wasn't coordinated enough to score, but our rugged defense saved the game by stopping Lansing and holding them scoreless, also. The game ended in a 0—0 tie.

North Surry was the third team that the Eagles played, and this was our first conference game. North, being undefeated for the season, was highly favored, but the powerful Eagle defense held them to only 13 points. The Eagle offense still couldn't move the ball and didn't score. The game ended in defeat for the Eagles, 13—0.

Our fourth game of the season was at Ashe Central. The Eagle offense got off to a vigorous start in the game by driving 70 yards, under the leadership of quarterback Jonathan Snow, for a touchdown. In the second quarter, Eagle end Jim Wilmoth intercepted a pass and ran 80 yards for a touchdown. Ashe scored in the second half, but the game ended in an Eagle victory, 12—7. THIS VICTORY WAS THE FIRST IN SURRY CENTRAL HISTORY.

The Eagles traveled to Boone for their fifth game. Undefeated Appalachian showed their ability as they romped over us 38—0, but our team was not discouraged as was shown in the game with East Surry the following week.

Benton Payne and Franklin White
CO-CAPTAINS

First row: J. Gentry, R. G. Norman, B. White, C. Collins, E. Johnson, E. Laws, W. Woodruff, J. Woodring, D. Beane, J. Shores. Second row: J. Sidden, D. Hatcher, T. Woodruff, J. Wilmoth, J. Cheeks, B. Slawter, D. Snow, R. L. Norman, B. Payne. Third row: S. Williams, I. Gentry, F. White, L. Hatcher, E. Jones, B. Carter, E. Coe, B. Collins, K. Swift. Fourth row: Coach Hayes, J. Simmons, W. Lewis, M. Gillespie, S. Freeman, M. White, R. Beck, Coach Williard.

For the untiring effort of Coach Howard Hayes, the school is grateful.

Don Beane carries the ball for SC in Lansing game.

The last home game!

The Eagles went into the sixth game of the season as the underdog to East Surry. The Eagle defense showed their ability in doing a tremendous job of holding the Rebels scoreless until the closing minutes of the fourth quarter. The game ended in the fourth defeat of the season for the Eagles, 7—0.

For their seventh game, the Golden Eagles traveled to West Wilkes. The team played hard, but the West Wilkes offense over-powered ours with a 14—6 victory.

The Golden Eagles visited Yadkinville for the eighth game. We scored on one long drive downfield, but Yadkinville controlled the ball during most of the game, scoring 26 points to pace them to a 26—6 victory.

For our ninth game the Golden Eagles hosted Sparta. Since this was our homecoming, we hoped to win. However, Sparta romped over the Golden Eagles with a 19—0 victory.

Our last game was with Elkin at home. The Elks controlled the ball almost throughout the game, but we did score on a long run by Eugene Laws. The game ended in a 35—6 victory for Elkin.

The Golden Eagles lost their last four games, but the season proved successful. It ended with one win, one tie, and eight losses. The win and tie set a record for a Surry Central football team and proved that our team can win. Although we didn't win more games, everyone is pleased with the season's outcome.

The football squad view films of other teams in action.

Surry Central player is engulfed by North Surry team.

Front row: Dennis Atkins, Johnny Gentry, Ralph Southern, Buster Slawter. Second row: Ken Griffin, Brent Crissman, Don Beane, Jimmie Shores, Roger Cockerham. Third row: Coach Hayes, James Cox, J. P. Simmons.

Freshmen and Junior Varsity Basketball provide early experience.

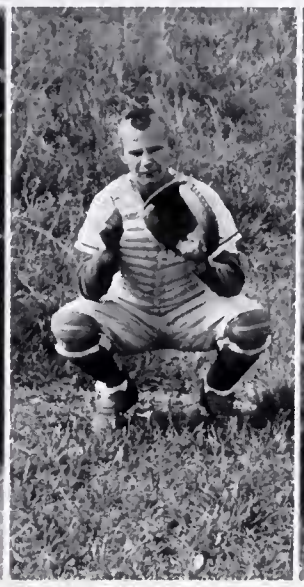

Front row: David Freeman, Mike Branch, Weldon Beane, Ronnie Young, Gary Mahaffey, Donnie Felts. Second row: Mark White, Grady Wilmoth, Samuel Freeman, Randy Johnson, Ronnie Wilmoth, Wayne Haymore. Third row: Coach Bell, Kenneth Swift, Billy Alderman.

Baseball

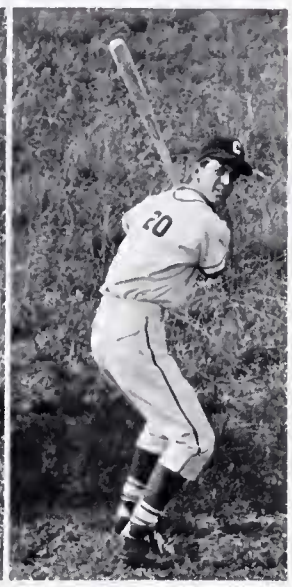

The baseball team had a very fine record last season. Under the leadership of star pitcher Jay Johnson, the Golden Eagles won ten games and lost four. The leading hitters who boosted our team to victory in many of the games were Don Coe with a .423 batting average and Garry Moore with a .420 average. The record of the Golden Eagles enabled them to attain second place in the conference. Ten lettermen return this season to keep our team as strong as ever.

JIM RING
Second Base

GARRY MOORE
Catcher

JIMMY SHORES
Pitcher

Surry Central "wallops" Elkin 10 to 2.

VAN HAMLIN
First Base

DON COE
Left Field

First row: Herbert White, Manager; Buddy Collins, Ronnie Phillips, Lonnie Edmonds, Roy Vernon, Jerry Haymore, Stanford Williams, Thomas Golden. Second row: Mike Gillespie, Manager; Jimmy Shores, Van Hamlin, Don Coe, Jimmy Ring, Garry Moore, Jay Johnson, Mr. Hayes, Coach.

Track tests strength and endurance.

Last season the track team was led by Steve Johnson and Garry Moore. The Golden Eagles were led in point standing by Steve, and he was voted most valuable member. Garry was leader in the broad jump. The team's record was impressive and showed that our athletes are physically fit.

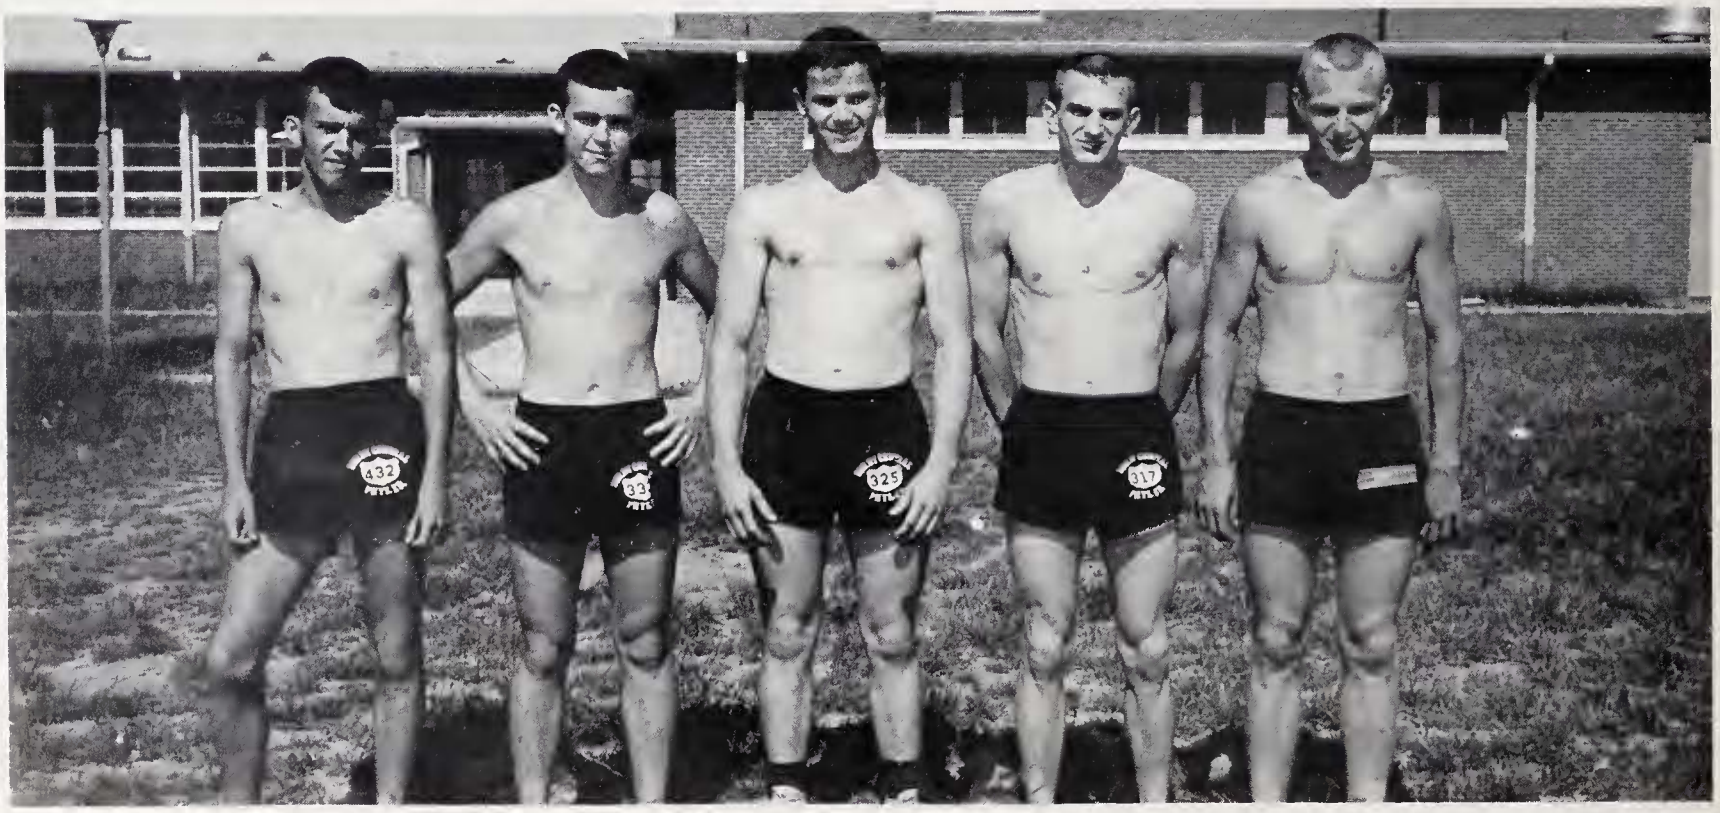

Garry Moore leads team in broad-jump.

On your mark! Get set! Bang!

Bobby Moser, Tommy Chappell, Alex Gabbard, Steve Johnson, Garry Moore.

Golf Team Wins Tournament.

1964—GOLF TEAM RESULTS

Surry Central-6	Boonville-3
Surry Central-3	North Surry-6
Surry Central-2 1/2	Mount Airy-6 1/2
Surry Central-5 1/2	Jonesville-3 1/2

Jerry Hemric, Wayne Ross, Joe Norman, Jim Wilmoth, Sammy Simmons, Dick Wilmoth, Jonathan Snow, Gary Collins, Mr. Everette, Coach.

CLASSIFICATION

The Class of 1965 is unique in many respects. It is the largest to graduate from Central—it is also the first class to finish the full four years at SCHS. We feel that it is really our school.

The Juniors have exhibited much enthusiasm this year. Their float won first place in the annual homecoming parade. The athletic teams seem to be dominated by members of the junior class—we expect a great season next year!

The sophomore and freshman classes are gaining confidence and are supplying much talent and leadership in all activities.

Next year should be another successful year for the Surry Central Student Body.

GENE BARKER

Class of 1965 is the largest class

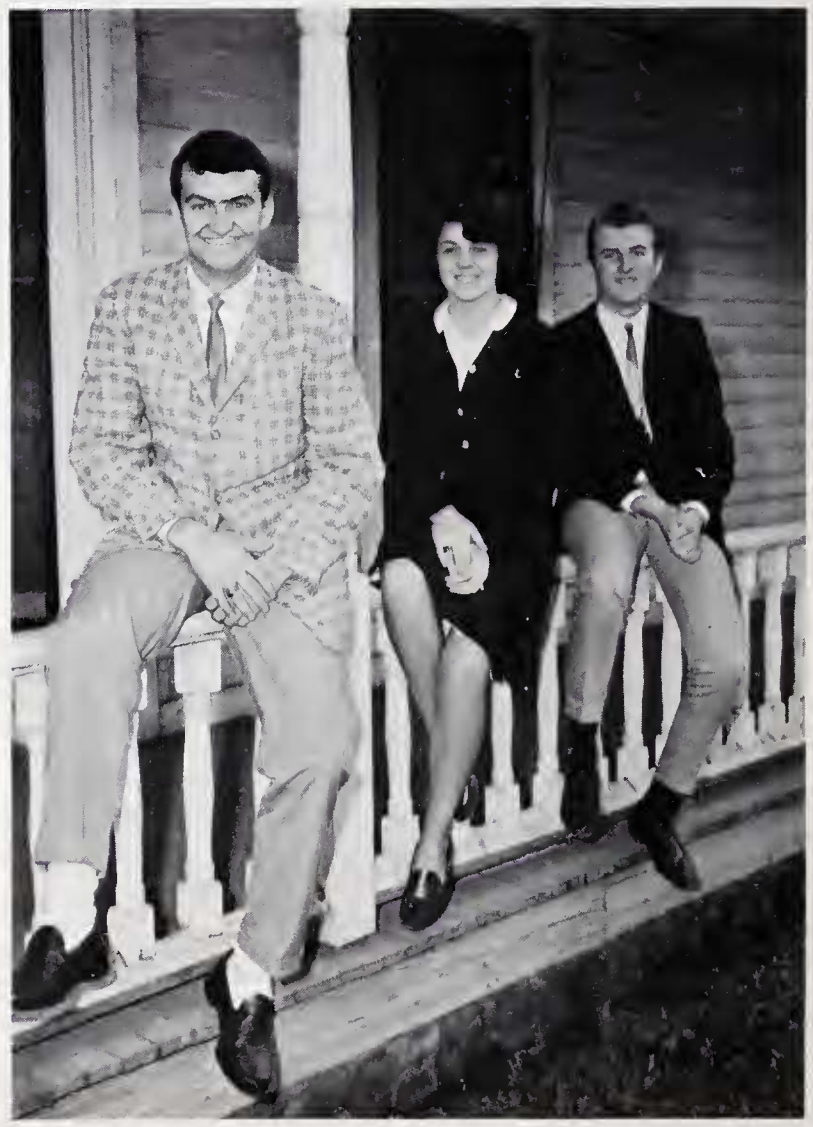

We, the Senior Class of '65, are very proud to be the first four-year graduation class at Surry Central High School. We feel that our school has benefited us greatly during these four years. Some of us have been prepared for college, some for business fields, and some for other careers. We hope our choices of careers are wise ones and we have confidence that we students are well prepared for future life.

ADVERTISEMENTS

Without the support of the merchants of the community, the publication of this annual would not have been possible. It is they who enable us to purchase the Aquila at such an inexpensive price.

We hope that the students and friends of Surry Central High School will continue to give their support to our advertisers.
