IMPORTANT

DON'T THROW THIS MEMO AWAY. Take it home and put it in a safe place; and before you put this memo in your pocket, look it over. See if it's correct. Your Stabilization Number might not be right; your name may be spelled wrong; your address may be wrong; and your share in the tobacco could be left out. If you find any mistake in this memo, take it back to the warehouse office and get it corrected on this copy and the original white copy.

NOTICE:

Read this carefully to see how important this memo really is.

1. You are given credit for the amount of tobacco shown on this memo at Stabilization office in Raleigh.
2. You may receive additional money for the tobacco shown on this memo. Stabilization will have this tobacco redried, packed in hogsheads, and offered for sale. After it is sold and if there are any net gains made, your pro rata share will be paid to you.
3. If this memo is not correct, you will not receive credit for the tobacco; and you will also lose your share of the net gains that might be realized on any crop. Be sure this memo is right before you leave the warehouse.

LOOK:

You are a member of Stabilization Corporation. It has helped you by putting money in your pocket for your tobacco. Now Stabilization Corporation is asking for your help. As a member and stockholder, it is your responsibility to:

1. Advise Stabilization Corporation of any permanent address change. Send your number when writing.
2. Advise Stabilization Corporation if your identification card is wrong.
3. Advise Stabilization Corporation of the death of any member.
4. Be in the warehouse when your tobacco is being sold--and be sure to have your Stabilization Identification card with you.
5. Be sure that your tobacco brings the support price or above by checking the price schedule by grades.
6. When writing Stabilization Corporation identify yourself by sending card number and pink receipt number.

IMPORTANT:

1. Be sure that your tobacco is properly graded and tied before bringing it to the warehouse.
2. Do not nest your tobacco or load it with any type of foreign matter and be sure to remove all strings.
3. Do not wet it or let it become damaged.
4. Do not follow any unscrupulous practices in marketing your tobacco for they weaken and undermine the overall tobacco program.
