

July 27 shall be able to let my rooms
now for they are just going to begin
enlarge our old Church & the yard
for they mean to pull down the steeple
& belfry & build new ones for it is
a Disgrace to the Parish & the People
too for the Congregation is larger
than ever & Sunday lately their
Money Boxes only collected $\text{£}2\frac{1}{2}$ I
am told so they must do as they like
With their about 10 thousand Pounds
Contract to be done by Mr Bennett
Strange things happen Nowadays
I still feel less able to walk about
& get weaker as the Months roll
on but an end will come perhaps
soon & May the Lord Grant that
We all may find Mercy of the
Lord in the Day that He
shall send for us to Meet Him
Amen Say I

My Daughter has Ben Ill
for 3 weeks & is not able to work
at all yet & i feel it will be 2 or 3
weeks before she will get quite well
again to do her own Work & it
is a sad trouble to me but I do
the best i can to keep the Wofe
from the Door

I must now finish this to send it
away Hoping it may reach you all
in due time for you to read yourself
& May the Lord Bless You in
your Business your Basket &
your Store & all your Boys & Girls
& yourself with Health for years
to come & I subscribe Myself Most
