We the Seniors at Westfield School realizing the opportunities that we have were made possible by our forefathers, have named our yearbook in honor of their diligence and the precious heritage passed on to us. In appreciation for Westfield being the original settlement in Surry County, We give our yearbook as a lasting memento of school events and past history. Be it known this year of our Lord Nineteen hundred and fifty eight, by papular vote of the student body do name this yearbook "The Origo." a name to remain as title to a yearly chronicle published at Westfield School.

The Seniors

IN APPRECIATION

To Mrs. Harding whose gracious smile and warm friendly greeting have brightened the halls of Westfield High School for many enjoyable years, all are happy to dedicate this book.

Seniors:

It has been a pleasure to have been associated with you. Your High School life has almost come to an end. You are about to start a new course in that great sea of life. Your High School life has been a preparation for your new Course.

I sincerely hope you have gained the confidence and the poise as well as the knowlege that is required to battle the rougged waves that you shall encounter on your new course. It is my desire that each of you have a successful and happy Voyage through the sea of life.

Sincerely,

John K. Craven
