Moments of Open Worship for Prayer and Sharing Concerns

Friends feel that each individual must assume his own share in the responsibility for the "success" of the meeting for worship. That is to say, each person must make his or her own contribution to the richness and depth of the corporate worship experience, whether through spoken word or through silent prayer.

I wondered why somebody didn't do something---

Then I realized that I am somebody. --Abbey Press

God sends no churches from the skies,

Out of our hearts they must arise.

He hath shewed thee, O man, what is good; and what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God.

--Micah 6:8
